AN ACT to amend the education law, in relation to pharmacist immunizations and emergency treatment of anaphylaxis; to amend chapter 563 of the laws of 2008, amending the education law and the public health law relating to immunizing agents to be administered to adults by pharmacists, in relation to making certain provisions permanent; to amend chapter 116 of the laws of 2012, amending the education law relating to authorizing a licensed pharmacist and certified nurse practitioner to administer certain immunizing agents, in relation to making certain provisions permanent; and repealing certain provisions of the education law relating to the administration of certain immunizing agents

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision 7 of section 6527 of the education law is REPEALED and a new subdivision 7 is added to read as follows:

7. A licensed physician may prescribe and order a patient specific order or non-patient specific regimen to a licensed pharmacist, pursuant to regulations promulgated by the commissioner, and consistent with the public health law, for administering immunizations and vaccines listed in the recommended adult immunization schedule by the Centers for Disease Control and Prevention and medications required for emergency treatment of anaphylaxis. Nothing in this subdivision shall authorize unlicensed persons to administer immunizations, vaccines or other drugs.

§ 2. Subdivision 22 of section 6802 of the education law is REPEALED and a new subdivision 22 is added to read as follows:

22. "Administer", for the purpose of section sixty-eight hundred one of this article, means:

a. the direct application of an immunizing agent to adults, whether by injection, ingestion, inhalation or any other means, pursuant to a patient specific order or non-patient specific regimen prescribed or
