AN ACT to amend the insurance law, in relation to calculating an insured individual's overall contribution to any out-of-pocket maximum or any cost-sharing requirement

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subsection (i) of section 3216 of the insurance law is  
2 amended by adding a new paragraph 37 to read as follows:

3 (37) Any policy that provides coverage for prescription drugs shall  
4 apply any third-party payments, financial assistance, discount, voucher  
5 or other price reduction instrument for out-of-pocket expenses made on  
6 behalf of an insured individual for the cost of prescription drugs to  
7 the insured's deductible, copayment, coinsurance, out-of-pocket maximum,  
8 or any other cost-sharing requirement when calculating such insured  
9 individual's overall contribution to any out-of-pocket maximum or any  
10 cost-sharing requirement. If under federal law, application of this  
11 requirement would result in health savings account ineligibility under  
12 26 USC 223, this requirement shall apply for health savings account-qua-  
13 lified high deductible health plans with respect to the deductible of  
14 such a plan after the enrollee has satisfied the minimum deductible  
15 under 26 USC 223, except for with respect to items or services that are  
16 preventive care pursuant to 26 USC 223(c)(2)(C), in which case the

requirements of this paragraph shall apply regardless of whether the minimum deductible under 26 USC 223 has been satisfied.

§ 2. Subsection (l) of section 3221 of the insurance law is amended by adding a new paragraph 21 to read as follows:

(21) Every group or blanket policy delivered or issued for delivery in this state that provides coverage for prescription drugs shall apply any third-party payments, financial assistance, discount, voucher or other price reduction instrument for out-of-pocket expenses made on behalf of an insured individual for the cost of prescription drugs to the insured's deductible, copayment, coinsurance, out-of-pocket maximum, or any other cost-sharing requirement when calculating such insured individual's overall contribution to any out-of-pocket maximum or any cost-sharing requirement. If under federal law, application of this requirement would result in health savings account ineligibility under 26 USC 223, this requirement shall apply for health savings account-qualified high deductible health plans with respect to the deductible of such a plan after the enrollee has satisfied the minimum deductible under 26 USC 223, except for with respect to items or services that are preventive care pursuant to 26 USC 223(c)(2)(C), in which case the requirements of this paragraph shall apply regardless of whether the minimum deductible under 26 USC 223 has been satisfied.

§ 3. Section 4303 of the insurance law is amended by adding a new subsection (tt) to read as follows:

(tt) Every contract issued by a medical expense indemnity corporation, hospital service corporation, or health service corporation that provides coverage for prescription drugs shall apply any third-party payments, financial assistance, discount, voucher or other price reduction instrument for out-of-pocket expenses made on behalf of an insured individual for the cost of prescription drugs to the insured's deductible, copayment, coinsurance, out-of-pocket maximum, or any other cost-sharing requirement when calculating such insured individual's overall contribution to any out-of-pocket maximum or any cost-sharing requirement. If under federal law, application of this requirement would result in health savings account ineligibility under 26 USC 223, this requirement shall apply for health savings account-qualified high deductible health plans with respect to the deductible of such a plan after the enrollee has satisfied the minimum deductible under 26 USC 223, except for with respect to items or services that are preventive care pursuant to 26 USC 223(c)(2)(C), in which case the requirements of this paragraph shall apply regardless of whether the minimum deductible under 26 USC 223 has been satisfied.

§ 4. This act shall take effect on the first of January next succeeding the date on which it shall have become a law and shall apply to all policies and contracts issued, renewed, modified, altered or amended on or after such date.
