Introduced by COMMITTEE ON RULES -- (at request of M. of A. K. Brown) -- read once and referred to the Committee on Economic Development

AN ACT to amend the alcoholic beverage control law and the cannabis law, in relation to requiring certain businesses in which alcohol or cannabis is consumed to have opioid antagonists

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 106 of the alcoholic beverage control law is amended by adding a new subdivision 18 to read as follows:

18. All retail licensees for on-premises consumption shall contain an opioid antagonist to be administered to patrons, staff or individuals on premises of such establishment. For the purposes of this subdivision, "opioid antagonist" means naloxone, narcan or any other medication approved by the department of health and the federal food and drug administration that, when administered, negates or neutralizes in whole or in part the pharmacological effects of an opioid in the human body.

§ 2. Section 77 of the cannabis law is amended by adding a new subdivision 15 to read as follows:

15. Each adult-use on-site consumption licensee shall contain an opioid antagonist to be administered to patrons, staff or individuals on premises of such establishment. For the purposes of this subdivision, "opioid antagonist" means naloxone, narcan or any other medication approved by the department of health and the federal food and drug administration that, when administered, negates or neutralizes in whole or in part the pharmacological effects of an opioid in the human body.

§ 3. This act shall take effect on the ninetieth day after it shall have become a law.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
