AN ACT to amend the vehicle and traffic law and the insurance law, in relation to requiring types of replacement crash parts used in automobile collision repairs be disclosed to vehicle owners and written authorization to use specified parts be obtained prior to installation

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 398-d of the vehicle and traffic law is amended by 1 2 adding a new subdivision 2-a to read as follows: 3 2-a. (a) No motor vehicle repair shop shall use or install any type or 4 types of replacement crash parts for the repair of a collision damaged 5 vehicle without disclosing the type or types of replacement crash parts 6 to the vehicle owner or the vehicle owner's authorized representative 7 and obtaining written authorization therefrom. The following "Replace-8 ment Crash Parts Notice and Authorization Form", reproduced in 12 point 9 type or larger, shall be attached to a copy of the collision repair 10 estimate and shall be signed by the vehicle owner or the vehicle owner's 11 authorized representative prior to the use or installation of any such 12 parts: 13 Replacement Crash Parts Notice and Authorization Form 14 NOTICE TO CONSUMER: 15 1. "Replacement crash parts" are the parts which are typically 16 replaced during the repair of a damaged vehicle. These 17 parts are made of sheet metal, plastic, fiberglass or similar material, including a door, fender, panel, bumper, 18 19 hood, floor or trunk lid, but not including windows or
