The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 44 of the tax law, as amended by section 1 of part  
2 L of chapter 59 of the laws of 2019 and subdivision (a) as amended by  
3 section 5 of part D of chapter 59 of the laws of 2021, is amended to  
4 read as follows:  
5 § 44. Employer-provided child care credit. (a) General. A taxpayer  
6 subject to tax under article nine-A, twenty-two, or thirty-three of this  
7 chapter shall be allowed a credit against such tax in an amount equal to  
8 [~~two hundred percent of the portion of the credit that is allowed to the~~  
9 ~~taxpayer under section 45F of the internal revenue code~~] the sum of  
10 fifty percent of the qualified child care expenditures and twenty  
11 percent of the qualified child care resource and referral expenditures  
12 for the taxpayer for such taxable year, that is attributable to (i)  
13 qualified child care expenditures paid or incurred with respect to a  
14 qualified child care facility with a situs in the state, [~~and to~~] (ii)  
15 qualified child care resource and referral expenditures paid or incurred

18 taxpayer's employees working in the state, and (iv) qualified backup  
19 care expenditures paid or incurred with respect to the taxpayer's  
20 employees working in the state. The credit allowable under this subdivi-  
21 sion for any taxable year shall not exceed five hundred thousand  
22 dollars. If the entity operating the qualified child care facility is a  
23 partnership or a New York S corporation, then such cap shall be applied  
24 at the entity level, so the aggregate credit allowed to all the partners  
25 or shareholders of such entity in a taxable year does not exceed five  
26 hundred thousand dollars.  
27 (b) Credit recapture. (i) If there is a cessation of operation or  
28 change in ownership [~~as defined by section 45F of the internal revenue~~

 2 state, the taxpayer shall add back the applicable recapture percentage  
 3 of the credit allowed under this section, in accordance with the recap-  
 4 ture provisions of [~~section 45F of the internal revenue code, but the~~  
 5 ~~recapture amount shall be limited to the credit allowed under this~~  
 6 ~~section~~] this subdivision.

7 (ii) If, as of the close of any taxable year, there is a recapture  
 8 event with respect to any qualified child care facility of the taxpayer,  
 9 then the tax of the taxpayer under this chapter for such taxable year  
 10 shall be increased by an amount equal to the product of:

11 (A) the applicable recapture percentage; and

12 (B) the aggregate decrease in the credits allowed under section 38 of  
 13 the internal revenue code for all prior taxable years which would have  
 14 resulted if the qualified child care expenditures of the taxpayer with  
 15 respect to such facility had been zero.

16 (iii) (A) For the purposes of this subdivision, the applicable recap-  
 17 ture percentage shall be determined from the following table:

<u>If the recapture</u>	<u>The applicable recapture</u>
<u>event occurs in:</u>	<u>percentage is:</u>
<u>Years one--three</u>	<u>one hundred</u>
<u>Year four</u>	<u>eighty-five</u>
<u>Year five</u>	<u>seventy</u>
<u>Year six</u>	<u>fifty-five</u>
<u>Year seven</u>	<u>forty</u>
<u>Year eight</u>	<u>twenty-five</u>
<u>Years nine--ten</u>	<u>ten</u>
<u>Year eleven or</u>	<u>zero.</u>
<u>thereafter</u>	

29 (B) For the purposes of subparagraph (A) of this paragraph, year one  
 30 shall begin on the first day of the taxable year in which the qualified  
 31 child care facility is placed in service by the taxpayer.

32 (iv) (A) The tax for the taxable year shall be increased under para-  
 33 graph (ii) of this subdivision only with respect to credits allowed by  
 34 reason of this section which were used to reduce tax liability.

35 (B) Any increase in tax under this subdivision shall not be treated as  
 36 a tax imposed by this chapter for purposes of determining the amount of  
 37 any credit under this chapter.

38 (C) The increase in tax under this subdivision shall not apply to a  
 39 cessation of operation of the facility as a qualified child care facili-  
 40 ty by reason of a casualty loss to the extent such loss is restored by  
 41 reconstruction or replacement within a reasonable period established by  
 42 the commissioner.

43 (c) Special rules. For the purposes of this section:

44 (i) All persons which are treated as a single employer under  
 45 subsections (a) and (b) of section 52 of the internal revenue code shall  
 46 be treated as a single taxpayer.

47 (ii) Under regulations prescribed by the commissioner, rules similar  
 48 to the rules of subsection (d) of section 52 of the internal revenue  
 49 code shall apply.

50 (iii) In the case of partnerships, the credit shall be allocated among  
 51 partners under regulations prescribed by the commissioner.

52 (d) No double benefit. (i) For purposes of this chapter:

1 (A) If a credit is determined under this section with respect to any  
2 property by reason of qualified child care expenditures, the basis of  
3 such property shall be reduced by the amount of the credit so deter-  
4 mined.

5 (B) If, during any taxable year, there is a recapture amount deter-  
6 mined with respect to any property the basis of which was reduced under  
7 subparagraph (A) of this paragraph, the basis of such property (imme-  
8 diately before the event resulting in such recapture) shall be increased  
9 by an amount equal to such recapture amount. For purposes of this  
10 subparagraph, the term "recapture amount" shall mean any increase in tax  
11 determined under subdivision (b) of this section.

12 (ii) No deduction or credit shall be allowed under any other provision  
13 of this chapter with respect to the amount of the credit determined  
14 under this section.

15 (e) Reporting requirements. A taxpayer that has claimed a credit under  
16 this section shall notify the commissioner of any cessation of opera-  
17 tion, change in ownership, or agreement to assume recapture liability  
18 [~~as such terms are defined by section 45F of the internal revenue code~~],  
19 in the form and manner prescribed by the commissioner.

20 [~~(d)~~] (f) Definitions. [~~The terms "qualified child care expenditures",~~  
21 ~~"qualified child care facility", "qualified child care resource and~~  
22 ~~referral expenditure", "cessation of operation", "change of ownership",~~  
23 ~~and "applicable recapture percentage" shall have the same meanings as in~~  
24 ~~section 45F of the internal revenue code.~~] For the purposes of this  
25 section, the following terms shall have the following meanings:

26 (i) (A) "Qualified child care expenditure" means any amount paid or  
27 incurred:

28 (1) to acquire, construct, rehabilitate, or expand property:

29 (I) which is to be used as part of a qualified child care facility of  
30 the taxpayer;

31 (II) with respect to which a deduction for depreciation (or amorti-  
32 zation in lieu of depreciation) is allowable; and

33 (III) which is not part of the principal residence of the taxpayer or  
34 any employee of the taxpayer;

35 (2) for the operating costs of a qualified child care facility of the  
36 taxpayer, including costs related to the training of employees, to scho-  
37 larship programs, and to the providing of increased compensation to  
38 employees with higher levels of child care training; or

39 (3) under a contract with a qualified child care facility to provide  
40 child care services to employees of the taxpayer.

42 expenses in excess of the fair market value of such care.

43 (ii) (A) "Qualified child care facility" means a facility:

44 (1) the principal use of which is to provide child care assistance;  
45 and

46 (2) which meets the requirements of all applicable laws and regu-  
47 lations of the state or local government in which it is located, includ-  
48 ing the licensing of the facility as a child care facility. Clause one  
49 of this subparagraph shall not apply to a facility which is the princi-  
50 pal residence of the operator of the facility.

51 (B) A facility shall not be a "qualified child care facility" with  
52 respect to a taxpayer unless:

53 (1) enrollment in the facility is open to employees of the taxpayer  
54 during the taxable year;

1 (2) if the facility is the principal trade or business of the taxpayer,  
2 at least thirty percent of the enrollees of such facility are depend-  
3 ents of employees of the taxpayer; and

4 (3) the use of such facility (or the eligibility to use such facility)  
5 does not discriminate in favor of employees of the taxpayer who are  
6 highly compensated employees, as defined by section 414 of the internal

19 interest in a qualified child care facility with respect to which the  
20 credit described in subdivision (a) of this section was allowable. The  
21 term "change in ownership" shall not apply if the person acquiring such  
22 interest in the facility agrees in writing to assume the recapture  
23 liability of the person disposing of such interest in effect immediately  
24 before such disposition. In the event of such an assumption, the person  
25 acquiring the interest in the facility shall be treated as the taxpayer  
26 for purposes of assessing any recapture liability (computed as if there  
27 had been no change in ownership).

28 (vii) "Backup care" means care provided to a dependent when an employ-  
29 ee's regular care cannot be utilized. A taxpayer may provide backup

33 making payments to a backup childcare benefits provider for backup care  
34 services.

47 in the employee's home, or expenses for care arranged through a third-  
48 party vendor that offers services for locating and/or arranging for the
