- § 3. Subdivision 1 of section 3010 of the public health law, as amended by chapter 588 of the laws of 1993, is amended to read as follows:
- 8 follows:
 9 1. Every ambulance service certificate or statement of registration
 10 issued under this article shall specify the primary territory within
 11 which the ambulance service shall be permitted to operate. An ambulance
- 12 service shall receive patients only within the primary territory speci-
- 13 fied on its ambulance service certificate or statement of registration, 14 except: (a) when receiving a patient which it initially transported to a
- 15 facility or location outside its primary territory; (b) as required for
- 16 the fulfillment of a mutual aid agreement authorized by the regional
- 17 council; (c) upon express approval of the department and the appropriate
- 17 Council (C) upon express approval of the department and the appropriate
- 18 regional emergency medical services council for a maximum of sixty days 19 if necessary to meet an emergency need; provided that in order to
- 20 continue such operation beyond the sixty day maximum period necessary to
- 21 meet an emergency need, the ambulance service must satisfy the require-
- 22 ments of this article, regarding determination of public need and spec-
- 23 ification of the primary territory on the ambulance service certificate
