AN ACT to amend the elder law, in relation to establishing an Alzheimer's disease outreach and education program

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The elder law is amended by adding a new section 225 to read as follows:

§ 225. Alzheimer's disease outreach and education program. 1. The office, in consultation with the commissioner of health, is hereby authorized and directed to establish an Alzheimer's disease outreach and education program ("the program") for medical and non-medical professionals, including physicians, nurses, and social services personnel who work with older New Yorkers and their families, and for consumers, caregivers and other individuals and organizations working with or on behalf of persons with Alzheimer's disease and related dementia. The purpose of the program shall be to:

(a) promote earlier identification of dementia in health care facilities including but not limited to hospitals, nursing homes, clinics, and assisted living facilities;

(b) provide information and assistance on where to find community support services, including caregiver support groups and services, respite, care management and to serve as a clearinghouse for related information; and

(c) promote public awareness of and access to resources and information concerning Alzheimer's disease and any other dementia related matters that the commissioner and director of the office for the aging deem appropriate.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

1 2. The program shall include but shall not be limited to any of the
2 following elements:

3 (a) educational and informational materials in print, audio, visual,
4 electronic or other media;

5 (b) training curriculum including best practices for institutions of
6 higher learning and for ongoing in-service training;

7 (c) public service announcements and advertisements; and

8 (d) establishment of toll-free telephone hotlines and electronic
9 services to provide information.

10 3. The office shall produce, make available to others for reprod-
11 uction, or contract with others to develop materials mentioned in this
12 section as the director deems appropriate. These materials shall be made
13 available to the public free of charge as appropriate or for a fee under
14 certain circumstances. The director may request the commissioner of
15 health to require any health care provider to make these materials
16 available to patients where appropriate and encourage non-medical
17 professionals to make them available to the clients they serve.

18 4. In exercising any of his or her powers under this section, the
19 director shall consult with appropriate health care professionals and
20 providers, senior service providers, organizations representing persons
21 with dementia or cognitive impairments, consumers and patients or organ-
22 izations representing them.

23 5. The director shall ensure that all information and materials
24 produced under this section are maintained and updated to reflect best
25 practice recommendations and are culturally and linguistically appropri-
26 ate for the communities served by the Alzheimer's disease outreach and
27 education program. The office shall post electronic copies of outreach
28 material, including best practices, on its website. The department of
29 health shall post the same information on its website.

30 6. The director may appoint advisory councils relating to various
31 matters under this section. All such councils shall include represen-
32 tation of health care professionals, providers, senior service provid-
33 ers, organizations representing persons with dementia or cognitive
34 impairments, consumers, patients and other appropriate interests. The
35 members of the councils shall receive no compensation for their
36 services, but shall be allowed their actual and necessary expenses
37 incurred in performance of their duties.

38 7. In addition to state funds appropriated under this section, the
39 director may accept grants from public or private sources. The director,
40 in administering this section, shall seek to coordinate programs and
41 activities under this section with other public and private programs,
42 and may undertake joint or cooperative programs with other public or
43 private entities.

44 8. The director may make rules and regulations necessary and appropri-
45 ate for implementation of this section.

46 § 2. This act shall take effect immediately.
