2021-2022 Regular Sessions

IN ASSEMBLY

January 14, 2021

Introduced by M. of A. BARNWELL, JOYNER, QUART, EPSTEIN, DE LA ROSA, L. ROSENTHAL, CRUZ, HEVESI, HUNTER, GLICK, TAYLOR, PICHARDO, FERNANDEZ, REYES, NIOU, FRONTUS, GOTTFRIED, BICHOTTE HERMELYN, DAVILA, CARROLL, BARRON, DINOWITZ, J. RIVERA, KIM, PERRY, SEAWRIGHT, WEPRIN, ROZIC, AUBRY, SIMON, COLTON, DARLING, RODRIGUEZ, WALKER, D. ROSENTHAL, NOLAN -- read once and referred to the Committee on Housing

AN ACT eliminating rent increases based on major capital improvements; to amend chapter 274 of the laws of 1946, constituting the emergency housing rent control law, the emergency tenant protection act of nineteen seventy-four and the administrative code of the city of New York, in relation to eliminating rent increases to pay for major capital improvements

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings and declaration of emergency. The
2 legislature hereby finds and declares that the serious public emergency
3 which led to the enactment of the existing laws regulating residential
4 rents and evictions continues to exist. The legislature further finds
5 that a majority of households currently occupying housing accommodations
6 subject to rent laws are rent-burdened; that permanent increases in
7 rents are no longer necessary to incentivize rental property owners to
8 make, or to compensate landlords for, necessary major capital improve-
9 ments; that publicly funded tax incentives and other subsidies are
10 available to rental property owners to support major capital improve-
11 ments; that value from major capital improvements accrues to rental
12 property owners through increased property values and sale prices; that,
13 due to market conditions in localities subject to rent laws, rental
14 property owners are already able to realize a reasonable return on their
15 investments in major capital improvements through increased property
16 values and sale prices alone; and that provisions for hardship increases
17 under existing rent laws already ensure that rental property owners are

1 able to operate rent regulated housing without incurring undue losses.
2 The legislature further declares and finds that a substantial number of
3 the rent increases previously granted for major capital improvements
4 were tainted by inflated costs, particularly in the last seven years;
5 that the provision of rent increases for major capital improvements in
6 existing rent laws has resulted in exactions of unjust, unreasonable and
7 oppressive rents, as well as profiteering, speculation and other disruptive
8 practices tending to produce tenant dislocation and threats to the
9 public health, safety and general welfare; that such results were
10 contrary to the intent and purpose of the existing rent laws; that it is
11 therefore necessary to amend the rent laws to remove any provision of a
12 rent increase based upon major capital improvements; and that it is
13 additionally necessary to repeal rent increases based upon major capital
14 improvements that became effective within the previous seven years.

15 § 2. (a) The division of housing and community renewal, the "division", shall administer the elimination of rent increases based upon
16 major capital improvements pursuant to this act. The division shall no
17 longer grant rent increases on the basis of major capital improvements
18 at buildings subject to rent regulation or rent stabilization pursuant
19 to the emergency rent control law, the emergency tenant protection act
20 and/or the administrative code of the city of New York. All pending
21 applications for rent increases based upon major capital improvements
22 shall be denied, and the division shall issue orders disposing of pending
23 applications as necessary.

24
25 (b) Any rent increase based upon major capital improvements previously
26 ordered by the division, pursuant to the emergency rent control law, the
27 emergency tenant protection act and/or the administrative code of the
28 city of New York, with an effective date within the seven years prior to
29 the effective date of this act shall be repealed effective immediately
30 unless the division finds a basis for limiting the repeal pursuant to
31 subdivision (d) of this section. For all affected housing accommodations,
32 the division shall determine what the present legal rent would
33 be for each such accommodation if the division had not ordered any rent
34 increases based upon major capital improvements during the repeal period,
35 and this amount shall be the proposed new legal rent.

36 (c) Within 180 days of the effective date of this act, the division of
37 housing and community renewal shall determine the proposed new legal
38 rents for all affected housing accommodations pursuant to subdivision
39 (b) of this section and shall also provide written notification to all
40 current owners and tenants of affected accommodations as to the amount
41 of the proposed new legal rents, the basis for the department's determination,
42 and the time for each affected party to submit additional information that
43 the division shall consider before issuing a final order determining the
44 new legal rents, which shall not be less than 45 days. Unless an owner of
45 an affected building has submitted a timely application to the division for
46 a limitation pursuant to subdivision (d) of this section, the division shall
47 issue a final order determining the new legal rents for affected housing
48 accommodations within 365 days of the effective date of this act.

49
50 (d) (1) Within 90 days of receiving written notice of proposed new
51 legal rents from the division pursuant to subdivision (c) of this
52 section, a building owner may apply to the commissioner of housing and
53 community renewal for an order limiting the amount of the repeal of rent
54 increases under this act based upon a finding by the commissioner of
55 housing and community renewal that the proposed new legal rents are not
56 sufficient to enable the owner to maintain an annual gross rent income

1 for such building which exceeds the annual operating expenses of such
2 building by a sum equal to at least five percent of such gross rent. In
3 buildings for which the commissioner of housing and community renewal
4 finds that the proposed new legal rents are not sufficient to enable the
5 owner to maintain an annual gross rent income for such building which
6 exceeds the annual operating expenses of such building by a sum equal to
7 at least five percent of such gross rent, the repeal amount of rent
8 increases based upon major capital improvements shall be limited to an
9 amount such that the annual operating expenses of the building do not
10 exceed ninety-five percent of the new proposed annual gross rent income
11 for such building.

12 (2) For the purposes of this subdivision, operating expenses shall
13 consist of the actual, reasonable, costs of fuel, labor, utilities,
14 taxes, other than income or corporate franchise taxes, fees, permits,
15 necessary contracted services and noncapital repairs, insurance, parts
16 and supplies, management fees and other administrative costs and mort-
17 gage interest. For the purposes of this subdivision, mortgage interest
18 shall be deemed to mean interest on a bona fide mortgage including an
19 allocable portion of charges related thereto. Criteria to be considered
20 in determining a bona fide mortgage other than an institutional mortgage
21 shall include: condition of the property, location of the property, the
22 existing mortgage market at the time the mortgage is placed, the term of
23 the mortgage, the amortization rate, the principal amount of the mort-
24 gage, security and other terms and conditions of the mortgage. For the
25 purposes of this subdivision, gross annual rent income for a building
26 shall include a rental value set by the commissioner of housing and
27 community renewal for any unit occupied by the owner or a person related
28 to the owner or unoccupied at the owner's choice for more than one month
29 at the last regulated rent plus the minimum number of guidelines
30 increases or, if no such regulated rent existed or is known, the commis-
31 sioner shall impute a rent consistent with other proposed new legal
32 rents in the building.

33 (e) The division shall require that owners refund any increase in a
34 tenant's security deposit amount collected in excess of a new legal rent
35 established under this act within thirty days of the department's issu-
36 ance of an order determining new legal rents. Such excess security
37 deposit amount may be refunded in the form of a rent credit applied
38 toward the affected tenant's next monthly rent payment, and affected
39 tenants are entitled to self-deduct the refund amount from future rent
40 payments.

41 (f) The new legal rent shall be the legal rent beginning on the date
42 rent is required to be paid next succeeding the issuance of a final
43 order determining new legal rents under this act.

44 (g) Any lease agreement executed after the issuance of a final order
45 determining new legal rents under this act shall be deemed to incorpo-
46 rate the rent amounts and effective dates set forth in such order.

47 (h) Any tenant residing in an affected housing accommodation may
48 assert their entitlement to the repeal of prior rent under subdivision
49 (b) of this section, as a defense or counterclaim in any legal proceed-
50 ing predicated upon a landlord's claim of default in the payment of rent
51 pursuant to an agreement. Any court with jurisdiction over a landlord's
52 claim as to a tenant's default in the payment of rent shall also adjudi-
53 cate and have primary jurisdiction over the tenant's assertion of a
54 defense or counterclaim under this provision if the department has not
55 yet issued an order determining the new legal rent. A court order made
56 under this subdivision shall not in any way be deemed to impair a build-

ing owner's right or time to apply for a limitation under subdivision (d) of this section.

(i) All final orders issued by the department pursuant to subdivisions (b), (c), and (d) of this section shall be subject to appeal pursuant to existing procedures for administrative review before the division.

§ 3. Paragraph 2 of subdivision 3-a, subparagraphs 7, 8, 9 and 10 of the second undesignated paragraph of paragraph (a) of subdivision 4 of section 4 of chapter 274 of the laws of 1946, constituting the emergency housing rent control law, paragraph 2 of subdivision 3-a of section 4 and subparagraph 8 of the second undesignated paragraph of paragraph (a) of subdivision 4 of section 4 as amended by section 8 of part K of chapter 36 of the laws of 2019, subparagraphs 9 and 10 of the second undesignated paragraph of paragraph (a) of subdivision 4 of section 4 as amended by section 25 of part B of chapter 97 of the laws of 2011, subparagraph 7 of the second undesignated paragraph of paragraph (a) of subdivision 4 of section 4 as separately amended by section 25 of part Q of chapter 39 of the laws of 2019 and section 14 of part K of chapter 36 of the laws of 2019, are amended to read as follows:

~~(4)]~~ an owner by application to the state division of housing and community renewal for increases in the rents in excess of the rent adjustment authorized by the rent guidelines board under this act establishes a hardship, and the state division finds that the rate of rent adjustment is not sufficient to enable the owner to maintain approximately the same ratio between operating expenses, including taxes and labor costs but excluding debt service, financing costs, and management fees, and gross rents which prevailed on the average over the immediate preceding five year period, or for the entire life of the building if less than five years, or

~~(5)]~~ (4) as an alternative to the hardship application provided under paragraph ~~four~~ three of this subdivision, owners of buildings acquired by the same owner or a related entity owned by the same principals three years prior to the date of application may apply to the division for increases in excess of the level of applicable guideline increases established under this law based on a finding by the commissioner that such guideline increases are not sufficient to enable the owner to maintain an annual gross rent income for such building which exceeds the annual operating expenses of such building by a sum equal to at least five percent of such gross rent. For the purposes of this paragraph, operating expenses shall consist of the actual, reasonable, costs of fuel, labor, utilities, taxes, other than income or corporate franchise taxes, fees, permits, necessary contracted services and non-capital repairs, insurance, parts and supplies, management fees and other administrative costs and mortgage interest. For the purposes of this paragraph, mortgage interest shall be deemed to mean interest on a bona fide mortgage including an allocable portion of charges related thereto. An adjustment under this subparagraph shall be granted only if such improvements represent an expenditure equal to at least ten per centum of the total operating and maintenance expenses for the preceding year. An adjustment under this subparagraph shall be in addition to any adjustment granted for the concurrent major capital improvement and shall be in an amount sufficient to amortize the cost of the improvements pursuant to this subparagraph over a seven-year period.]~~
