STATE OF NEW YORK

IN ASSEMBLY

May 13, 2022

Introduced by COMMITTEE ON RULES -- (at request of M. of A. McMahon) -- read once and referred to the Committee on Governmental Employees

AN ACT granting retroactive tier IV membership in the New York state and local employees' retirement system to Maureen Sullivan Nasca

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Notwithstanding any other provision of law to the contrary, Maureen Sullivan Nasca, an employee of the Erie County Medical Center and a member of the New York state and local employees' retirement system, who was a full-time employee at the Roswell Park Comprehensive Cancer Center from December 7, 1995 to December 22, 2013, and who, for reasons not ascribable to her own negligence, failed to become a member of such retirement system during such employment with the Roswell Park Comprehensive Cancer Center in 1995, shall be deemed to have joined the New York state and local employees' retirement system on the date of December 7, 1995 and shall be granted Tier IV status in such retirement system if, within one year of the effective date of this act, she shall file a written request with the state comptroller.

§ 2. No contributions made to the New York state and local employees' retirement system by Maureen Sullivan Nasca shall be refunded or returned to her pursuant to this act.

§ 3. All past service costs of implementing the provisions of this act shall be borne by the state of New York.

§ 4. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would provide Maureen Sullivan Nasca a date of membership of December 7, 1995, resulting in Tier 4 status in the New York State and Local Employees' Retirement System. The member is currently in Tier 6. There will be no refund of member contributions.

If this bill is enacted during the 2022 legislative session, we anticipate that there will be an increase of approximately $12,000 in the annual contributions of the Erie County Medical Center for the fiscal year ending March 31, 2023. In future years, this cost will vary as the billing rates and salary of Maureen Sullivan Nasca change.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD15594-02-2

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately $1.05 million which will be borne by the State of New York as a one-time payment. This estimate is based on the assumption that payment will be made on March 1, 2023.
