

STATE OF NEW YORK

8729

IN SENATE

July 10, 2020

Introduced by Sen. RIVERA -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the public health law, in relation to including statistics on childbirth complications, fetal losses, and other injuries in information leaflets for maternity patients

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 2 of section 2803-j of the public health law,
2 as amended by chapter 62 of the laws of 1996 and paragraph (m) as
3 amended by chapter 431 of the laws of 2004, is amended to read as
4 follows:

5 2. Such leaflet shall also include statistics relating to the annual
6 percentage of maternity related procedures performed, maternal outcomes
7 and maternal deaths at such hospital or birth center, as provided by the
8 commissioner, including but not limited to the following:

9 (a) the annual number and percentage of total deaths resulting from
10 complications during childbirth, for the period between childbirth and
11 six weeks after delivery, and the top six complications from pregnancy
12 and delivery that result in such deaths broken down by the age and race
13 of the mother;

14 (b) the annual number of third trimester fetal losses and stillbirths
15 occurring the hospital or birth center;

16 (c) the annual number and percentage of hemorrhages and injuries moth-
17 ers sustain related to childbirth including damage to tissue and organs
18 during cesarean birth, third and fourth degree tearing, broken down by
19 the age and race of the mother;

20 (d) the annual rate of cesarean sections, primary, repeat and total,
21 performed at such facility;

22 [~~(b)~~] (e) the annual percentage of women with previous cesarean
23 sections who have had a subsequent successful vaginal birth;

24 [~~(c)~~] (f) the annual percentage of deliveries by midwives;

25 [~~(d)~~] (g) the annual percentage of births utilizing electronic fetal
26 monitoring listed on the basis of external and internal;

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD16923-02-0
