41 (c) Criteria. A person may be ordered to receive assisted outpatient 42 treatment if the court finds that such person:

43 (1) is eighteen years of age or older; and

15	(2) The commissioner shall promulgate regulations pursuant to which
16	persons initiating a petition, pursuant to subparagraphs (i) and (ii) of
17	paragraph one of this subdivision, may receive assistance in filing such
18	petitions, where appropriate, as determined pursuant to subdivision (e)
19	of this section.
20	(3) The petition shall state:
21	(i) each of the criteria for assisted outpatient treatment as set
22	forth in subdivision (c) of this section;
23	(ii) facts which support the petitioner's belief that the subject of
24	the petition meets each criterion, provided that the hearing on the
25	petition need not be limited to the stated facts; and
26	(iii) that the subject of the petition is present, or is reasonably
27 28	believed to be present, within the county where such petition is filed. $[(3)]$ (4) The petition shall be accompanied by an affirmation or affi-
20 29	davit of a physician, who shall not be the petitioner, stating <u>that such</u>
30	physician is willing and able to testify at the hearing on the petition
31	and that either [that]:
32	(i) such physician has personally examined the subject of the petition
33	no more than ten days prior to the submission of the petition $[\tau]$ and

36	tion]; or
37	(ii) no more than ten days prior to the filing of the petition, such
38	physician or his or her designee has made appropriate attempts but has
39	not been successful in eliciting the cooperation of the subject of the
40	petition to submit to an examination, such physician has reason to
41	suspect that the subject of the petition meets the criteria for assisted
42	outpatient treatment, and such physician is willing and able to examine the subject of the petition [and testify at the hearing on the petition]
43 44	prior to providing testimony.
44 45	$\left[\frac{(4)}{(5)}\right]$ In counties with a population of less than eighty thousand,
46	the affirmation or affidavit required by paragraph [three] four of this
47	subdivision may be made by a physician who is an employee of the office.
48	The office is authorized <u>and directed</u> to make available, at no cost to
49	the county, a qualified physician for the purpose of making such affir-
50	mation or affidavit consistent with the provisions of such paragraph.
51	[ <del>(f)</del> ] <u>(g)</u> Service. The petitioner shall cause written notice of the

53	to be given personally or by mail to the persons listed in section 9.29
54	of this article, the mental hygiene legal service, the health care agent
55	if any such agent is known to the petitioner, the appropriate program

3 [(g)] (h) Right to counsel. The subject of the petition shall have the 4 right to be represented by the mental hygiene legal service, or private-5 ly financed counsel, at all stages of a proceeding commenced under this 6 section.

7 [<del>(h)</del>] <u>(i)</u> Hearing. (1) Upon receipt of the petition, the court shall 8 fix the date for a hearing. Such date shall be no later than three days 9 from the date such petition is received by the court, excluding Satur-10 days, Sundays and holidays. Adjournments shall be permitted only for 11 good cause shown. In granting adjournments, the court shall consider the need for further examination by a physician or the potential need to 12 13 provide assisted outpatient treatment expeditiously. The court shall 14 cause the subject of the petition, any other person receiving notice 15 pursuant to subdivision  $\left[\frac{f}{f}\right]$  (q) of this section, the petitioner, the 16 physician whose affirmation or affidavit accompanied the petition, and 17 such other persons as the court may determine to be advised of such date. Upon such date, or upon such other date to which the proceeding 18 may be adjourned, the court shall hear testimony and, if it be deemed 19 20 advisable and the subject of the petition is available, examine the 21 subject of the petition in or out of court. If the subject of the peti-22 tion does not appear at the hearing, and appropriate attempts to elicit attendance of the subject have failed, the court may conduct the 23 the hearing in the subject's absence. In such case, the court shall set 24 25 forth the factual basis for conducting the hearing without the presence 26 of the subject of the petition.

27 (2) The court shall not order assisted outpatient treatment unless an 28 examining physician, who recommends assisted outpatient treatment and 29 has personally examined the subject of the petition no more than ten days before the filing of the petition, testifies in person at the hear-30 31 ing. Such physician shall state the facts and clinical determinations 32 which support the allegation that the subject of the petition meets each 33 of the criteria for assisted outpatient treatment; provided that the 34 parties may stipulate, upon mutual consent, that such physician need not 35 <u>testify</u>.

36 (3) If the subject of the petition has refused to be examined by a 37 physician, the court may request the subject to consent to an examina-38 tion by a physician appointed by the court. If the subject of the peti-39 tion does not consent and the court finds reasonable cause to believe that the allegations in the petition are true, the court may order peace 40 41 officers, acting pursuant to their special duties, or police officers 42 who are members of an authorized police department or force, or of а 43 sheriff's department to take the subject of the petition into custody 44 and transport him or her to a hospital for examination by a physician. 45 Retention of the subject of the petition under such order shall not 46 exceed twenty-four hours. The examination of the subject of the petition 47 may be performed by the physician whose affirmation or affidavit accompanied the petition pursuant to paragraph [three] four of subdivision 48 [(e)] (f) of this section, if such physician is privileged by such hospital or otherwise authorized by such hospital to do so. If such 49 50 51 examination is performed by another physician, the examining physician 52 may consult with the physician whose affirmation or affidavit accompa-53 nied the petition as to whether the subject meets the criteria for 54 assisted outpatient treatment.

55 (4) A physician who testifies pursuant to paragraph two of this subdi-56 vision shall state: (i) the facts [which] and clinical determinations

1 that support the allegation that the subject meets each of the criteria 2 for assisted outpatient treatment, (ii) that the treatment is the least restrictive alternative, (iii) the recommended assisted outpatient 3 4 treatment, and (iv) the rationale for the recommended assisted outpa-5 tient treatment. If the recommended assisted outpatient treatment б includes medication, such physician's testimony shall describe the types 7 or classes of medication which should be authorized, shall describe the 8 beneficial and detrimental physical and mental effects of such medica-9 tion, and shall recommend whether such medication should be self-admin-10 istered or administered by authorized personnel.

11 (5) The subject of the petition shall be afforded an opportunity to 12 present evidence, to call witnesses on his or her behalf, and to cross-13 examine adverse witnesses.

14  $\left[\frac{1}{1}\right]$  (j) Written treatment plan. (1) The court shall not order 15 assisted outpatient treatment unless a physician appointed by the appro-16 priate director, in consultation with such director, develops and provides to the court a proposed written treatment plan. The written 17 treatment plan shall include case management services or assertive 18 community treatment team services to provide care coordination. 19 The 20 written treatment plan also shall include all categories of services, as 21 set forth in paragraph one of subdivision (a) of this section, which such physician recommends that the subject of the petition receive. All 22 service providers shall be notified regarding their inclusion in the 23 24 written treatment plan. If the written treatment plan includes medica-25 tion, it shall state whether such medication should be self-administered 26 or administered by authorized personnel, and shall specify type and 27 dosage range of medication most likely to provide maximum benefit for the subject. If the written treatment plan includes alcohol or substance 28 29 abuse counseling and treatment, such plan may include a provision 30 requiring relevant testing for either alcohol or illegal substances 31 provided the physician's clinical basis for recommending such plan 32 provides sufficient facts for the court to find (i) that such person has 33 a history of alcohol or substance abuse that is clinically related to 34 the mental illness; and (ii) that such testing is necessary to prevent a 35 relapse or deterioration which would be likely to result in serious harm 36 to the person or others. If a director is the petitioner, the written 37 treatment plan shall be provided to the court no later than the date of 38 the hearing on the petition. If a person other than a director is the 39 petitioner, such plan shall be provided to the court no later than the 40 date set by the court pursuant to paragraph three of subdivision  $[\frac{++}{2}]$ 41 (k) of this section.

42 (2) The physician appointed to develop the written treatment plan 43 shall provide the following persons with an opportunity to actively 44 participate in the development of such plan: the subject of the peti-45 tion; the treating physician, if any; and upon the request of the 46 subject of the petition, an individual significant to the subject 47 including any relative, close friend or individual otherwise concerned 48 with the welfare of the subject. The appointed physician shall make a reasonable effort to gather relevant information for the development of 49 the treatment plan from the subject of the petition's family member or 50 51 members, or his or her significant other. If the subject of the petition 52 has executed a health care proxy, the appointed physician shall consider 53 any directions included in such proxy in developing the written treat-54 ment plan.

55 (3) The court shall not order assisted outpatient treatment unless a 56 physician appearing on behalf of a director testifies to explain the

1 written proposed treatment plan; provided that the parties may stipu-2 late, upon mutual consent, that such physician need not testify. Such 3 physician shall state the categories of assisted outpatient treatment 4 recommended, the rationale for each such category, facts which establish 5 that such treatment is the least restrictive alternative, and, if the б recommended assisted outpatient treatment plan includes medication, such 7 physician shall state the types or classes of medication recommended, the beneficial and detrimental physical and mental effects of such medi-8 9 cation, and whether such medication should be self-administered or 10 administered by an authorized professional. If the subject of the peti-11 tion has executed a health care proxy, such physician shall state the consideration given to any directions included in such proxy in develop-12 13 ing the written treatment plan. If a director is the petitioner, testi-14 mony pursuant to this paragraph shall be given at the hearing on the 15 petition. If a person other than a director is the petitioner, such 16 testimony shall be given on the date set by the court pursuant to paragraph three of subdivision  $[\frac{1}{2}]$  (k) of this section. 17

18 [(j)] (k) Disposition. (1) If after hearing all relevant evidence, the 19 court does not find by clear and convincing evidence that the subject of 20 the petition meets the criteria for assisted outpatient treatment, the 21 court shall dismiss the petition.

22 If after hearing all relevant evidence, the court finds by clear (2) 23 and convincing evidence that the subject of the petition meets the 24 criteria for assisted outpatient treatment, and there is no appropriate 25 and feasible less restrictive alternative, the court may order the 26 subject to receive assisted outpatient treatment for an initial period 27 not to exceed one year. In fashioning the order, the court shall specif-28 ically make findings by clear and convincing evidence that the proposed treatment is the least restrictive treatment appropriate and feasible 29 30 for the subject. The order shall state an assisted outpatient treatment 31 plan, which shall include all categories of assisted outpatient treat-32 ment, as set forth in paragraph one of subdivision (a) of this section, 33 which the assisted outpatient is to receive, but shall not include any such category that has not been recommended in [both] the proposed writ-34 35 ten treatment plan and [the] in any testimony provided to the court 36 pursuant to subdivision [(i) of this section.

37 (3) If after hearing all relevant evidence presented by a petitioner 38 who is not a director, the court finds by clear and convincing evidence 39 that the subject of the petition meets the criteria for assisted outpatient treatment, and the court has yet to be provided with a written 40 41 proposed treatment plan and testimony pursuant to subdivision  $\left[\frac{(i)}{(i)}\right]$ 42 of this section, the court shall order the appropriate director to 43 provide the court with such plan and testimony no later than the third day, excluding Saturdays, Sundays and holidays, immediately following 44 45 the date of such order; provided that the parties may stipulate upon 46 mutual consent that such testimony need not be provided. Upon receiving 47 such plan and any required testimony, the court may order assisted 48 outpatient treatment as provided in paragraph two of this subdivision. 49 (4) A court may order the patient to self-administer psychotropic 50

50 drugs or accept the administration of such drugs by authorized personnel 51 as part of an assisted outpatient treatment program. Such order may 52 specify the type and dosage range of such psychotropic drugs and such 53 order shall be effective for the duration of such assisted outpatient 54 treatment.

55 (5) If the petitioner is the director of a hospital that operates an 56 assisted outpatient treatment program, the court order shall direct the

hospital director to provide or arrange for all categories of assisted 1 2 outpatient treatment for the assisted outpatient throughout the period 3 of the order. In all other instances, the order shall require the appro-4 priate director, as that term is defined in this section, to provide or 5 arrange for all categories of assisted outpatient treatment for the б assisted outpatient throughout the period of the order. Orders issued on 7 or after the effective date of the chapter of the laws of two thousand 8 nineteen that amended this section shall require the appropriate direc-9 tor "as determined by the program coordinator" to provide or arrange for 10 all categories of assisted outpatient treatment for the assisted outpa-11 tient throughout the period of the order.

12 (6) The director shall cause a copy of any court order issued pursuant 13 to this section to be served personally, or by mail, facsimile or elec-14 tronic means, upon the assisted outpatient, the mental hygiene legal 15 service or anyone acting on the assisted outpatient's behalf, the 16 original petitioner, identified service providers, and all others enti-17 tled to notice under subdivision [(f)] (g) of this section.

18 [(k)] (1) Relocation of assisted outpatients. The commissioner shall 19 promulgate regulations requiring that, during the period of the order, 20 an assisted outpatient and any other appropriate persons shall notify 21 the program coordinator within a reasonable time prior to such assisted outpatient relocating within the state of New York to an area not served 22 by the director who has been directed to provide or arrange for the 23 24 assisted outpatient treatment. Upon receiving notification of such relocation, the program coordinator shall redetermine who the appropriate 25 26 director shall be and cause a copy of the court order and treatment plan 27 to be transmitted to such director.

28 (m) Petition for [additional periods of] continued treatment. (1) 29 [Prior] Within thirty days prior to the expiration of an order pursuant 30 to this section, the appropriate director shall review whether the 31 assisted outpatient continues to meet the criteria for assisted outpa-32 tient treatment. [If, as documented in the petition, the director deter-33 mines that such criteria continue to be met or has made appropriate attempts to, but has not been successful in eliciting, the cooperation 34 35 of the subject to submit to an examination, within thirty days prior to 36 the expiration of an order of assisted outpatient treatment, such direc-37 tor may petition the court to order continued assisted outpatient treatment pursuant to paragraph two of this subdivision. Upon determining 38 whether such griteria gontinue to be met, such director shall notify the 39 program coordinator in writing as to whether a petition for continued 40 assisted outpatient treatment is warranted and whether such a petition 41 42 was or will be filed. ] Upon determining that one or more of such crite-43 ria are no longer met, such director shall notify the program coordina-44 tor in writing that a petition for continued assisted outpatient treat-45 ment is not warranted. Upon determining that such criteria continue to 46 be met, he or she shall petition the court to order continued assisted 47 outpatient treatment for a period not to exceed one year from the expi-48 ration date of the current order. If the court's disposition of such petition does not occur prior to the expiration date of the current 49 order, the current order shall remain in effect until such disposition. 50 51 The procedures for obtaining any order pursuant to this subdivision 52 shall be in accordance with the provisions of the foregoing subdivision 53 of this section; provided that the time restrictions included in para-54 graph four of subdivision (c) of this section shall not be applicable. 55 The notice provisions set forth in paragraph six of subdivision (k) of 56 this section shall be applicable. Any court order requiring periodic

1 blood tests or urinalysis for the presence of alcohol or illegal drugs 2 shall be subject to review after six months by the physician who devel-3 oped the written treatment plan or another physician designated by the 4 director, and such physician shall be authorized to terminate such blood 5 tests or urinalysis without further action by the court.

б (2) Within thirty days prior to the expiration of an order of assisted outpatient treatment, [the appropriate director or] the current peti-7 tioner, if the current petition was filed pursuant to subparagraph (i) 8 9 (ii) of paragraph one of subdivision  $\left[\frac{1}{2}\right]$  (f) of this section, and or 10 the current petitioner retains his or her original status pursuant to 11 the applicable subparagraph, may petition the court to order continued 12 assisted outpatient treatment for a period not to exceed one year from 13 the expiration date of the current order. If the court's disposition of 14 such petition does not occur prior to the expiration date of the current 15 order, the current order shall remain in effect until such disposition. 16 The procedures for obtaining any order pursuant to this subdivision 17 shall be in accordance with the provisions of the foregoing subdivisions 18 of this section; provided that the time restrictions included in paragraph four of subdivision (c) of this section shall not be applicable. 19 20 The notice provisions set forth in paragraph six of subdivision  $[\frac{++}{+}]$ 21 (k) of this section shall be applicable. Any court order requiring periodic blood tests or urinalysis for the presence of alcohol or illegal 22 drugs shall be subject to review after six months by the physician who 23 developed the written treatment plan or another physician designated by 24 25 the director, and such physician shall be authorized to terminate such 26 blood tests or urinalysis without further action by the court.

27 [(1)] (3) If neither the appropriate director nor the current peti-28 tioner petition for continued assisted outpatient treatment pursuant to 29 this paragraph and the order of the court expires, any other person 30 authorized to petition pursuant to paragraph one of subdivision (f) of 31 this section may bring a new petition for assisted outpatient treatment. 32 If such new petition is filed less than sixty days after the expiration 33 of such order, the time restrictions provided in paragraph four of subdivision (c) of this section shall not be applicable to the new peti-34 tion. 35

36 (4) If, thirty days prior to the expiration of an order, the assisted 37 outpatient is deemed by the appropriate director to be missing and 38 thereby unavailable for evaluation as to whether he or she continues to 39 meet the criteria for assisted outpatient treatment, such director shall petition the court to extend the term of the current order until sixty 40 41 days after such time as the assisted outpatient is located. If the court 42 grants the extension, the director shall continue reasonable efforts to 43 locate the assisted outpatient. Upon location of the assisted outpa-44 tient, the director shall review whether the assisted outpatient contin-45 ues to meet the criteria for assisted outpatient treatment, pursuant to 46 paragraph two of this subdivision. 47 (n) Petition for an order to stay, vacate or modify. (1) In addition
