CONCURRENT RESOLUTION OF THE SENATE AND ASSEMBLY

proposing an amendment to sections 2, 4, 5, 5-a and 5-b of article 3 of the constitution, in relation to the number of state senators and inclusion of incarcerated persons in the federal census for population determination for redistricting purposes and to the functioning of the independent redistricting commission in the determination of district lines for congressional and state legislative offices; and to repeal section 3 of article 3 of the constitution relating thereto

Section 1. Resolved (if the Assembly concur), That section 2 of article 3 of the constitution be amended to read as follows:

§ 2. The senate shall consist of [fifty] sixty-three members[, except as hereinafter provided]. The senators elected in the year one thousand eight hundred and ninety-five shall hold their offices for three years, and their successors shall be chosen for two years. The assembly shall consist of one hundred and fifty members. The assembly members elected in the year one thousand nine hundred and thirty-eight, and their successors, shall be chosen for two years.

10 § 2. Resolved (if the Assembly concur), That section 3 of article 3 of 11 the constitution be REPEALED.

12 § 3. Resolved (if the Assembly concur), That section 4 of article 3 of 13 the constitution be amended to read as follows:

14 § 4. (a) Except as herein otherwise provided, the federal census taken 15 in the year nineteen hundred thirty and each federal census taken decennially thereafter shall be controlling as to the number of inhabitants 16 in the state or any part thereof for the purposes of the apportionment 17 18 of members of assembly and readjustment or alteration of senate and 19 assembly districts next occurring, in so far as such census and the 20 tabulation thereof purport to give the information necessary therefor. The legislature, by law, shall provide for the making and tabulation by 21 state authorities of an enumeration of the inhabitants of the entire 22 23 state to be used for such purposes, instead of a federal census, if the 24 taking of a federal census in any tenth year from the year nineteen 25 hundred thirty be omitted or if the federal census fails to show the

total number of inhabitants of the entire state, including the number of 1 aliens [er] and Indians not taxed. If a federal census, though giving 2 the requisite information as to the state at large, fails to give the 3 4 information as to any civil or territorial divisions which is required 5 to be known for such purposes, the legislature, by law, shall provide б for such an enumeration of the inhabitants of such parts of the state 7 only as may be necessary, which shall supersede in part the federal 8 census and be used in connection therewith for such purposes. If a 9 federal census fails to provide enumeration and identification of incar-10 cerated persons, the appropriate state entities shall provide information sufficient to re-enumerate incarcerated persons to their place of 11 last residence for the purposes of drawing district lines, no later than 12 13 September first of any year ending in one. The legislature, by law, may 14 provide in its discretion for an enumeration by state authorities of the 15 inhabitants of the state, to be used for such purposes, in place of a 16 federal census, when the return of a decennial federal census is delayed 17 so that it is not available at the beginning of the regular session of 18 the legislature in the second year after the year nineteen hundred thir-19 ty or after any tenth year therefrom, or if an apportionment of members 20 assembly and readjustment or alteration of senate districts is not of 21 made at or before such a session. At the regular session in the year nineteen hundred thirty-two, and at the first regular session after the 22 year nineteen hundred forty and after each tenth year therefrom the 23 senate districts shall be readjusted or altered, but if, in any decade, 24 25 counting from and including that which begins with the year nineteen 26 hundred thirty-one, such a readjustment or alteration is not made at the 27 time above prescribed, it shall be made at a subsequent session occurring not later than the sixth year of such decade, meaning not later 28 29 than nineteen hundred thirty-six, nineteen hundred forty-six, nineteen hundred fifty-six, and so on; provided, however, that if such districts 30 31 shall have been readjusted or altered by law in either of the years 32 nineteen hundred thirty or nineteen hundred thirty-one, they shall 33 remain unaltered until the first regular session after the year nineteen 34 hundred forty. No town, except a town having more than a full ratio of 35 apportionment[, and no block in a city inclosed by streets or public 36 ways, shall be divided in the formation of senate districts. [In the 37 reapportionment of genate districts, no district shall contain a greater 38 excess in population over an adjoining district in the same county, than the population of a town or block therein adjoining such district. Coun-39 40 ties, towns or blocks which, from their location, may be included in either of two districts, shall be so placed as to make said districts 41 most nearly equal in number of inhabitants, excluding aliens. 42 No county shall have four or more senators unless it shall have a full 43

44 ratio for each senator.] No county shall have more than one-third of all 45 the senators; and no two counties or the territory thereof as now organ-46 ized, which are adjoining counties, or which are separated only by 47 public waters, shall have more than one-half of all the senators.

48 (b) The independent redistricting commission established pursuant to section five-b of this article shall prepare a redistricting plan to 49 50 establish senate, assembly, and congressional districts every ten years 51 commencing in two thousand twenty-one, and shall submit to the legisla-52 ture such plan and the implementing legislation therefor on or before 53 [January] November first or as soon as practicable thereafter but no 54 later than [January] November fifteenth in the year ending in [two 55 beginning in two thousand twenty two] one. The redistricting plans for 56 the assembly and the senate shall be contained in and voted upon by the 1 legislature in a single bill, and the congressional district plan may be 2 included in the same bill if the legislature chooses to do so. The 3 implementing legislation shall be voted upon, without amendment, by the 4 senate or the assembly and if approved by the first house voting upon 5 it, such legislation shall be delivered to the other house immediately 6 to be voted upon without amendment. If approved by both houses, such 7 legislation shall be presented to the governor for action.

8 If either house shall fail to approve the legislation implementing the 9 first redistricting plan, or the governor shall veto such legislation 10 and the legislature shall fail to override such veto, each house or the 11 governor if he or she vetoes it, shall notify the commission that such legislation has been disapproved. Within fifteen days of such notifica-12 tion and in no case later than [February twenty-eighth] January first, 13 14 the redistricting commission shall prepare and submit to the legislature a second redistricting plan and the necessary implementing legislation 15 16 for such plan. Such legislation shall be voted upon, without amendment, 17 by the senate or the assembly and, if approved by the first house voting upon it, such legislation shall be delivered to the other house imme-18 19 diately to be voted upon without amendment. If approved by both houses, 20 such legislation shall be presented to the governor for action. In the 21 year two thousand twenty-two only, the commission shall submit to the legislature a first redistricting plan no later than January first, two 22 thousand twenty-two. If either house shall fail to approve the legis-23 24 lation implementing the first redistricting plan, or the governor shall 25 veto such legislation and the legislature shall fail to override such 26 veto, each house or the governor if he or she vetoes it, shall promptly 27 notify the commission that such legislation has been disapproved. No 28 later than January fifteen, two thousand twenty-two, the redistricting commission shall prepare and submit to the legislature a second redis-29 30 tricting plan and the necessary implementing legislation for such plan. 31 Such legislation shall be voted upon, without amendment, by the senate 32 or the assembly and, if approved by the first house voting upon it, such 33 legislation shall be delivered to the other house immediately to be voted upon without amendment. If approved by both houses, such legis-34 35 lation shall be presented to the governor for action.

36 If either house shall fail to approve the legislation implementing the 37 second redistricting plan, or the governor shall veto such legislation 38 and the legislature shall fail to override such veto, or the redistrict-39 ing commission fails to vote on a redistricting plan and implementing 40 legislation by the required deadline and makes a submission to the 41 legislature pursuant to subdivision (g-1) of section five-b of this 42 article, each house shall introduce such implementing legislation with 43 any amendments each house of the legislature deems necessary. All such 44 amendments shall comply with the provisions of this article. If 45 approved by both houses, such legislation shall be presented to the 46 governor for action.

47 All votes by the senate or assembly on any redistricting plan legis-48 lation pursuant to this article shall be conducted in accordance with 49 the following rules:

50 (1) [In the event that the speaker of the assembly and the temporary 51 president of the senate are members of two different political parties, 52 approval] Approval of legislation submitted by the independent redis-53 tricting commission pursuant to subdivision (f) of section five-b of 54 this article shall require the vote in support of its passage by at 55 least a majority of the members elected to each house. S. 8833

[In the event that the speaker of the assembly and the temporary 1 (2) president of the senate are members of two different political parties, 2 approval of legislation submitted by the independent redis-3 4 tricting commission pursuant to subdivision (g) of section five-b of 5 this article shall require the vote in support of its passage by at б least sixty percent of the members elected to each house. 7 [(3) In the event that the speaker of the assembly and the temporary president of the senate are members of the same political party, approval of legislation submitted by the independent redistricting 8 9 commission pursuant to subdivision (f) or (g) of section five-b of this 10 11 article shall require the vote in support of its passage by at least two-thirds of the members elected to each house.] 12 13 (c) Subject to the requirements of the federal constitution and stat-14 utes and in compliance with state constitutional requirements, the 15 following principles shall be used in the creation of state senate and 16 state assembly districts and congressional districts: 17 (1) When drawing district lines, the commission shall consider whether 18 such lines would result in the denial or abridgement of racial or language minority voting rights, and districts shall not be drawn to 19 20 have the purpose of, nor shall they result in, the denial or abridgement 21 of such rights. Districts shall be drawn so that, based on the totality the circumstances, racial or minority language groups do not have 22 of less opportunity to participate in the political process than other 23 24 members of the electorate and to elect representatives of their choice. 25 To the extent practicable, districts shall contain as nearly as (2) 26 may be an equal number of inhabitants. For each district that deviates 27 from this requirement, the commission shall provide a specific public explanation as to why such deviation exists. 28 29 (3) Each district shall consist of contiguous territory. 30 (4) Each district shall be as compact in form as practicable. 31 (5) Districts shall not be drawn to discourage competition or for the 32 purpose of favoring or disfavoring incumbents or other particular candi-33 dates or political parties. The commission shall consider the mainte-34 nance of cores of existing districts, of pre-existing political subdivi-35 sions, including counties, cities, and towns, and of communities of 36 interest. 37 (6) [In drawing senate districts, towns or blocks which, from their 38 location may be included in either of two districts, shall be so placed as to make said districts most nearly equal in number of inhabitants. 39 The requirements that senate districts not divide counties or towns, as 40 well as the 'block-on-border' and 'town-on-border' rules, shall remain 41 42 in effect] To the extent practicable, all incarcerated persons shall be 43 re-numerated to their place of last residence for the purposes of draw-44 ing district lines. 45 During the preparation of the redistricting plan, the independent 46 redistricting commission shall conduct not less than one public hearing 47 on proposals for the redistricting of congressional and state legislative districts in each of the following (i) cities: Albany, Buffalo, 48 Syracuse, Rochester, and White Plains; and (ii) counties: Bronx, Kings, 49 50 New York, Queens, Richmond, Nassau, and Suffolk. Notice of all such 51 hearings shall be widely published using the best available means and 52 media a reasonable time before every hearing. At least thirty days prior 53 to the first public hearing and in any event no later than September 54 fifteenth of the year ending in one or as soon as practicable thereaft-55 er, the independent redistricting commission shall make widely available 56 to the public, in print form and using the best available technology,

4

1 its draft redistricting plans, relevant data, and related information. 2 Such plans, data, and information shall be in a form that allows and 3 facilitates their use by the public to review, analyze, and comment upon 4 such plans and to develop alternative redistricting plans for presenta-5 tion to the commission at the public hearings. The independent redis-6 tricting commission shall report the findings of all such hearings to 7 the legislature upon submission of a redistricting plan.

8 (d) The ratio for apportioning senators shall always be obtained by 9 dividing the number of inhabitants[, excluding aliens,] by [fifty] 10 sixty-three, and the senate shall always be composed of [fifty] sixty-11 three members [, except that if any county having three or more senators at the time of any apportionment shall be entitled on such ratio to an 12 additional senator or senators, such additional senator or senators 13 shall be given to such county in addition to the fifty senators, and the 14 whole number of genators shall be increased to that extent]. 15

16 The senate districts, including the present ones, as existing imme-17 diately before the enactment of a law readjusting or altering the senate 18 districts, shall continue to be the senate districts of the state until 19 the expirations of the terms of the senators then in office, except for 20 the purpose of an election of senators for full terms beginning at such 21 expirations, and for the formation of assembly districts.

(e) The process for redistricting congressional and state legislative districts established by this section and sections five and five-b of this article shall govern redistricting in this state except to the extent that a court is required to order the adoption of, or changes to, a redistricting plan as a remedy for a violation of law.

A reapportionment plan and the districts contained in such plan shall be in force until the effective date of a plan based upon the subsequent federal decennial census taken in a year ending in zero unless modified pursuant to court order.

In the event that more than one plan received the same number of votes for approval, and such number was higher than that for any other 4 5 plan, then the commission shall submit all plans that obtained such б number of votes. The legislature shall consider and vote upon such 7 implementing legislation in accordance with the voting rules set forth 8 in subdivision (b) of section four of this article.

(ii) In the event that the speaker of the assembly and the temporary president of the senate are members of the same political party, the co-executive directors shall be approved by a majority of the commission that includes at least one appointee by each of the legislative leaders].

[One of the co-executive directors shall be enrolled in the poli-28 (2) 29 tical party with the highest number of enrolled members in the state and 30 one shall be enrolled in the political party with the second highest number of enrolled members in the state.] The co-executive directors 31 32 shall appoint such staff as are necessary to perform the commission's 33 duties, except that the commission shall review a staffing plan prepared 34 and provided by the co-executive directors which shall contain a list of 35 the various positions and the duties, qualifications, and salaries asso-36 ciated with each position.

Resolved (if the Assembly concur), That section 5 of article 3 12 § 5. 13 of the constitution be amended to read as follows: 14 § 5. The members of the assembly shall be chosen by single districts 15 and shall be apportioned pursuant to this section and sections four and 16 five-b of this article at each regular session at which the senate 17 districts are readjusted or altered, and by the same law, among the several counties of the state, as nearly as may be according to the 18 number of their respective inhabitants[- excluding aliens]. Every county 19 20 heretofore established and separately organized, except the county of 21 Hamilton, shall always be entitled to one member of assembly, and no county shall hereafter be erected unless its population shall entitle it 22 to a member. The county of Hamilton shall elect with the county of 23 24 Fulton, until the population of the county of Hamilton shall, according 25 the ratio, entitle it to a member. But the legislature may abolish to 26 the said county of Hamilton and annex the territory thereof to some 27 other county or counties. 28 The quotient obtained by dividing the whole number of inhabitants of 29 the state, [excluding aliens,] by the number of members of assembly, 30 shall be the ratio for apportionment, which shall be made as follows: 31 One member of assembly shall be apportioned to every county, including 32 Fulton and Hamilton as one county, containing less than the ratio and 33 one-half over. Two members shall be apportioned to every other county. 34 The remaining members of assembly shall be apportioned to the counties 35 having more than two ratios according to the number of inhabitants[au36 excluding aliens]. Members apportioned on remainders shall be appor-37 tioned to the counties having the highest remainders in the order there-38 of respectively. No county shall have more members of assembly than a county having a greater number of inhabitants[, excluding aliens]. 39 40 The assembly districts, including the present ones, as existing imme-41 diately before the enactment of a law making an apportionment of members 42 of assembly among the counties, shall continue to be the assembly 43 districts of the state until the expiration of the terms of members then 44 in office, except for the purpose of an election of members of assembly 45 for full terms beginning at such expirations. 46 In any county entitled to more than one member, the board of supervi-47 sors, and in any city embracing an entire county and having no board of supervisors, the common council, or if there be none, the body exercis-48 ing the powers of a common council, shall assemble at such times as the 49 legislature making an apportionment shall prescribe, and divide such 50 51 counties into assembly districts as nearly equal in number of inhabit-52 ants, [excluding aliens,] as may be, of convenient and contiguous terri-53 tory in as compact form as practicable, each of which shall be wholly 54 within a senate district formed under the same apportionment, equal to 55 the number of members of assembly to which such county shall be enti-56 tled, and shall cause to be filed in the office of the secretary of

state and of the clerk of such county, a description of such districts, 1 2 specifying the number of each district and of the inhabitants thereof, [excluding aliens,] according to the census or enumeration used as the 3 4 population basis for the formation of such districts; and such appor-5 tionment and districts shall remain unaltered until after the next reapб portionment of members of assembly, except that the board of supervisors 7 of any county containing a town having more than a ratio of apportion-8 ment and one-half over may alter the assembly districts in a senate 9 district containing such town at any time on or before March first, 10 nineteen hundred forty-six. In counties having more than one senate 11 district, the same number of assembly districts shall be put in each senate district, unless the assembly districts cannot be evenly divided 12 13 among the senate districts of any county, in which case one more assem-14 bly district shall be put in the senate district in such county having 15 the largest, or one less assembly district shall be put in the senate 16 district in such county having the smallest number of inhabitants, 17 [excluding aliens,] as the case may require. Nothing in this section shall prevent the division, at any time, of counties and towns and the 18 19 erection of new towns by the legislature.

20 An apportionment by the legislature, or other body, shall be subject 21 to review by the supreme court, at the suit of any citizen, under such reasonable regulations as the legislature may prescribe; and any court 22 before which a cause may be pending involving an apportionment, shall 23 give precedence thereto over all other causes and proceedings, and if 24 25 said court be not in session it shall convene promptly for the disposi-26 tion of the same. The court shall render its decision within sixty days 27 after a petition is filed. In any judicial proceeding relating to redistricting of congressional or state legislative districts, any law estab-28 29 lishing congressional or state legislative districts found to violate 30 the provisions of this article shall be invalid in whole or in part. In 31 the event that a court finds such a violation, the legislature shall 32 have a full and reasonable opportunity to correct the law's legal 33 infirmities.

§ 6. Resolved (if the Assembly concur), That the foregoing amendments be referred to the first regular legislative session convening after the next succeeding general election of members of the assembly, and, in conformity with section 1 of article 19 of the constitution, be published for 3 months previous to the time of such election.
