20 equipped school or public institution.

21 2. (a) Prior to performing any of the services authorized under this

10 42 U.S.C. § 1395x(aa)(4) or a medically-underserved population as
11 defined in 42 U.S.C. § 254b.

12 4. The commissioner shall promulgate regulations defining the func-

15 5. As used in this section, "general supervision" shall mean the
16 supervision of tasks or procedures that do not require the presence of a
17 dentist in the office or on the premises at the time the tasks or proce-

19 prior knowledge and consent of such dentist. As used in this section,
20 "indirect supervision" shall mean the dentist is in the office, author-
21 izes the procedures and remains in the office while the procedures are
22 being performed by allied dental personnel.

23 § 6614-a. Requirements for a license as a dental therapist. To qualify

15 States, or for other good cause acceptable to the department which may
16 prevent compliance.

17 (c) A licensed dental therapist not engaged in the practice of dental

33 ment and shall not practice unless and until a conditional registration
34 certificate is issued as provided in subdivision three of this section.
35 The individual licensee shall determine the selection of courses or
36 programs of study pursuant to subdivision four of this section.

37 3. The department, in its discretion, may issue a conditional regis-
38 tration to a licensee who fails to meet the continuing education
39 requirements established in subdivision two of this section but who
40 agrees to make up any deficiencies and take any additional education
41 which the department may require. The fee for such a conditional regis-
