AN ACT making appropriations for the support of government

CAPITAL PROJECTS BUDGET

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. a) The several amounts specified in this chapter for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes, and projects designated by the appropriations, and authorized to be made available as hereinafter provided to the respective public officers; such appropriations shall be deemed to provide all costs necessary and pertinent to accomplish the intent of the appropriations and are appropriated in accordance with the provisions of section 93 of the state finance law.

b) Any amounts specified in this chapter for advances for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes and projects designated by the appropriations as advances from the capital projects fund in accordance with the provisions of sections 40-a and 93 of the state finance law, and are authorized to be paid as hereinafter provided as an advance for a share, part or whole of the cost for such programs, purposes and projects hereinafter specified.

c) The several amounts specified in this chapter as capital projects - reappropriations, or so much thereof as shall be sufficient to accomplish the purpose of the appropriations, as appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes and projects designated by the appropriations.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.
(CCP), purposes, and projects, being the undisbursed and/or unexpended balances of the prior year's appropriations, are reappropriated and unless otherwise amended or repealed in part or total in this chapter shall continue to be available for the same purposes as the prior appropriations or as otherwise amended for the fiscal year beginning April 1, 2021.

The capital projects reappropriations contained in this chapter may be amended by repealing the items set forth in brackets and by adding thereto the underscored material. Certain reappropriations in this chapter are shown using abbreviated text, with three leader dots (an ellipsis) followed by three spaces (…) used to indicate where existing law that is being continued is not shown. However, unless a change is clearly indicated by the use of brackets [−] for deletions and underscores for additions, the purpose, amounts, funding source and all other aspects pertinent to each item of appropriation shall be as last appropriated.

For the purpose of complying with section 25 of the state finance law, the year, chapter and section of the last act reappropriating a former original appropriation or any part thereof is, unless otherwise indicated, chapter 54, section 1, of the laws of 2020.

d) No moneys appropriated by this chapter shall be available for payment until a certificate of approval has been issued by the director of the budget, who shall file such certificate with the department of audit and control, the chairperson of the senate finance committee and the chairperson of the assembly ways and means committee.

e) The appropriations contained in this chapter shall be available for the fiscal year beginning on April 1, 2021 except as otherwise noted.

For payment of the costs of capital projects undertaken by or on behalf of school districts for the acquisition of smart schools classroom technology to be loaned to children attending a nonpublic school located in the school district, except a nonpublic school to which tuition is paid under articles 85 or 89 of the education law, in accordance with the requirements of section 755 of the education law and guidelines developed by the commissioner of education, in
connection with the smart schools investment plans first submitted to the education department prior to April 15, 2017 and approved by the smart schools review board pursuant to subdivision 16 of section 3641 of the education law.

Each school district shall be eligible to receive an allocation from the funds appropriated herein equal to the product of the enrollment of all such nonpublic schools in the 2014-15 school year multiplied by the per pupil amount, provided that the liability of the state and the amount to be distributed or otherwise expended by the state to provide such loans shall be limited to the amount appropriated herein. The per pupil amount shall equal the quotient of (i) the amount budgeted by such school district in its approved smart schools investment plan for servers, wireless access points and other portable connectivity devices to be acquired as part of a school connectivity project, divided by (ii) the total public and nonpublic school enrollment in such school district in the 2014-15 school year.

Provided further that no school district shall be eligible to receive an allocation to support the loan of smart schools classroom technology in an aggregate amount greater than $250 multiplied by the nonpublic school enrollment in the 2014-15 school year.

Notwithstanding paragraph b of subdivision 16 of section 3641 of the education law, the commissioner of education shall distribute funds appropriated pursuant to this paragraph upon approval of an application made by the school district. Requests to the school district for loan of smart schools classroom technology to be acquired with the funds appropriated herein shall be made in accordance with the requirements of subdivision 3 of section 755 of the education law.

38  The sum of $2,000,000,000, or so much thereof as may be necessary and
39     available, is hereby appropriated from the smart schools bond fund
40     as established by section 97-oooo of the state finance law in
41     accordance with the provisions of such section, for payment to the
capital projects fund in order to reimburse such fund for disbursements certified by the state comptroller as bondable under the provisions of the smart schools bond act of 2014.

The director of the budget is hereby authorized to designate to the state comptroller specific appropriations made from the capital projects fund for purposes for which smart schools bond fund expenditures are authorized. The state comptroller shall at the commencement of each month certify to the director of the budget, the chairman of the senate finance committee, and the chairman of the assembly ways and means committee, the amounts disbursed from the appropriations so designated by the director of the budget from the capital projects fund for such purposes for the month preceding such certification and such certifications shall not exceed in the aggregate the moneys hereby appropriated. A copy of each such certificate shall also be delivered to departments, agencies and public authorities to which such capital projects fund appropriations are made available.

Notwithstanding the provisions of any general or special law, no moneys shall be available from the smart schools bond fund until a certificate of approval of availability shall have been issued by the director of the budget, and a copy of such certificate of approval filed with the state comptroller, the chairman of the senate finance committee and the chairman of the assembly ways and means committee. Such certificate may be amended from time to time by the director of the budget, and a copy of each such amendment shall be filed with the state comptroller, the chairman of the senate finance committee and the chairman of the assembly ways and means committee (11SS1410) (80912) 2,000,000,000 ................................ By chapter 54, section 3, of the laws of 1977, as amended by chapter 54,
section 1, of the laws of 2002:
The state share of the cost of construction of water quality improve-
ment projects, including the payment of liabilities incurred prior
to April 1, 1977, in accordance with the provisions of title three
of article fifty-one of the environmental conservation law as
amended for projects included in the following schedule, including
costs incidental and appurtenant thereto, hereinafter referred to as
"Water Quality Improvement Disbursements."
DEPARTMENT OF ENVIRONMENTAL CONSERVATION
CAPITAL PROJECTS - REAPPROPRIATIONS  2021-22

Notwithstanding the provisions of any general or special law, the moneys hereby appropriated shall be available for water quality improvement expenditures for eligible water quality improvement projects as defined by section 51-0303 of the environmental conservation law upon the issuance of a certificate of approval of availability by the director of the division of the budget.

The state comptroller shall at the commencement of each month certify to the director of the division of the budget, the commissioner of environmental conservation, the chairman of the senate finance committee, and the chairman of the assembly ways and means committee the amounts expended from this appropriation for Water Quality Improvement Disbursements for the month preceding such certification (01385757) (24889) ... 20,829,700 ................... CAPITAL PROJECTS - REAPPROPRIATIONS  2021-22

By chapter 54, section 1, of the laws of 1990, as amended by chapter 54, section 1, of the laws of 2002:

For the state share of the costs of construction of water quality improvement projects, including the payment of liabilities incurred prior to April 1, 1990, in accordance with the provisions of title 3 of article 51 of the environmental conservation law as amended, to provide state matching funds for projects scheduled to receive construction grants from federal fiscal years 1989 and 1990 funds, including costs incidental and appurtenant thereto, hereinafter referred to as "Water Quality Improvement Disbursements."

Notwithstanding the provisions of any general or special law, the moneys hereby appropriated shall be available for water quality improvement expenditures for eligible water quality improvement projects as defined by section 51-0303 of the environmental conservation law upon the issuance of a certificate of approval of availability by the director of the division of the budget. No such certificates of approval of availability shall be issued for or include funds for projects which have not received a federal grant for the construction of sewage treatment related facilities.

Notwithstanding the provisions of any general or special law, the amounts hereby appropriated shall have all disbursements reimbursed from the Pure Waters Bond Act proceeds authorizations and are contingent upon the partial repeal of existing capital projects fund authorizations elsewhere in this chapter. The state comptroller shall at the commencement of each month certify to the director of the division of the budget, the commissioner of environmental conservation, the chairman of the senate finance committee, and the chairman of the assembly ways and means committee the amounts disbursed from this appropriation for Water Quality Improvement Disbursements for the month preceding such certification (09019057) (24891) ... 4,609,600 ......................... 30 Health Care System Improvement Purpose

31 By chapter 54, section 1, of the laws of 2018, as amended by chapter 314, section 1, of the laws of 2019:
32 For payments and grants to support health care facility transformation statewide. Notwithstanding section 163 of the state finance law or any other provision of law to the contrary, this appropriation may be used to fund payments and or grants, including up to $5,000,000 to regional perinatal care centers or other health providers to establish telehealth applications, made by the commissioner of health in his or her sole discretion, without a competitive bid or request for proposal process, to eligible applicants as determined by the commissioner of health for the purposes that strengthen and protect continued access to health care services in communities including but not limited to children's residential treatment facilities. Such purposes may include debt retirement and capital projects or non-capital projects that facilitate health care transformation activities including, merger, consolidation, acquisition or other activities intended to: create financially sustainable systems of care; preserve or expand essential health care services;
modernize obsolete facility physical plants and infrastructure; foster participation in alternative payment arrangements, including but not limited to contracts with managed care plans and accountable care organizations; increase the quality of resident care or experience in residential health care facilities; or improve health information technology infrastructure, including telehealth, to strengthen the acute, post-acute care, primary care, and longterm care continuum. Grants shall not be available to support general operating expenses.

The commissioner and the president of the dormitory authority of the state of New York shall enter into an agreement, subject to the approval of the director of the budget, and subject to section 1680-r of the public authorities law, for the purposes of awarding, distributing, and administering the funds made available pursuant to this appropriation.

In determining awards for eligible applicants under this appropriation, the commissioner of health shall consider criteria including, but not limited to:

(a) The extent to which the proposed project will contribute to the integration of health care services or the long term sustainability of the applicant or preservation of essential health services in the community or communities served by the applicant;

(b) The extent to which the proposed project or purpose is aligned with delivery system reform incentive payment ("DSRIP") program goals and objectives;

(c) The geographic distribution of funds;

(d) The relationship between the proposed project and identified community need;

(e) The extent to which the applicant has access to alternative financing;

(f) The extent to which the proposed project furthers the development of primary care and other outpatient services;

(g) The extent to which the proposed project benefits medicaid enrollees and uninsured individuals;

(h) The extent to which the applicant has engaged the community affected by the proposed project and the manner in which community engagement has shaped such project; and

(i) The extent to which the proposed project addresses potential risk to patient safety and welfare.

Notwithstanding any inconsistent provision of law to the contrary, and upon approval of the director of the budget, the commissioner may award up to $300,000,000 of the funds made available pursuant to this appropriation for unfunded project applications submitted in response to the request for applications number 17648 issued by the department on January 8, 2018 pursuant to section 2825-e of the public health law.

Authorized amounts to be awarded pursuant to applications submitted in response to the request for application number 17648 shall be awarded no later than September 1, 2019.

The department shall provide a report on a quarterly basis to the chairs of the senate finance, assembly ways and means, and senate health and assembly health committees, until such time as the
department determines that the projects that receive funding pursuant to this appropriation are substantially complete. Such reports shall be submitted no later than sixty days after the close of the quarter, and shall include, for each award, the name of the applicant, a description of the project or purpose, the amount of the award, disbursement date, and status of achievement of process and performance metrics and milestones pursuant to subdivision 6 of section 2825-f of the public health law.

Within amounts appropriated herein, a minimum of $45,000,000 shall be made available for grant awards to residential health care facilities, up to $20,000,000 may be made available for grant awards made pursuant to paragraphs (l) and (m) of subdivision 3 of section 461-l of the social services law, pursuant to criteria to be determined by the commissioner and a minimum of $60,000,000 shall be made available for grant awards to community-based health care providers which shall be defined as a diagnostic and treatment center licensed or granted an operating certificate under article 28 of the public health law, a mental health clinic licensed or granted an operating certificate under article 31 of the mental hygiene law, a substance use disorder treatment clinic licensed or granted an operating certificate under article 32 of the mental hygiene law, a primary care provider, a home care provider certified or licensed pursuant to article 36 of the public health law, a facility granted an operating certificate under article 16 of the mental hygiene law or hospices licensed or granted an operating certificate pursuant to article 40 of the public health law.

The dormitory authority may issue bonds for such purposes up to the amount appropriated herein. No expenditures may be made from this appropriation to a facility until a facility specific plan has been submitted to the department of health and has been approved by the director of the budget (12SW18HE) (26668) ........................................ 525,000,000 ................................. (re. $424,478,000)

By chapter 54, section 1, of the laws of 2017, as transferred by chapter 54, section 1, of the laws of 2018:

For payments and grants to support health care facility transformation statewide for capital, non-operational works. Notwithstanding section 163 of the state finance law or any other provision of law to the contrary, this appropriation may be used to fund payments and or grants made by the commissioner of health in his or her sole discretion, without a competitive bid or request for proposal process, to eligible applicants as determined by the commissioner of health for purposes in support of essential health care services. Such purposes may include debt retirement and capital projects or non-capital projects that facilitate health care transformation, including mergers, consolidation, acquisition or other corporate restructuring activities intended to create a financially sustainable system of care that promotes a patient-centered model of health care delivery or preserves or expands essential health care services. Grants shall not be available to support general operating expenses.
The commissioner and the president of the dormitory authority of the state of New York shall enter into an agreement, subject to the approval of the director of the budget, and subject to section 1680-r of the public authorities law, for the purposes of awarding, distributing, and administering the funds made available pursuant to this appropriation.

In determining awards for eligible applicants under this appropriation, the commissioner of health shall consider stakeholder, community, and legislative input pursuant to subdivision 4-a of section 2825-e of the public health law criteria including, but not limited to:

(a) the extent to which the proposed project will contribute to the integration of health care services or the long term sustainability of the applicant or preservation of essential health services in the community or communities served by the applicant;
(b) The extent to which the proposed project or purpose is aligned with delivery system reform incentive payment ("DSRIP") program goals and objectives;
(c) Consideration of geographic distribution of funds;
(d) The relationship between the proposed project and identified community need;
(e) The extent to which the applicant has access to alternative financing;
(f) The extent that the proposed project furthers the development of primary care and other outpatient services;
(g) The extent to which the proposed project benefits medicaid enrollees and uninsured individuals;
(h) The extent to which the applicant has engaged the community affected by the proposed capital project and the manner in which community engagement has shaped such capital project; and
(i) The extent to which the proposed project addresses potential risk to patient safety and welfare.

Notwithstanding any inconsistent provision of law to the contrary, and upon approval of the director of the budget, the commissioner of health may award up to $300,000,000 of the funds made available pursuant to this appropriation for unfunded project applications submitted in response to the request for applications number 1607010255 issued by the department on July 20, 2016 pursuant to section 2825-d of the public health law.

The department shall provide a report on a quarterly basis to the chairs of the senate finance, assembly ways and means, and senate health and assembly health committees. Such reports shall be submitted no later than 60 days after the close of the quarter, and shall include, for each award, the name of the applicant, a description of the project or purpose, the amount of the award, disbursement date, and status of achievement of process and performance metrics and milestones pursuant to subdivision 5 of section 2825-e of the public health law.

Within amounts appropriated herein, the director of the budget is authorized to make a determination to fund up to $200,000,000 for grant awards which are not eligible to be funded with the proceeds
of bonds issued pursuant to section 1680-r of the public authorities law.

Within amounts appropriated herein, $50,000,000 shall be made available for grant awards to Montefiore medical center, and a minimum of $75,000,000 shall be made available for grant awards to community-based health care providers which shall be defined as a diagnostic and treatment center licensed or granted an operating certificate under article 28 of the public health law, a mental health clinic licensed or granted an operating certificate under article 31 of the mental hygiene law, an alcohol and substance abuse treatment clinic licensed or granted an operating certificate under article 32 of the mental hygiene law, a primary care provider, or a home care provider certified or licensed pursuant to article 36 of public health law.

The dormitory authority may issue bonds for such purposes up to the amount appropriated herein. No expenditures may be made from this appropriation to a facility until a facility specific plan has been submitted to the department of health and has been approved by the director of the budget (12SW17HE) (26668) .................................. 500,000,000 ..................................... (re. $353,358,000)

By chapter 55, section 1, of the laws of 2016, as amended by chapter 54, section 1, of the laws of 2017:

For payments and grants to support health care facility transformation statewide for capital, non-operational works. Notwithstanding section 163 of the state finance law or any other provision of law to the contrary, this appropriation may be used to fund payments and or grants made by the commissioner of health in his or her sole discretion, without a competitive bid or request for proposal process, to eligible applicants as determined by the commissioner of health for purposes in support of essential health care services. Such purposes may include renovating or replacing inefficient or outdated facilities as part of a merger, consolidation, acquisition or other significant corporate restructuring activity that is part of an overall transformation plan intended to create a financially sustainable system of care that promotes a patient-centered model of health care delivery aimed at improving the overall health and well-being of a community. Eligible applicants shall be those deemed by the commissioner to be a provider that fulfills or will fulfill a health care need for acute inpatient, outpatient, primary, home care or residential health care services in a community. The commissioner and the president of the dormitory authority of the state of New York shall enter into an agreement, subject to the approval of the director of the budget, and subject to section 1680-r of the public authorities law, for the purposes of awarding, distributing, and administering the funds made available pursuant to this appropriation. In determining awards for eligible applicants under this appropriation, the commissioner of health and the president of the authority shall consider criteria including, but not limited to:

(a) the extent to which the proposed capital project will contribute to the integration of health care services and long term sustainability of the applicant or preservation of essential health services in the community or communities served by the applicant;
(b) the extent to which the proposed project or purpose is aligned with delivery system reform incentive payment ("DSRIP") program goals and objectives;
(c) consideration of geographic distribution of funds;
(d) the relationship between the proposed capital project and identified community need;
(e) the extent to which the applicant has access to alternative financing;
(f) the extent that the proposed capital project furthers the development of primary care and other outpatient services;
(g) the extent to which the proposed capital project benefits medicaid enrollees and uninsured individuals;
(h) the extent to which the applicant has engaged the community affected by the proposed capital project and the manner in which community engagement has shaped such capital project; and
(i) the extent to which the proposed capital project addresses potential risk to patient safety and welfare.

Disbursement of awards made pursuant to this appropriation shall be conditioned on the awardee achieving certain process and performance metrics and milestones as determined in the sole discretion of the commissioner. Such metrics and milestones shall be structured to ensure that the health care transformation and provider sustainability goals of the project are achieved, and such metrics and milestones shall be included in grant disbursement agreements or other contractual documents as required by the commissioner.

The department shall provide a report on a quarterly basis to the chairs of the senate finance, assembly ways and means, senate health and assembly health committees. Such reports shall be submitted no later than sixty days after the close of the quarter, and shall include, for each award, the name of the applicant, a description of the project or purpose, the amount of the award, disbursement date, and status of achievement of process and performance metrics and milestones pursuant to subdivision 5 of section 2825-b of the public health law. Within amounts appropriated herein, up to $5,000,000 may be made available for the purchase of mammography equipped vehicles, and a minimum of $30,000,000 shall be made available for community-based health care providers which shall be defined as a diagnostic and treatment center licensed or granted an operating certificate under article twenty-eight of the public health law, a mental health clinic licensed or granted an operating certificate under article thirty-one of the mental hygiene law, an alcohol and substance abuse treatment clinic licensed or granted an operating certificate under article thirty-two of the mental hygiene law, primary care providers, or a home care provider certified or licensed pursuant to article 36 of the Public Health Law. The dormitory authority may issue bonds for such purposes in an amount appropriated herein. No expenditures may be made from this appropriation to a facility until a facility specific plan has been submitted to the department of health and has been approved by the director of the budget (12SW16HE) (26668) ... 200,000,000 ............... (re. $90,140,000)

By chapter 54, section 1, of the laws of 2015:
For payments and grants to support health care facility transformation within the county of Kings, for capital, non-operational works serving communities whose residents are experiencing significant levels of health care disparities, health care needs and other risk factors. Funding will be awarded in the discretion of the commissioner of health, without a competitive bid or request for proposal process, for purposes in support of essential health care services. Such purposes may include renovating or replacing inefficient or outdated facilities as part of a merger, consolidation, acquisition or other significant corporate restructuring activity intended to create a financially sustainable system of care that promotes a patient-centered model of health care delivery aimed at improving the overall health and well-being of a community. New Facilities Purpose

The appropriation made by chapter 55, section 1, of the laws of 2016, as amended by chapter 54, section 1, of the laws of 2020, is hereby amended and reappropriated to read:

In support of a comprehensive, statewide multi-year housing program. The commissioner shall provide, in electronic excel format or as requested by the Legislature, an annual report to the director of the budget, the speaker of the Assembly, and the temporary president of the Senate, on or before July 1 of each year, that summarizes the activities undertaken pursuant to the funding made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp). Such annual report shall be cumulative and shall include an itemized list of each project utilizing funds appropriated by the 2016-17 and 2017-18 state fiscal year housing program (ccp), including a brief description of the project, street address, county, awardee, total budget, amount of capital subsidy appropriated by the housing program (ccp), relevant section of the housing program (ccp), bonded or cash, amount of each additional public funding source, funding program, number of units, area median income requirements if applicable, month and year construction will commence, projected date of occupancy, and project phase (in development, engineering, construction, complete, defunded). Such annual report shall continue to be provided until such time as the final disbursement of funds appropriated in the 2016-17 and 2017-18 state fiscal year housing program (ccp) has occurred.
Notwithstanding any other law to the contrary, the amounts appropriated herein may be suballocated to any state department, agency, or public authority for the purposes stated herein. Notwithstanding section 40 of the state finance law or any other law to the contrary, all assistance appropriations made from this account shall remain in full force and effect in accordance, in the aggregate, with the following schedule: not more than $344,000,000 for the period April 1, 2016, through and past March 31, 2017, and not more than an additional $246,000,000 for the period April 1, 2017 through and past March 31, 2018 as indicated below:

1. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $950,000,000 shall be made available for the purpose of providing capital and operating subsidies for the development of 6,000 or more supportive housing units throughout the state over the next five years, as determined by a competitive selection process. Notwithstanding any provisions of law to the contrary, the commissioner of a state agency or authority holding an empire state supportive housing initiative contract, shall be authorized, subject to the approval of the director of the budget, to continue contracts which were executed on or before March 31, 2021 with entities providing supportive housing services, without any additional requirements that such contracts be subject to competitive bidding, a request for proposal process or other administrative procedures.

2. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $472,025,000 shall be made available for the purpose of providing capital subsidies for the new construction or adaptive reuse of rental housing affordable to households that earn up to 60 percent of area median income (AMI) and that advance one or more of the specific housing priorities of the state. Up to 5 percent of the funds allocated herein may be used for administrative purposes.

3. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $125,000,000 shall be made available for the purpose of developing or rehabilitating one hundred percent senior rental affordable housing targeted to low-income seniors, aged 60 and above.

4. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $45,000,000 for purposes of the rural and urban community investment fund program created pursuant to article XXVII of the private housing finance law.

5. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $150,000,000 shall be made available for the purpose of providing capital subsidies for the new construction, adaptive reuse, or reconstruction of rental housing affordable to households that earn between 60 percent and 130 percent of AMI and that advance one or more of the specific housing priorities of the state.

6. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $146,000,000 shall be made available for the purpose of substantial

or moderate rehabilitation of site-specific multi-family rental
housing currently under a regulatory agreement or extended use
agreement with the division of housing and community renewal or
another state, federal or local housing agency.

7. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$75,000,000 shall be made available for the purpose of providing
capital subsidies to preserve and improve Mitchell-Lama properties
in the state.

8. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$125,000,000 shall be made available for the purpose of substantial
or moderate rehabilitation and/or the demolition and replacement
through new construction of site-specific multi-family rental hous-
ing currently owned by public housing authorities outside of New
York city. The distribution of any funds which the division of hous-
ing and community renewal or other appropriate state agencies or
authorities authorizes to be used as part of a federal housing
program, shall require the division of housing and community renewal
to monitor and ensure that any affected public housing tenants are
properly informed regarding participation in the federal housing
program and that appropriate documents related to participation in
such federal housing program are made publicly available and are
posted on each applicable housing authority's website in a timely
manner to properly inform such public housing authority tenants.
The residents of public housing that receives and uses such funds to
participate in such federal program shall be provided a uniform
lease agreement that provides, at a minimum, terms and conditions
consistent with those found in the public housing lease they had
prior to the public housing having received any such funds. Public
housing authorities that receive and use such funds shall be
required to: provide resident education, which shall include compre-
hensive information about any anticipated changes to the public
housing; provide language assistance to residents with limited
English proficiency; recognize the right of residents to form a
resident organization; require resident participation funding
commensurate to the funding that was being allocated to residents
already; develop a set of procedures for resident grievances and
lease termination proceedings that apply to residents following the
use of such funds, which shall be consistent with any existing
procedures, can provide stronger resident protections, and conform
with any other applicable federal rules and/or regulations. In cases
when there is a property manager other than the public housing
authority that receives these funds, then such property manager
shall be required to take actions including, but not limited to,
providing clear and accessible information to residents before,
during, and after becoming the property manager; provide language
assistance to residents with limited English proficiency; and recog-
nize a legitimate resident organization as the residents' represen-
tative, invite such resident organization to all resident engage-
ments, and meet regularly with the resident organization to discuss
emerging property-wide issues.
9. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$62,500,000 shall be made available for the purpose of substantial
or moderate rehabilitation and/or the demolition and replacement
through new construction of buildings of 5 to 40 units.
10. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$41,475,000 shall be made available for the purpose of promoting
home ownership among families of low and moderate income for whom
there are few affordable home ownership alternatives in the private
market, and to stimulate the development, stabilization, and preser-
vation of New York communities.
11. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$13,000,000 shall be made available for the purposes of mobile and
manufactured home replacement program pursuant to chapter 54 of the
laws of 2016.
12. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$10,000,000 shall be made available for the purpose of stimulating
reinvestment in properties located within mixed-used commercial
districts located in urban, small town, and rural areas of the state
pursuant to article XXVI of the private housing finance law.
13. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$200,000,000 shall be made available, pursuant to a plan approved by
the director of the budget, in consultation with the New York city
housing authority chair and the dormitory authority of the state of
New York, for the purpose of capital projects and other improvements
related to housing developments owned or operated by the New York
city housing authority; provided further to the extent practicable,
the New York city housing authority in its administration of such
funds shall include employment opportunities for NYCHA tenants
consistent with section 3 of the housing and urban development act
of 1968.
14. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$100,000,000 shall be made available for the preservation, restora-
tion or creation of affordable housing units in a city having a
population of one million or more, one hundred percent of which
shall be affordable to households that earn up to sixty percent of
the area median income adjusted for family size. Priority shall be
given to applicants incorporated pursuant to the not-for-profit
corporation law, with prior experience in community development
projects with at least a fifty-one percent controlling interest in
such project. Not-for-profits shall strive to develop projects
utilizing state or city-owned land and such utilization shall be
prioritized in the agency review of such project (08101607) (30904)

or moderate rehabilitation of site-specific multi-family rental
housing currently under a regulatory agreement or extended use agreement with the division of housing and community renewal or another state, federal or local housing agency.

7. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $75,000,000 shall be made available for the purpose of providing capital subsidies to preserve and improve Mitchell-Lama properties in the state.

8. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $125,000,000 shall be made available for the purpose of substantial or moderate rehabilitation and/or the demolition and replacement through new construction of site-specific multi-family rental housing currently owned by public housing authorities outside of New York city. The distribution of any funds which the division of housing and community renewal or other appropriate state agencies or authorities authorizes to be used as part of a federal housing program, shall require the division of housing and community renewal to monitor and ensure that any affected public housing tenants are properly informed regarding participation in the federal housing program and that appropriate documents related to participation in such federal housing program are made publicly available and are posted on each applicable housing authority's website in a timely manner to properly inform such public housing authority tenants. The residents of public housing that receives and uses such funds to participate in such federal program shall be provided a uniform lease agreement that provides, at a minimum, terms and conditions consistent with those found in the public housing lease they had prior to the public housing having received any such funds. Public housing authorities that receive and use such funds shall be required to: provide resident education, which shall include comprehensive information about any anticipated changes to the public housing; provide language assistance to residents with limited English proficiency; recognize the right of residents to form a resident organization; require resident participation funding commensurate to the funding that was being allocated to residents already; develop a set of procedures for resident grievances and lease termination proceedings that apply to residents following the use of such funds, which shall be consistent with any existing procedures, can provide stronger resident protections, and conform with any other applicable federal rules and/or regulations. In cases when there is a property manager other than the public housing authority that receives these funds, then such property manager shall be required to take actions including, but not limited to, providing clear and accessible information to residents before, during, and after becoming the property manager; provide language assistance to residents with limited English proficiency; and recognize a legitimate resident organization as the residents' representative, invite such resident organization to all resident engagements, and meet regularly with the resident organization to discuss emerging property-wide issues.
9. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $62,500,000 shall be made available for the purpose of substantial or moderate rehabilitation and/or the demolition and replacement through new construction of buildings of 5 to 40 units.

10. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $41,475,000 shall be made available for the purpose of promoting home ownership among families of low and moderate income for whom there are few affordable home ownership alternatives in the private market, and to stimulate the development, stabilization, and preservation of New York communities.

11. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $13,000,000 shall be made available for the purposes of mobile and manufactured home replacement program pursuant to chapter 54 of the laws of 2016.

12. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $10,000,000 shall be made available for the purpose of stimulating reinvestment in properties located within mixed-used commercial districts located in urban, small town, and rural areas of the state pursuant to article XXVI of the private housing finance law.

13. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $200,000,000 shall be made available, pursuant to a plan approved by the director of the budget, in consultation with the New York city housing authority chair and the dormitory authority of the state of New York, for the purpose of capital projects and other improvements related to housing developments owned or operated by the New York city housing authority; provided further to the extent practicable, the New York city housing authority in its administration of such funds shall include employment opportunities for NYCHA tenants consistent with section 3 of the housing and urban development act of 1968.

14. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $100,000,000 shall be made available for the preservation, restoration or creation of affordable housing units in a city having a population of one million or more, one hundred percent of which shall be affordable to households that earn up to sixty percent of the area median income adjusted for family size. Priority shall be given to applicants incorporated pursuant to the not-for-profit corporation law, with prior experience in community development projects with at least a fifty-one percent controlling interest in such project. Not-for-profits shall strive to develop projects utilizing state or city-owned land and such utilization shall be prioritized in the agency review of such project (08111607) (30904) ... 1,383,475,000 ......................... Capital Projects Funds - Other

By chapter 54, section 1, of the laws of 2020:
For services and expenses of a strategic needs capital matching
program, available to state university of New York state-operated
and statutory colleges as defined in section 352 of the education
law subject to a plan approved by the chancellor of the state
university of New York and the director of the budget. Provided
however, that such plan shall not be approved by the Director of the
Budget unless he or she certifies that such debt can be issued with-
in the State's multi-year financial plan without adversely affecting
the funding available for (a) capital projects currently authorized
that are deemed essential to the health and safety of the public, or
(b) essential governmental services. Any project advanced in such
plan shall be funded by one dollar of campus matching funds for
every two dollars of state funding from this appropriation. Funding
from this appropriation shall be available for, but not limited to,
service contracts, memoranda of understanding, capital design,
construction, acquisition, reconstruction, rehabilitation, equipment
and personal service costs including costs incurred prior to April

40 Omnibus and Transit Purpose

41 For state aid to municipal corporations for the preparation of designs, plans, specifications and estimates, for the acquisition, construction, reconstruction, and improvement of mass transportation capital projects including the acquisition of real property, for other mass transportation projects including local transportation planning studies. Notwithstanding any inconsistent provisions of law, the state
share of such projects shall be 50 percent of the non-federal share, but in no event shall the state share exceed 10 percent of project costs.
Notwithstanding any other provision of law, the commissioner of transportation shall make available directly to the City of New York (City) an amount commensurate with the state share of (i) federal funds previously awarded to the City and reallocated to the metropolitan transportation authority (MTA), and (ii) the federally authorized level of financial assistance transferred by resolution of the metropolitan planning organization (MPO) to the metropolitan transportation authority (MTA) and credited to the City by the MTA for capital expenses.
The state share of such reimbursement shall be 50 percent of the non-federal share of the federally authorized level of financial assistance transferred to the MTA, but in no event shall the state share exceed 10 percent of project costs. Prior to requesting reimbursement for projects progressed by the MTA on behalf of the City, the City shall certify to the commissioner of transportation that each eligible project progressed under this provision is federally eligible and that the match amount requested does not exceed the state share of the federally authorized level of financial assistance. In addition, the City must provide an application to the commissioner of transportation certifying that the work to be funded under the project has been performed and that the City has reimbursed the MTA for 100 percent of the match amount for the project. Upon such application, the commissioner of transportation shall review and approve eligible activities for reimbursement.
Prior to requesting approval of a certificate of availability for the moneys hereby appropriated, the commissioner of transportation shall certify that each omnibus project progressed under the program has received federal approval. Such certificate shall report the federally authorized level of financial assistance

For capital grants to municipalities under
the municipal streets and highways program
for repayment of eligible costs of federal
aid municipal street and highway projects
pursuant to section 15 of chapter 329 of
the laws of 1991, as added by section 9 of
chapter 330 of the laws of 1991, as
amended. The department of transportation
shall provide such information to the
municipalities as may be necessary to
maintain the federal tax exempt status of
any bonds, notes, or other obligations
issued by such municipalities to provide
for the non-federal share of the cost of
projects pursuant to chapter 330 of the
laws of 1991 or section 80-b of the high-
way law (17MA2121) (54265) ............... 39,700,000

For capital grants to municipalities under
the consolidated local street and highway
improvement program:
The sum of $379,300,000 to counties, cities,
towns and villages for reimbursement of
eligible costs of local highway and bridge
projects pursuant to sections 16 and 16-a
of chapter 329 of the laws of 1991, as
added by section 9 of chapter 330 of the
laws of 1991, as amended. For the purposes
of computing allocations to munici-
palities, the amount distributed pursuant
to section 16 of chapter 329 of the laws
of 1991 shall be deemed to be
$125,540,000. The amount distributed
pursuant to section 16-a of chapter 329 of
the laws of 1991 shall be deemed to be
$253,760,000. Notwithstanding the
provisions of any general or special law,
the amounts deemed distributed in accord-
ance with section 16 of chapter 329 of the
laws of 1991 shall be adjusted so that
such amounts will not be less than 86.579
percent of the "funding level" as defined in subdivision 5 of section 10-c of the highway law for each such municipality. In order to achieve the objectives of section 16 of chapter 329 of the laws of 1991, to the extent necessary, the amounts in excess of 86.579 percent of the funding level to be deemed distributed to each municipality under this subdivision shall be reduced in equal proportion.

The sum of $58,797,000 to municipalities for reimbursement of eligible costs of local highway and bridge projects pursuant to sections 16 and 16-a of chapter 329 of the laws of 1991, as added by section 9 of chapter 330 of the laws of 1991, as amended. For the purposes of computing allocations to municipalities, the amount distributed pursuant to section 16 of chapter 329 of the laws of 1991 shall be deemed to be $19,460,000. The amount distributed pursuant to section 16-a of chapter 329 of the laws of 1991 shall be deemed to be $39,337,000. Notwithstanding the provisions of any general or special law, the amounts deemed distributed in accordance with section 16 of chapter 329 of the laws of 1991 shall be adjusted so that such amounts will not be less than 13.421 percent of the "funding level" as defined in subdivision 5 of section 10-c of the highway law for each such municipality. In order to achieve the objectives of section 16 of chapter 329 of the laws of 1991, to the extent necessary, the amounts in excess of 13.421 percent of the funding level to be deemed distributed to each municipality under this paragraph shall be reduced in equal proportion. To the extent that the total of remaining payment allocations calculated herein varies from $58,797,000, the payment amounts to each locality shall be adjusted by a uniform percentage so that the total payments equal $58,797,000.

Payments shall be made on the fifteenth day of June, September, December and March.

15 By chapter 54, section 1, of the laws of 1991:
16 For state aid to municipal corporations, private airports as author-
17 ized by section 14-h of the transportation law and for payment of
18 the state share of federally aided projects at Stewart and Republic
19 Airports, for the acquisition, construction, reconstruction, and
20 improvement of airport or aviation capital projects, including the
21 acquisition of real property, pursuant to the transportation capital
22 facilities development act of 1967 notwithstanding any inconsistent
23 provisions of law, in accordance with the schedule set forth below.
24 The moneys hereby appropriated are to be made available for payment
25 of state aid to municipal corporations, private airports as author-
26 ized by section 14-h of the transportation law and for payment of
27 the state share of federally aided projects at Stewart and Republic
28 Airports, including payment of liabilities incurred prior to April
29 1, 1991, as defined in the transportation capital facilities devel-
30 opment act of 1967. The items shown in the project schedule below
31 shall be for projects with a common purpose and may be interchanged
32 without limitation subject to the approval of the director of the
33 division of the budget.
34 Prior to requesting approval of a certificate of approval of avail-
35 ability for the moneys hereby appropriated, the commissioner of
36 transportation shall certify that each airport or aviation project
37 progressed under the program categories listed in the schedule below
38 has received federal approval and the federally authorized level of
39 financial assistance.
40 No funds shall be allocated for projects at Stewart Airport that are
41 directly related to a private facility until the commissioner of
42 transportation enters into a written agreement, subject to the
43 approval of the director of the budget, with such private entity
44 providing that such entity is committed to locate its facilities at
45 Stewart airport and has arranged financing for the costs of
46 construction of such facilities.
47 Funds shall not be allocated for projects at Stewart airport from this
48 appropriation for infrastructure improvements or other development
purposes not directly related to a private facility until the 
commissioner of transportation has provided the director of the 
budget with the following projections to support any such allocation 
of funds: (a) effect on Stewart airport net operating revenues; (b) 
effect on new jobs for the state of New York; and (c) effect on net 
revenues of amortization of state capital expenditures. It is 
acknowledged that funds provided herein pursuant to the transporta-
tion capital facilities development act of 1967 are made available 
by repealing a portion of an appropriation for the payment of the 
state's share to the Niagara frontier transportation authority for 
construction, reconstruction, and improvement of airport or aviation 
capital projects at Buffalo international airport. It is the intent 
of the legislature that the repeal of such funds appropriated to the 
Niagara frontier transportation authority does not void the state's 
commitment to provide alternative state share funding sources to the 
authority to complete the airport or aviation capital projects at 
Buffalo international airport as originally provided by chapter 54, 
section 1, of the laws of 1982, as amended by chapter 54, section 3, 
of the laws of 1988. It is further the intent of the legislature 
that such alternative state share funding be provided to the author-
ity no later than March 31, 1993 (17439114) (53271) .................

Omnibus and Transit Purpose

By chapter 54, section 1, of the laws of 2020:
For state aid to municipal corporations for the preparation of
designs, plans, specifications and estimates, for the acquisition,
construction, reconstruction, and improvement of mass transportation
capital projects including the acquisition of real property, for
other mass transportation projects including local transportation
planning studies. Notwithstanding any inconsistent provisions of
law, the state share of such projects shall be 50 percent of the
non-federal share, but in no event shall the state share exceed 10
percent of project costs.
Notwithstanding any other provision of law, the commissioner of trans-
portation shall make available directly to the City of New York
(City) an amount commensurate with the state share of (i) federal
funds previously awarded to the City and reallocated to the metropolitan transportation authority (MTA), and (ii) the federally authorized level of financial assistance transferred by resolution of the metropolitan planning organization (MPO) to the metropolitan transportation authority (MTA) and credited to the City by the MTA for capital expenses.

The state share of such reimbursement shall be 50 percent of the non-federal share of the federally authorized level of financial assistance transferred to the MTA, but in no event shall the state share exceed 10 percent of project costs. Prior to requesting reimbursement for projects progressed by the MTA on behalf of the City, the City shall certify to the commissioner of transportation that each eligible project progressed under this provision is federally eligible and that the match amount requested does not exceed the state share of the federally authorized level of financial assistance. In addition, the City must provide an application to the commissioner of transportation certifying that the work to be funded under the project has been performed and that the City has reimbursed the MTA for 100 percent of the match amount for the project. Upon such application, the commissioner of transportation shall review and approve eligible activities for reimbursement.

Prior to requesting approval of a certificate of approval of availability for the moneys hereby appropriated, the commissioner of transportation shall certify that each omnibus project progressed under the program has received federal approval. Such certificate shall report the federally authorized level of financial assistance. Provided, however, that no obligations against, or spending from this appropriation shall be authorized unless the director of the division of the budget certifies that such obligations or spending can be accommodated within the State's multi-year financial plan without adversely affecting the funding available for (a) capital projects currently authorized that are deemed essential to the health and safety of the public, or (b) essential governmental services (17OM2029) (53252) .......................... 18,500,000 ................................. .......................... By chapter 55, section 1, of the laws of 2004, as amended by chapter 55, section 1, of the laws of 2010:

For the construction or improvement of highway, bridge and rail freight projects related to industrial access, including the acquisition of property and the payment of liabilities incurred prior to April 1, 2004. For the cost of the contract services provided by private firms, including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision; and appraisals, surveys, testing and environmental impact statements for transportation projects. No funds shall be allocated for such purposes until the commissioner of transportation enters into an agreement subject to the approval of the director of the budget with any public or private entity for the repayment of 40 percent of each project's costs disbursed from such funds. Such agreement shall require repayment within 5 years of the date of acceptance of the project by the department of transportation except that the repayment may occur over a period of up to 10 years when total project costs exceed $1,000,000. All projects must be approved by the director of the budget prior to the obligation of the moneys so appropriated.

The moneys so appropriated shall be made available pursuant to rules and regulations promulgated by the commissioner of transportation establishing the maximum amount of assistance to be provided for each project and the information that must be provided by the entity requesting assistance, establishing criteria for providing assistance from the moneys so appropriated and including standards for receiving of assistance including but not limited to the number of jobs created or maintained by the transportation improvement.

Notwithstanding any inconsistent provision of law, the commissioner of transportation may waive the requirement to repay 40 percent of the cost of a project provided that private funds are dedicated to the cost of such industrial access project and related economic development for at least 40 percent of the total cost of the industrial access project and related economic development and the industrial

designs, plans, specifications and estimates; construction manage-
ment and supervision; and appraisals, surveys, testing and environ-
mental impact statements for transportation projects. No funds shall
be allocated for such purposes until the commissioner of transporta-
tion enters into an agreement subject to the approval of the direc-
tor of the budget with any public or private entity for the repay-
ment of 40 percent of each project's costs disbursed from such
funds. Such agreement shall require repayment within 5 years of the
date of acceptance of the project by the department of transporta-
tion except that the repayment may occur over a period of up to 10
years when total project costs exceed $1,000,000. All projects must
be approved by the director of the budget prior to the obligation of
the moneys so appropriated.
The moneys so appropriated shall be made available pursuant to rules
and regulations promulgated by the commissioner of transportation
establishing the maximum amount of assistance to be provided for
each project and the information that must be provided by the entity
requesting assistance, establishing criteria for providing assist-
ance from the moneys so appropriated and including standards for
receiving of assistance including but not limited to the number of
jobs created or maintained by the transportation improvement.
Notwithstanding any inconsistent provision of law, the commissioner of
transportation may waive the requirement to repay 40 percent of the
cost of a project provided that private funds are dedicated to the
cost of such industrial access project and related economic develop-
ment for at least 40 percent of the total cost of the industrial
access project and related economic development and the industrial

By chapter 54, section 1, of the laws of 2020:

For the payment of the costs, including the payment of liabilities incurred prior to April 1, 2020, of state highways, parkways, bridges, the New York State Thruway, Indian reservation roads, and facilities for which the responsibility is vested with the state department of transportation including work appurtenant and ancillary thereto, for the state share of federally authorized high speed rail improvement projects, and for the cost of administrative services of the department of transportation and the cost of services provided by private firms; including the costs of preventive maintenance on state roads and bridges as defined in paragraph (a) of subdivision 1 of section 10-d of the highway law for contractual preventive main-
tenance services provided by private firms; and including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision, and appraisals, surveys, testing and environmental impact statements for transportation projects. Project costs funded from this appropriation may include but shall not be limited to construction, reconstruction, reconditioning and preservation, and preventive maintenance. Up to $5,000,000 of this appropriation may be used for traffic maintenance and traffic protection services provided by the division of state police.

With the approval of the director of the budget, the commissioner of transportation is authorized to enter into agreements with any municipality to finance local bridge projects through state nonfederally aided highway funds appropriated herein when the use of federal aid funds for such local bridge projects would not be cost effective and the federal aid and state matching funds saved as a result of the use of non-federal aid funds for local bridge projects are made available for bridge projects on the state highway system. The total amount of non-federally aided highway funds made available for local bridge projects from this appropriation shall not exceed $2,500,000 in state fiscal year 2020-21. Provided, however, that no obligations against, or spending from this appropriation shall be authorized unless the director of the division of the budget certifies that such obligations or spending can be accommodated within the State's multi-year financial plan without adversely affecting the funding available for (a) capital projects currently authorized that are deemed essential to the health and safety of the public, or (b) essential governmental services. Provided, however, that during state fiscal year 2020-21, the department of transportation shall, ten calendar days prior to the start of each quarter or as soon as practicable thereafter, provide to the director of the budget, the secretary of the senate finance committee, and the secretary of the assembly ways and means committee, a schedule of planned highway and bridge capital project lettings to take place during such quarter; and provided, further, that the projects to be let by the department may differ from the schedules so provided due to emergencies, environmental concerns, federal mandates, unforeseen conditions, design changes or other factors (53164).

For the payment of the costs, including the payment of liabilities incurred prior to April 1, 2020, of the acquisition of property related to construction, reconstruction, reconditioning and preservation, and preventive maintenance of state highways, parkways, bridges, the New York State Thruway, Indian reservation roads, and facilities for which the responsibility is vested with the state department of transportation. Provided, however, that no obligations against, or spending from this appropriation shall be authorized unless the director of the division of the budget certifies that

39  By chapter 54, section 1, of the laws of 2020:
40    For capital grants to municipalities under the municipal streets and highways program for repayment of eligible costs of federal aid municipal street and highway projects pursuant to section 15 of
chapter 329 of the laws of 1991, as added by section 9 of chapter
330 of the laws of 1991, as amended. The department of transport-
tion shall provide such information to the municipalities as may be
necessary to maintain the federal tax exempt status of any bonds,
notes, or other obligations issued by such municipalities to provide
for the non-federal share of the cost of projects pursuant to chap-
ter 330 of the laws of 1991 or section 80-b of the highway law.
Provided, however, that no obligations against, or spending from
this appropriation shall be authorized unless the director of the
division of the budget certifies that such obligations or spending
can be accommodated within the State's multi-year financial plan
without adversely affecting the funding available for (a) capital
projects currently authorized that are deemed essential to the
health and safety of the public, or (b) essential governmental
services (17MA2021) (54265) ... 39,700,000 ....... (re. $39,700,000)
For capital grants to municipalities under the consolidated local
street and highway improvement program:
The sum of $379,300,000 to counties, cities, towns and villages for
reimbursement of eligible costs of local highway and bridge projects
pursuant to sections 16 and 16-a of chapter 329 of the laws of 1991,
as added by section 9 of chapter 330 of the laws of 1991, as
amended. For the purposes of computing allocations to munici-
palities, the amount distributed pursuant to section 16 of chapter
329 of the laws of 1991 shall be deemed to be $125,540,000. The
amount distributed pursuant to section 16-a of chapter 329 of the
laws of 1991 shall be deemed to be $253,760,000. Notwithstanding the
provisions of any general or special law, the amounts deemed
distributed in accordance with section 16 of chapter 329 of the laws
of 1991 shall be adjusted so that such amounts will not be less than
86.579 percent of the "funding level" as defined in subdivision 5 of
section 10-c of the highway law for each such municipality. In order
to achieve the objectives of section 16 of chapter 329 of the laws
of 1991, to the extent necessary, the amounts in excess of 86.579
percent of the funding level to be deemed distributed to each munici-
pality under this subdivision shall be reduced in equal propor-
tion.
The sum of $58,797,000 to municipalities for reimbursement of eligible
costs of local highway and bridge projects pursuant to sections 16
and 16-a of chapter 329 of the laws of 1991, as added by section 9
of chapter 330 of the laws of 1991, as amended. For the purposes of
computing allocations to municipalities, the amount distributed
pursuant to section 16 of chapter 329 of the laws of 1991 shall be
deeomed to be $19,460,000. The amount distributed pursuant to section
16-a of chapter 329 of the laws of 1991 shall be deemed to be
$39,337,000. Notwithstanding the provisions of any general or
special law, the amounts deemed distributed in accordance with
section 16 of chapter 329 of the laws of 1991 shall be adjusted so
that such amounts will not be less than 13.421 percent of the "fundi-
ing level" as defined in subdivision 5 of section 10-c of the high-
way law for each such municipality. In order to achieve the objec-
tives of section 16 of chapter 329 of the laws of 1991, to the
extent necessary, the amounts in excess of 13.421 percent of the
funding level to be deemed distributed to each municipality under this paragraph shall be reduced in equal proportion. To the extent that the total of remaining payment allocations calculated herein varies from $58,797,000, the payment amounts to each locality shall be adjusted by a uniform percentage so that the total payments equal $58,797,000.

Payments shall be made on the fifteenth day of June, September, December and March. Provided, however, that no obligations against, or spending from this appropriation shall be authorized unless the director of the division of the budget certifies that such obligations or spending can be accommodated within the State's multi-year financial plan without adversely affecting the funding available for (a) capital projects currently authorized that are deemed essential to the health and safety of the public, or (b) essential governmental services (17CH2021) (54267) .........................

For capital grants to municipalities for extreme winter recovery:
The sum of $65,000,000 to municipalities for reimbursement of eligible costs of local highway and bridge projects pursuant to section 16-a of chapter 329 of the laws of 1991, as added by section 9 of chapter 330 of the laws of 1991, as amended. For the purposes of computing allocations to municipalities, the amount distributed pursuant to section 16-a of chapter 329 of the laws of 1991 shall be deemed to be $65,000,000. To the extent that the total of payment allocations calculated herein varies from $65,000,000, the payment amounts to each locality shall be adjusted by a uniform percentage so that the total payments equal $65,000,000.

Payments shall be made on the fifteenth day of June, September, December and March. Provided, however, that no obligations against, or spending from this appropriation shall be authorized unless the director of the division of the budget certifies that such obligations or spending can be accommodated within the State's multi-year financial plan without adversely affecting the funding available for (a) capital projects currently authorized that are deemed essential to the health and safety of the public, or (b) essential governmental services (17EW2021) (53160) ...................

For advance payment of the city of New York's share of the cost of
acquisition and construction of the South Bronx oak point link
subject to a written repayment agreement entered into by the city of
New York and the commissioner of transportation and approved by the
director of the budget, such repayment agreement to include a repay-
ment schedule which states the date or dates on which the city will
be notified of advance payments made and the date or dates on which
the advance shall be repaid to the state and such other terms and
conditions as determined by the director of the budget. The commis-
sioner of transportation, or such other person as the commissioner
shall designate, shall notify the city of New York in accordance
with a schedule to be determined in the repayment agreement of
payments made from this appropriation for the construction of the
South Bronx oak point link. The city of New York shall reimburse the
state of New York in full for all moneys advanced by the state from
this appropriation within 30 days of the date of such notification.
In the event that the city shall fail to make payment to the state for
any payment due and owing in accordance with the repayment agreement
entered into by the commissioner and the city of New York, the
commissioner or such other person as the commissioner shall desig-
nate shall certify to the state comptroller the amount due and owing
the state at the end of each period as specified in the repayment
agreement for which such amounts have been advanced by the state
from this appropriation and the state comptroller shall withhold an
equivalent amount from the next succeeding state aid allocated to
the city from highway aid, the motor fuel tax and the motor vehicle
registration fee distributed pursuant to section 10-c of the highway
law, or per capita local assistance pursuant to section 54 of the
state finance law subject to the following limitations: prior to
withholding amounts due the state from the city, the comptroller
shall pay in full any amount due the state of New York municipal
bond bank agency, on account of the city's obligation to such agen-
cy; the city university construction fund, pursuant to the
provisions of the city university construction fund act, the New
York city housing development corporation, pursuant to the
provisions of the New York city housing development corporation act
(article 12 of the private housing finance law); the transit

cle 5 of the public authorities law; and, pursuant to section 92-e
of the state finance law, any amounts necessary for payments to
holders of bonds or notes as certified by the municipal assistance
corporation for the city of New York created under article 10 of the
public authorities law. The comptroller shall give the director of
the budget notification of any such payment. Such amount or amounts
so withheld by the state comptroller shall be used for the repayment
of the state advances hereby authorized. When such amount or amounts
are received by the state, it shall credit such amounts against any
amounts due and owing by the city on whose account such was withheld

Provided that such investments may include, but are not limited to: renovations or expansions of space that is open to the public; modifications to provide for sustainable, energy efficient spaces that would result in overall energy and cost savings; technology and other equipment that will benefit the public; and accessibility renovations. Up to $10,000,000 shall be made available exclusively for small to midsize eligible nonprofit arts and cultural organizations. Funding from this appropriation shall be made available through a competitive process to be determined exclusively by the New York state council on the arts. The determination of this competitive process and guidelines shall be limited to the New York state council on the arts in consultation with the dormitory authority of the state of New York. The guidelines for the program and competitive process shall ensure that such funding is made available for uses throughout the state and takes...
into account regional distribution,
supports a range of grant awards including
a minimum grant of $50,000, and no match
requirements for organizations as deemed
appropriate by the New York state council
on the arts. Notwithstanding any incons-
sistent provision of law, the dormitory
authority shall be authorized to adminis-
ter this program and designated state
agencies shall provide all necessary
assistance.

Notwithstanding any inconsistent provision
of law, all or a portion of the funds
appropriated herein may be suballocated or

Preservation of Facilities Purpose

By chapter 54, section 1, of the laws of 2017:
The sum of $20,000,000 is hereby appropriated for payments and grants to eligible nonprofit human services organizations for the nonprofit infrastructure capital investment program. Such program shall provide for targeted investment for capital projects in such eligible nonprofit human services organizations to improve the quality, efficiency, and accessibility of nonprofit human services organizations that serve New Yorkers. Provided that such investments include, but are not limited to: technology upgrades related to improving electronic records, data analysis, or confidentiality; renovations or expansions of space used for direct program services; modifications to provide for sustainable, energy efficient spaces that result in overall energy and cost savings; and accessibility renovations. Provided further that such eligible nonprofit human services organizations are those which provide direct services to New Yorkers through state contracts, state authorized payments, and/or state payment rates. Provided further that nothing herein shall preclude a nonprofit human services organization that is otherwise eligible and that is located in publicly owned property from receiving a grant as long as such purpose and project would be otherwise eligible and such grant is not used for building or property maintenance or improvements, structural maintenance or improvements, or building systems maintenance or improvements. Funding from this appropriation shall be made available through a competitive process that shall include representatives from multiple state agencies to be determined by the director of the budget and the guidelines for the program and competitive process and such process shall also ensure that such funding is made available for uses throughout the state, and shall be subject to the approval of the director of the budget. Provided further that such proposals submitted by eligible nonprofit human services organizations shall include, at a minimum, the following: the amount of funds requested in relation to the size and scope of the proposed project and the number of clients who will benefit; a detailed description of the project, including projected costs including the sources and uses of funds, project completion timeline, and funds necessary at each stage of project completion; the extent to which the proposed project reflects a
necesary improvement or upgrade to continue to serve the nonprofit
human services organization's target population, or a population
they would be able to serve if such improvements or upgrades were
made; a statement that as of the effective date of this chapter,
construction had not begun and equipment had not been purchased for
such project; and if applicable, a statement whether the project has
received all necessary regulatory approvals or can demonstrate a
reasonable expectation that such approvals will be secured. Such
representatives from state agencies shall include, but not be limit-
ed to, the Office of Children and Family Services, the Office of
Temporary and Disability Assistance, the Office for People with
Developmental Disabilities, the Office of Mental Health, and for
purposes of this appropriation, shall also include the Dormitory
Authority of the State of New York and, notwithstanding any incon-
sistent provision of law, the Dormitory Authority shall be author-
ized to administer this program. All or a portion of the funds
appropriated herein may be suballocated or transferred to any
department, agency, or public authority (92NP1703) (80606) ........

By chapter 55, section 1, of the laws of 2016:
The sum of $50,000,000 is hereby appropriated for payments and grants
to eligible nonprofit human services organizations for the nonprofit
infrastructure capital investment program. Such program shall
provide for targeted investment for capital projects in such eligi-
ble nonprofit human services organizations to improve the quality,
efficiency, and accessibility of nonprofit human services organiza-
tions that serve New Yorkers. Provided that such investments
include, but are not limited to: technology upgrades related to
improving electronic records, data analysis, or confidentiality;
renovations or expansions of space used for direct program services;
modifications to provide for sustainable, energy efficient spaces
that would result in overall energy and cost savings; and accessi-
bility renovations. Provided further that such eligible nonprofit
human services organizations are those which provide direct services
to New Yorkers through state contracts, state authorized payments,
and/or state payment rates. Provided further that nothing herein
shall preclude a nonprofit human services organization that is
otherwise eligible and that is located in publicly owned property
from receiving a grant as long as such purpose and project would be
otherwise eligible and such grant is not used for building or prop-
erty maintenance or improvements, structural maintenance or improve-
ments, or building systems maintenance or improvements. Funding from
this appropriation shall be made available through a competitive
process that shall include representatives from multiple state agen-
cies to be determined by the director of the budget and the guide-
lines for the program and competitive process and such process shall
also ensure that such funding is made available for uses throughout
the state, and shall be subject to the approval of the director of
the budget. Provided further that such proposals submitted by eligi-
ble nonprofit human services organizations shall include, at a minimum, the amount of funds requested in relation to the size and scope of the proposed project and the number of clients who will benefit; a detailed description of the project, including projected costs including the sources and uses of funds, project completion timeline, and funds necessary at each stage of project completion; the extent to which the proposed project reflects a necessary improvement or upgrade to continue to serve the nonprofit human services organization's target population, or a population they would be able to serve if such improvements or upgrades were made; a statement that as of the effective date of this chapter, construction had not begun and equipment had not been purchased for such project; and if applicable, a statement whether the project has received all necessary regulatory approvals or can demonstrate a reasonable expectation that such approvals will be secured. Such representatives from state agencies shall include, but not be limited to, the Office of Children and Family Services, the Office of Temporary and Disability Assistance, the Office for People with Developmental Disabilities, the Office of Mental Health, and for purposes of this appropriation, shall also include the Dormitory Authority of the State of New York and, notwithstanding any inconsistent provision of law, the Dormitory Authority shall be authorized to administer this program. NEW YORK STATE SPECIAL INFRASTRUCTURE ACCOUNT (CCP)

By chapter 54, section 1, of the laws of 2017:
For services and expenses, loans, grants, and costs associated with program administration, of projects and purposes authorized by section 93-b of the state finance law to receive funding from the dedicated infrastructure investment fund - infrastructure investment account, including the payment of liabilities incurred prior to April 1, 2017; provided however, that loans or grants under this appropriation to a private corporation, association or enterprise shall only be made or given by a public corporation or authority. All or a portion of the funds appropriated hereby may be suballocated or transferred to any department, agency, or public authority, according to the following:
To prepare for, prevent, deter, or respond to acts of terrorism; natural or man-made disasters, including severe weather events; risks to public safety, health, and/or other emergencies (93SC17SP) (80620) ... 100,000,000 .................. (re. $2,713,000)

By chapter 55, section 1, of the laws of 2016, as amended by chapter 54, section 1, of the laws of 2017:
Transportation infrastructure and facilities in the five-year department of transportation plan for 2015-16 through 2019-20, for the payment of costs, including the payment of liabilities incurred prior to April 1, 2016, of transportation infrastructure projects, including but not limited to, state and local roads and bridges; airport, freight and passenger rail, port and transit projects or multi-modal facilities, including work appurtenant and ancillary thereto. Project costs funded from this appropriation may include but shall not be limited to construction, reconstruction, reconditioning and preservation, the acquisition of property, and engineering services, including personal services, nonpersonal services, fringe benefits, the contract services provided by private firms, and reimbursements to the dedicated highway and bridge trust fund.
and capital projects funds, for activities including but not limited
to, the preparation of designs, plans, specifications and estimates;
construction management and supervision; and appraisals, surveys,
testing and environmental impact statements for transportation
infrastructure projects. Notwithstanding section 93 of the state
finance law or any other law, rule or regulation to the contrary,
all or a portion of the funds appropriated herein may be (i) inter-
changed, (ii) suballocated to the Department of Transportation, or
(iii) transferred from this appropriation to any other capital
projects appropriation or appropriations of the Department of Trans-
portation (931316SP) (79995) ... 200,000,000 ..... (re. $11,768,000)
The sum of $170,000,000 is hereby appropriated for additional upstate
revitalization initiative projects. Funds appropriated herein shall
be for services and expenses, loans, grants, workforce development,
business and tourism plan development, costs associated with program
administration, and the payment of personal services, nonpersonal
services and contract services provided by private firms to support
economic development projects. Funding will be pursuant to a plan
developed by the chief executive officer of the New York state urban
development corporation and will support initiatives based on antic-
ipated job creation and economic development benefits. Funds shall
not be available from this appropriation for projects within regions
that were Upstate Revitalization Initiative 2015 Best Plan Awardees
or eligible to receive funding from the Buffalo Regional Innovation
Cluster Program. Such moneys will be awarded by the New York state
urban development corporation at its discretion (931216SP) (79996)
... 170,000,000 ........................................ (re. $170,000,000)
The sum of $85,000,000 is hereby appropriated for services and
expenses, loans, grants, and costs associated with economic develop-
ment or infrastructure projects (931416SP) (79992) .................
85,000,000 ........................................ (re. $85,000,000)
Notwithstanding any inconsistent provision of law, the sum of
$1,000,000,000 is hereby appropriated for services and expenses,
grants and loans associated with the Jacob Javits Convention Center
expansion project (931516SP) (85001) .........................
1,000,000,000 ................................ (re. $104,785,000)
For services and expenses related to the empire state poverty
reduction initiative. Funds appropriated herein shall be made avail-
able for sixteen local anti-poverty task forces in municipalities,
or a borough, with high rates of poverty as determined by the U.S.
Census Bureau's 2010-14 American Community Survey Five-year Esti-
mate: Albany, the Bronx, Binghamton, Buffalo, Elmira, Hempstead,
Jamestown, Newburgh, Niagara Falls, Oneonta, Oswego, Rochester,
Syracuse, Troy, Utica and Watertown. Provided that, except in muni-
cipalities where a state-funded anti-poverty task force or initi-
atiative already exists and is receiving or has received State funding
for such purpose, the mayor of each municipality, or in the case of
the Bronx, the borough president, will select a not-for-profit
organization that provides services in the municipality, or in the
case of the Bronx, the borough, to serve as the local coordinator of
each such local task force. Provided further that, except in munici-
palities where a state-funded antipoverty task force or initiative
already exists and is receiving or has received funding, each such
taskforce shall make efforts to be comprised of, but not limited to,
the following members: representatives from municipal, county,
and/or state government; individuals who have lived in or currently
live in households in poverty; individuals and advocates represent-
ing local not-for-profit and community organizations; represen-
tatives from local school districts; and representatives from local
social services districts. Of the funds appropriated herein, the
amount available for each local anti-poverty task force shall be
determined based on the number of people in each municipality, or a
borough, who are living in poverty as determined by the U.S. Census
Bureau's 2010-14 American Community Survey Five-year Estimate
provided that each local anti-poverty task force shall be eligible
to receive funding in the following amounts: municipalities with
fewer than 5,000 individuals in poverty shall each be eligible to
receive $500,000; municipalities with between 5,000 and 10,000 indi-
viduals in poverty shall each be eligible to receive $1,000,000;
municipalities with between 10,000 and 40,000 individuals in poverty
shall each be eligible to receive $1,500,000; and municipalities, or
a borough, with more than 40,000 individuals in poverty shall each
be eligible to receive $2,750,000. Funds appropriated herein shall
be available to support the work of each anti-poverty task force and
such work shall be divided into two phases. During the first phase,
the mayor of the municipality, or in the case of the Bronx, the
borough president, will select a not-for-profit organization that
has demonstrated successful performance working with community
stakeholders and achieving objectives specified herein, to coordi-
nate the local antipoverty task force. The not-for-profit organiza-
tion serving as coordinator will assemble the antipoverty task force
using the criteria outlined above. Provided further that, with
guidance and oversight of the commissioner of the office of tempo-
rary and disability assistance, each local anti-poverty task force
shall use data to identify high need issues and neighborhoods within
the municipality, or in the case of the Bronx, the borough; identify
problems that are common in neighborhoods throughout the munici-
pality, or in the case of the Bronx, the borough; receive input from
local residents; use data and resident input to select one or more
focus areas related to either one or more issues or one or more
neighborhoods; and develop a plan for how funding will be targeted
toward the identified issues or neighborhoods. Such focus areas may
include, but are not limited to: providing public assistance recipients opportunities to partic-
ipate in enhanced work activities that either provide recognized
credentialing or enhanced career readiness or job training for
better linkage to potential employment; assisting families in pov-
erty through services provided to parents and children; and addressing
chronic homelessness or housing insecurity. Such plan must include
measurable objectives and a timeframe for completion and shall be
submitted for approval to the commissioner of the office of tempo-
rary and disability assistance. Of the total amount made available
to each anti-poverty task force, the lesser of $300,000 or 20
percent of the total award may be used to carry out planning and
administration, provided however, that the amount used for planning
and administration may exceed such limitation if such amount is
approved by the commissioner of the office of temporary and disabil-
ity assistance as part of the plan required herein. Upon receiving
approval from the commissioner of the office of temporary and disa-
bility assistance, each such anti-poverty task force shall commence
the second phase of its work, which will support the implementation
of the plan developed during the first phase. Funding appropriated
herein shall be made available to the not-for-profit organization
serving as coordinator and its use shall be restricted to purposes
or initiatives that do not necessitate ongoing state financial
support. Such anti-poverty task forces shall be encouraged to secure
match funding from private sector and foundation sources to supple-
ment the funds appropriated herein and provided further that any
funding provided from this appropriation shall not be used to
supplant funding for programs already in existence. Such funds may
be made available pursuant to a plan approved by the director of the
budget (931A16SP) (79994) ... 25,000,000 ............ (re. $5,572,000)
Notwithstanding any inconsistent provision of law, in support of a
comprehensive statewide multi-year housing program to prevent and
address homelessness across the State, funds appropriated herein may
be used in conjunction with other resources made available as part
of the state fiscal year 2016-17 and 2017-18 local assistance, capital
and state operations budget to support various programs to
support homeless individuals and youth or individuals and youth at
risk of becoming homeless, including but not limited to, a statewide
multiagency supportive housing program to provide housing and
support services for vulnerable New Yorkers including but not limit-
ed to seniors, veterans, victims of domestic violence, formerly
incarcerated individuals, individuals diagnosed with HIV/AIDS and
homeless individuals with copresenting health conditions, eligible
services to runaway and homeless youth, and for services to meet the
emergency needs of homeless individuals and families (931116SP)
(79993) ... 50,000,000 ........................... (re. $17,244,000)
Municipal consolidation competition, for payments for capital and
other expenses related to the implementation of: consolidations,
dissolutions, mergers, or other permanent changes in governing
structures; shared services, cooperation agreements, or other effi-
ciencies; or other actions that reduce operational costs or property
tax burdens on a permanent basis, as selected through a competitive
application process developed by the secretary of state (931016SP)

of the healthy food / healthy communities initiative pursuant to
section 16-s of the urban development corporation act, provided such
projects are included in a strategic plan submitted for funding
under the downtown revitalization program; and for payments of
grants, awards, and aid provided through the local government effi-
ciency grant program, the citizen empowerment tax credit, local
government citizens reorganization empowerment grant program, and
the local government performance and efficiency program, as author-
ized by section 54 of the state finance law (930215SP) (80618) ...
Grants to essential health care providers shall be available upon
determination of the commissioner of health without a competitive
bid or request for proposal process to support debt retirement and
capital projects or non-capital projects that facilitate health care
transformation, including mergers, consolidation, acquisition or
other significant corporate restructuring activities intended to
create a financially sustainable system of care that promotes a
patient-centered model of health care delivery. Grants shall not be
available to support general operating expenses. For purposes of
this appropriation, an essential health care provider is a hospital
or hospital system that, in the discretion of the commissioner of
health, offers health services within a defined and isolated
geographic region where such services would otherwise be unavailable
to the population of such region.
Notwithstanding any other provision of law to the contrary, up to
$83,500,000 appropriated herein may be available for the health
facility restructuring program pursuant to section 2815 of the
public health law.
