RIVERA, CLARK -- read once and referred to the Committee on Higher Education -- recommitted to the Committee on Higher Education in accordance with Assembly Rule 3, sec. 2 -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the education law, in relation to the dispensing of self-administered hormonal contraceptives

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 6527 of the education law is amended by adding a new subdivision 11 to read as follows:

11. A licensed physician may prescribe and order a non-patient specific regimen to a pharmacist licensed and located in the state, pursuant to regulations promulgated by the commissioner, and consistent with section sixty-eight hundred seven of this title, for dispensing self-administered hormonal contraceptives as defined in section sixty-eight hundred two of this title.

§ 2. Section 6802 of the education law is amended by adding a new subdivision 29 to read as follows:

29. "Self-administered hormonal contraceptives", for the purpose of section sixty-eight hundred seven of this article, means self-administered contraceptive medications or devices approved by the federal Food and Drug Administration to prevent pregnancy by using hormones to regulate or prevent ovulation, and includes oral hormonal contraceptives, hormonal contraceptive vaginal rings and hormonal contraceptive patches.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD01980-04-2

§ 3. Section 6807 of the education law is amended by adding a new subdivision 4 to read as follows:

4. a. A pharmacist licensed and located in the state may dispense a non-patient specific regimen of self-administered hormonal contraceptives, prescribed or ordered by a licensed physician or certified nurse practitioner, pursuant to rules and regulations promulgated by the commissioner, in accordance with the provisions of this subdivision.

b. Prior to dispensing self-administered hormonal contraceptives to a patient, and at a minimum of every twelve months for each returning patient, the pharmacist shall:

(i) provide the patient with a self-screening risk assessment questionnaire, developed by the commissioner of health and made available in English and the top six languages spoken in the state, according to the latest available data from the United States Census Bureau, to be used by the patient to help the patient select an appropriate self-administered hormonal contraceptive; and

(ii) provide the patient with a fact sheet, developed by the commissioner of health and made available in English and the top six languages spoken in the state, according to the latest available data from the United States Census Bureau, that includes but is not limited to, the clinical considerations and recommendations for use of the self-administered hormonal contraceptive, the appropriate method for using such hormonal contraceptive, information on the importance of follow-up health care, and health care referral information.

c. The commissioner may require pharmacists to undergo training related to the provisions of this subdivision.

d. A pharmacist shall notify the patient's primary health care practitioner, within seventy-two hours of dispensing a self-administered hormonal contraceptive, that such self-administered hormonal contraceptive has been dispensed. If the patient does not have a primary health care practitioner, or is unable to provide contact information for their primary health care practitioner, the pharmacist shall provide the patient with a written record of the contraceptives dispensed, and advise the patient to consult an appropriate health care practitioner.

e. Nothing in this subdivision shall prevent a pharmacist from refusing to dispense pursuant to this subdivision if, in their professional judgment, potential adverse effects, interactions or other therapeutic complications could endanger the health of the patient.

§ 4. Section 6909 of the education law is amended by adding a new subdivision 11 to read as follows:

11. A certified nurse practitioner may prescribe and order a non-patient specific regimen to a pharmacist licensed and located in the state, pursuant to regulations promulgated by the commissioner, and consistent with section sixty-eight hundred seven of this title, for dispensing self-administered hormonal contraceptives as defined in section sixty-eight hundred two of this title.

§ 5. This act shall take effect eighteen months after it shall have become a law. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.
