STATE OF NEW YORK

IN ASSEMBLY

April 29, 2022

Introduced by M. of A. E. BROWN -- read once and referred to the Committee on Children and Families

AN ACT to amend the agriculture and markets law, in relation to enacting "Bella's Law"

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Short title. This act shall be known and may be cited as "Bella's Law".

§ 2. Legislative intent. The legislature hereby finds that animal cruelty is a serious problem and that individuals who harm and abuse animals are statistically more likely to engage in domestic violence and child abuse than individuals who do not harm and abuse animals. A strong correlation has been established linking individuals who abuse animals with incidents of domestic violence. Therefore, the purpose of this law is to establish a requirement that the state of New York office of children and family services must investigate any individual who is accused of or investigated for animal cruelty to ensure that there is no associated domestic or family violence and that law enforcement notify and coordinate with the office of children and family services in animal cruelty investigations and arrests.

§ 3. The agriculture and markets law is amended by adding a new section 353-aa to read as follows:

§ 353-aa. Animal abuse accusal requiring a domestic violence and abuse investigation. 1. Definitions. As used in this section, the following terms shall have the following meanings:

(a) "Animal" shall mean any live mammal, bird, or reptile, but shall not include feeder animals.

(c) "Animal abuse crime" shall mean the commission of the following enumerated crimes against an animal:

(a) Where practicable, reasonable, and not in contravention of law, the office of children and family services shall be notified by law enforcement of investigations and accusations of animal abuse crimes where such investigations or accusations arise in connection in such law enforcement's professional or official capacity. Nothing herein shall mandate such reporting: (i) where it would jeopardize an ongoing investigation or the personal safety of an individual;

4. Applicability. This law shall apply to all persons accused or investigated of animal abuse crimes on or after the effective date of this section.

5. Severability. If any clause, sentence, paragraph, subdivision, section, or part of this law to the application thereof to any person, individual, corporation, firm, partnership, entity or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part of this law or in its application to the person, individual, corporation, firm, partnership entity or circumstance directly involved in the controversy in which an order or judgment shall be rendered.

§ 4. This act shall take effect immediately.
