3 (g) "Person" shall mean a natural person, firm, corporation, limited
4 liability company, association, or an employee or agent of a natural

6 2. No manufacturer, importer, distributor, wholesaler, retailer or
7 secondhand dealer shall sell, lease, offer for sale, or offer for lease
8 in this state any infant inclined sleeper.

9 3. (a) On or after the effective date of this section, no child care
10 facility shall use or have on the premises any infant inclined sleeper
11 unless a medical professional has determined that use of an infant
12 inclined sleeper is medically necessary for a particular child in such
13 child care facility.

14 (b) The office of children and family services, in consultation with
15 the city of New York department of health and mental hygiene, shall
16 notify child care facilities of the provisions of this subdivision in
17 plain, non-technical language. Such notice shall be given to every child
18 care facility upon the effective date of this section or as soon as
19 practicable thereafter, and such notice shall also be given to each
20 applicant for license or registration pursuant to section three hundred
21 ninety of the social services law.

22 (c) The office of children and family services shall promulgate rules
23 and regulations to carry out the provisions of this subdivision, with

25 4. Whenever there shall be a violation of subdivision two of this

27 of the people of the state of New York to a court or justice having
28 jurisdiction by a special proceeding to issue an injunction, and upon
29 notice to the defendant of not less than five days, to enjoin and
30 restrain the continuance of such violations; and if it shall appear to
31 the satisfaction of the court or justice that the defendant has, in
32 fact, violated this section, an injunction may be issued by the court or
33 justice, enjoining and restraining any further violations, without
34 requiring proof that any person has, in fact, been injured or damaged
35 thereby. In any such proceeding, the court may make allowances to the
36 attorney general as provided in paragraph six of subdivision (a) of
37 section eighty-three hundred three of the civil practice law and rules,
38 and direct restitution. Whenever the court shall determine that a
39 violation of subdivision two of this section has occurred, the court may
40 impose a civil penalty of not more than five hundred dollars for each
41 violation. Each sale of an infant inclined sleeper in violation of this
42 section shall constitute a separate violation. In connection with any
43 such proposed application, the attorney general is authorized to take
44 proof and make a determination of the relevant facts and to issue
45 subpoenas in accordance with the civil practice law and rules.

46 5. If any provision of this section or the application thereof to any
47 person or circumstance is held unconstitutional, such invalidity shall
48 not affect other provisions or applications of this section which can be
49 given effect without the invalid provision or application, and to this
50 end the provisions of this section are severable.

51 § 2. This act shall take effect on the sixtieth day after it shall
52 have become a law.
