LBD01805-02-1

1    [~~(b)~~](2) has practiced as a respiratory therapy technician in a hospi-  
2 tal, as defined in article twenty-eight of the public health law, in the  
3 state for not less than two years within the last five years, or

4    [~~(c)~~](3) has met the educational standards of a hospital, as defined  
5 in article twenty-eight of the public health law, or, in the case of a  
6 hospital operated by a public benefit corporation, has met the educa-  
7 tional standards of such corporation, and has practiced as a respiratory  
8 therapy technician for at least one year in such hospital.

9    2. The department shall not accept new applications for an initial  
10 license as a respiratory therapy technician, provided however that  
11 licenses issued prior to that date shall be eligible for renewal subject  
12 to the provisions of this section.

13    § 4. This act shall take effect immediately; provided that sections  
14 one and two of this act shall take effect on the first of September in  
15 the seventh year next succeeding the year in which it shall have become  
16 a law and shall only apply to the issuance of initial licenses, with the  
17 exception that any individual enrolled in an approved associate degree  
18 program in respiratory therapy or in a program determined by the depart-  
19 ment to be the equivalent as of the first of September in the seventh  
20 year next succeeding the year in which this act shall have become a law  
21 may receive an initial license upon graduation from the associate degree  
22 program, but at the conclusion of the initial triennial licensure peri-  
23 od, such individual must have completed a bachelor degree program in  
24 respiratory therapy or a program to be determined by the department to  
25 be the equivalent as a condition of renewing their license.
