AN ACT making appropriations for the support of government

CAPITAL PROJECTS BUDGET

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. a) The several amounts specified in this chapter for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes, and projects designated by the appropriations, and authorized to be made available as hereinafter provided to the respective public officers; such appropriations shall be deemed to provide all costs necessary and pertinent to accomplish the intent of the appropriations and are appropriated in accordance with the provisions of section 93 of the state finance law.

b) Any amounts specified in this chapter for advances for capital projects, or so much thereof as shall be necessary to accomplish the

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [−] is old law to be omitted. LBD12554-09-1
purpose of the appropriations, are appropriated by comprehensive
construction programs (hereinafter referred to by the abbreviation CCP),
purposes and projects designated by the appropriations as advances from
the capital projects fund in accordance with the provisions of sections
40-a and 93 of the state finance law, and are authorized to be paid as
hereinafter provided as an advance for a share, part or whole of the
cost for such programs, purposes and projects hereinafter specified.
c) The several amounts specified in this chapter as capital projects -
reappropriations, or so much thereof as shall be sufficient to accom-
plish the purpose of the appropriations, as appropriated by comprehen-
sive construction programs (hereinafter referred to by the abbreviation
CCP), purposes, and projects, being the undisbursed and/or unexpended
balances of the prior year's appropriations, are reappropriated and
unless otherwise amended or repealed in part or total in this chapter
shall continue to be available for the same purposes as the prior appro-
priations or as otherwise amended for the fiscal year beginning April 1,
2021.
The capital projects reappropriations contained in this chapter may be
amended by repealing the items set forth in brackets and by adding ther-
eto the underscored material. Certain reappropriations in this chapter
are shown using abbreviated text, with three leader dots (an ellipsis)
followed by three spaces (....) used to indicate where existing law
that is being continued is not shown. However, unless a change is clear-
ly indicated by the use of brackets [ ] for deletions and underscores
for additions, the purpose, amounts, funding source and all other
aspects pertinent to each item of appropriation shall be as last appro-
priated.
For the purpose of complying with section 25 of the state finance law,
the year, chapter and section of the last act reappropriating a former
original appropriation or any part thereof is, unless otherwise indi-
cated, chapter 54, section 1, of the laws of 2020.
d) No moneys appropriated by this chapter shall be available for
payment until a certificate of approval has been issued by the director
of the budget, who shall file such certificate with the department of
audit and control, the chairperson of the senate finance committee and
the chairperson of the assembly ways and means committee.
e) Notwithstanding any provision of law to the contrary, prior to the
expenditure of any funds received by the Federal government in response
to the COVID-19 public health emergency pursuant to the authority grant-
ed in any appropriation set forth herein, the director of the budget may
require that the agency or public authority making such expenditures
submit an allocation plan to the director of the budget for approval.
Approved allocation plans shall be provided to the president pro tempore
of the senate and the speaker of the assembly within 30 days of
approval. Such allocation plan must comport with any minimum Federal
requirements for the expenditure of such funds.
f) Notwithstanding any provision contained herein or any other law to
the contrary, the budget director may withhold up to 50 percent of funds
appropriated herein, including amounts that are to be paid on specific
dates prescribed in law or regulation, from any local government entity
which has a police agency operating with police officers as defined
under section 1.20 of the criminal procedure law who, by April 1, 2021,
fails to submit to the budget director the certification required by
Executive Order 203 issued on June 12, 2020 and titled "New York State
Police Reform and Reinvention Collaborative". The Director of the Budget
shall discontinue and reverse any withholds made pursuant to this
provision upon receipt of the certification required by Executive Order 203. To the extent the State is obligated to make payment to any local government entity which has a police agency operating with police officers as defined under section 1.20 of the criminal procedure law pursuant to any appropriation contained herein, such obligation shall be reduced commensurate with the amount of payments withheld for the amount of time such payments are withheld by the director of the budget pursuant to this provision.

g) The appropriations contained in this chapter shall be available for the fiscal year beginning on April 1, 2021 except as otherwise noted.

NON-PUBLIC SCHOOL TECHNOLOGY PROJECTS (CCP)

Capital Projects Funds - Other
Capital Projects Fund - 30000
Program Improvement/Change Purpose

By chapter 54, section 1, of the laws of 2017:
For payment of the costs of capital projects undertaken by or on behalf of school districts for the acquisition of smart schools classroom technology to be loaned to children attending a nonpublic school located in the school district, except a nonpublic school to which tuition is paid under articles 85 or 89 of the education law, in accordance with the requirements of section 755 of the education law and guidelines developed by the commissioner of education, in connection with the smart schools investment plans first submitted to the education department prior to April 15, 2017 and approved by the smart schools review board pursuant to subdivision 16 of section 3641 of the education law.

Each school district shall be eligible to receive an allocation from the funds appropriated herein equal to the product of the enrollment of all such nonpublic schools in the 2014-15 school year multiplied by the per pupil amount, provided that the liability of the state and the amount to be distributed or otherwise expended by the state to provide such loans shall be limited to the amount appropriated herein. The per pupil amount shall equal the quotient of (i) the amount budgeted by such school district in its approved smart schools investment plan for servers, wireless access points and other portable connectivity devices to be acquired as part of a school connectivity project, divided by (ii) the total public and
nonpublic school enrollment in such school district in the 2014-15 school year.

Provided further that no school district shall be eligible to receive an allocation to support the loan of smart schools classroom technology in an aggregate amount greater than $250 multiplied by the nonpublic school enrollment in the 2014-15 school year.

Notwithstanding paragraph b of subdivision 16 of section 3641 of the education law, the commissioner of education shall distribute funds appropriated pursuant to this paragraph upon approval of an application made by the school district. Requests to the school district for loan of smart schools classroom technology to be acquired with the funds appropriated herein shall be made in accordance with the requirements of subdivision 3 of section 755 of the education law (11NP1708) (55959) ... 25,000,000 .......... 28 By chapter 55, section 1, of the laws of 2003:
29 For water resources purposes, shall be available for the state share
30 of the costs of water quality improvement projects, as defined in
31 section 56-0101 of the environmental conservation law, to implement
32 the Long Island Sound Comprehensive Conservation Management Plan
33 consistent with paragraph (b) of subdivision 1 of section 56-0303 of
34 the environmental conservation law, and to implement wastewater
35 treatment improvement projects in small upstate communities
36 (09650357) (24890) ... 8,168,000 ................. (re. $543,000)

37 By chapter 54, section 1, of the laws of 2002:
38 For water resources purposes, shall be available for the state share
39 of the costs of water quality improvement projects, as defined in
40 section 56-0101 of the environmental conservation law, to implement
41 the Long Island Sound Comprehensive Conservation Management Plan
42 consistent with paragraph (b) of subdivision 1 of section 56-0303 of
43 the environmental conservation law, and to implement wastewater
44 treatment improvement projects in small upstate communities
45 (09650257) (24890) ... 4,900,000 ................. (re. $668,000)
By chapter 54, section 1, of the laws of 1990, as amended by chapter 54, section 1, of the laws of 2002:
For the state share of the costs of construction of water quality improvement projects, including the payment of liabilities incurred prior to April 1, 1990, in accordance with the provisions of title 3 of article 51 of the environmental conservation law as amended, to provide state matching funds for projects scheduled to receive construction grants from federal fiscal years 1989 and 1990 funds, including costs incidental and appurtenant thereto, hereinafter referred to as "Water Quality Improvement Disbursements."
Notwithstanding the provisions of any general or special law, the moneys hereby appropriated shall be available for water quality improvement expenditures for eligible water quality improvement projects as defined by section 51-0303 of the environmental conservation law upon the issuance of a certificate of approval of availability by the director of the division of the budget. No such certificates of approval of availability shall be issued for or include funds for projects which have not received a federal grant for the construction of sewage treatment related facilities.
Notwithstanding the provisions of any general or special law, the amounts hereby appropriated shall have all disbursements reimbursed from the Pure Waters Bond Act proceeds authorizations and are contingent upon the partial repeal of existing capital projects fund authorizations elsewhere in this chapter. The state comptroller shall at the commencement of each month certify to the director of the division of the budget, the commissioner of environmental conservation, the chairman of the senate finance committee, and the chairman of the assembly ways and means committee the amounts disbursed from this appropriation for Water Quality Improvement Disbursements for the month preceding such certification (09019057) (24891) ... 4,609,600 ......................... (re. $1,466,000)

By chapter 54, section 1, of the laws of 1988, as amended by chapter 55, section 1, of the laws of 2003:
For the state share of the costs of construction of water quality improvement projects, including the payment of liabilities incurred prior to April 1, 1988, in accordance with the provisions of title 3 of article 51 of the environmental conservation law as amended, to provide a reserve to supplement or fund additional phases of projects previously appropriated and scheduled on or after May 12, 1965.
Notwithstanding the provisions of any general or special law, the moneys hereby appropriated shall be made available from the Pure Waters Bond Act authorizations and are contingent upon the repeal of existing authorizations elsewhere in this chapter.
Notwithstanding the provisions of any general or special law, the amounts hereby appropriated shall not be made available until the director of the division of the budget issues a certificate of
approval of availability with a schedule of approved and previously authorized projects for which such funds shall be used. No such certificates of approval of availability shall be issued for or include funds for projects which have not received a federal grant for the construction of sewage treatment related facilities. The state comptroller shall at the commencement of each month certify to the director of the division of the budget, the commissioner of environmental conservation, the chairman of the senate finance committee, and the chairman of the assembly ways and means committee the amounts disbursed from this appropriation for Water Quality Improvement Disbursements for the month preceding such certification.

By chapter 54, section 1, of the laws of 1984, as amended by chapter 55, section 1, of the laws of 2006:

For the state share of the costs of construction of water quality improvement projects, including the payment of liabilities incurred prior to April one, nineteen hundred eighty-four, in accordance with the provisions of title three of article fifty-one of the environmental conservation law as amended, for projects previously appropriated and scheduled on or after April one, nineteen hundred seventy-two.

Notwithstanding the provisions of any general or special law, the moneys hereby appropriated shall be available for water quality improvement expenditures for any project scheduled in appropriation bills on or after April one, nineteen hundred seventy-two.

Notwithstanding the provisions of any general or special law, the amounts hereby appropriated shall be made available from the Pure Water Bond Act authorizations and are contingent upon the repeal of existing authorizations elsewhere in this chapter.

Notwithstanding the provisions of any general or special law, the moneys hereby appropriated shall not be made available until the director of the division of the budget issues a certificate of approval of availability with a schedule of approved and previously authorized projects for which such funds shall be used. No such certificates of approval of availability shall be issued for or include funds for projects which have not received a federal grant for the construction of sewage treatment related facilities.

By chapter 79, section 14, of the laws of 1970, as amended by chapter 55, section 1, of the laws of 2006:

Notwithstanding the provisions of chapter 657 of the laws of 1982 to the contrary, the sum of two hundred eighty million nine hundred thirty-four thousand dollars ($280,934,000), or so much thereof as may be necessary, is hereby appropriated from the Capital Projects Fund to the department of environmental conservation for the payment of the nonmunicipal share of the cost of construction of sewage treatment works in the manner and to the extent specified in section 17-1903 of the Environmental Conservation Law.

Notwithstanding the provisions of any general or special law, no part of this appropriation made hereby shall be available until a certif-

55, section 1, of the laws of 2003:
The sum of two hundred eighty-six million three hundred thirty-four
thousand dollars ($286,334,000), or so much thereof as may be neces-
sary, is hereby appropriated from the Capital Projects Fund to the
department of environmental conservation for the payment of the
nonmunicipal share of the cost of construction of sewage treatment
works in the manner and to the extent specified in section 17-1903
of the Environmental Conservation Law.
Notwithstanding the provisions of any general or special law, no part
of the appropriation made hereby shall be available until a certif-
icate of approval of availability shall have been issued by the
director of the budget and a copy of such certificate filed with the
state comptroller, the chairman of the senate finance committee and
the chairman of the assembly ways and means committee. Such certif-
icate may be amended from time to time by the director of the budget
and a copy of each such amendment shall be filed with the state

HEALTH CARE FACILITY TRANSFORMATION PROGRAM (CCP)
By chapter 54, section 1, of the laws of 2018, as amended by chapter 314, section 1, of the laws of 2019:

For payments and grants to support health care facility transformation statewide. Notwithstanding section 163 of the state finance law or any other provision of law to the contrary, this appropriation may be used to fund payments and or grants, including up to $5,000,000 to regional perinatal care centers or other health providers to establish telehealth applications, made by the commissioner of health in his or her sole discretion, without a competitive bid or request for proposal process, to eligible applicants as determined by the commissioner of health for the purposes that strengthen and protect continued access to health care services in communities including but not limited to children's residential treatment facilities. Such purposes may include debt retirement and capital projects or non-capital projects that facilitate health care transformation activities including, merger, consolidation, acquisition or other activities intended to: create financially sustainable systems of care; preserve or expand essential health care services; modernize obsolete facility physical plants and infrastructure; foster participation in alternative payment arrangements, including but not limited to contracts with managed care plans and accountable care organizations; increase the quality of resident care or experience in residential health care facilities; or improve health information technology infrastructure, including telehealth, to strengthen the acute, post-acute care, primary care, and longterm care continuum. Grants shall not be available to support general operating expenses.

The commissioner and the president of the dormitory authority of the state of New York shall enter into an agreement, subject to the approval of the director of the budget, and subject to section 1680-r of the public authorities law, for the purposes of awarding, distributing, and administering the funds made available pursuant to this appropriation.

In determining awards for eligible applicants under this appropriation, the commissioner of health shall consider criteria including, but not limited to:

(a) The extent to which the proposed project will contribute to the integration of health care services or the long term sustainability of the applicant or preservation of essential health services in the community or communities served by the applicant;

(b) The extent to which the proposed project or purpose is aligned with delivery system reform incentive payment ("DSRIP") program goals and objectives;

(c) The geographic distribution of funds;

(d) The relationship between the proposed project and identified community need;

(e) The extent to which the applicant has access to alternative financing;
(f) The extent to which the proposed project furthers the development of primary care and other outpatient services;
(g) The extent to which the proposed project benefits medicaid enrollees and uninsured individuals;
(h) The extent to which the applicant has engaged the community affected by the proposed project and the manner in which community engagement has shaped such project; and
(i) The extent to which the proposed project addresses potential risk to patient safety and welfare.

Notwithstanding any inconsistent provision of law to the contrary, and upon approval of the director of the budget, the commissioner may award up to $300,000,000 of the funds made available pursuant to this appropriation for unfunded project applications submitted in response to the request for applications number 17648 issued by the department on January 8, 2018 pursuant to section 2825-e of the public health law.

Authorized amounts to be awarded pursuant to applications submitted in response to the request for application number 17648 shall be awarded no later than September 1, 2019.

The department shall provide a report on a quarterly basis to the chairs of the senate finance, assembly ways and means, and senate health and assembly health committees, until such time as the department determines that the projects that receive funding pursuant to this appropriation are substantially complete. Such reports shall be submitted no later than sixty days after the close of the quarter, and shall include, for each award, the name of the applicant, a description of the project or purpose, the amount of the award, disbursement date, and status of achievement of process and performance metrics and milestones pursuant to subdivision 6 of section 2825-f of the public health law.

Within amounts appropriated herein, a minimum of $45,000,000 shall be made available for grant awards to residential health care facilities, up to $20,000,000 may be made available for grant awards made pursuant to paragraphs (l) and (m) of subdivision 3 of section 461-l of the social services law, pursuant to criteria to be determined by the commissioner and a minimum of $60,000,000 shall be made available for grant awards to community-based health care providers which shall be defined as a diagnostic and treatment center licensed or granted an operating certificate under article 28 of the public health law, a mental health clinic licensed or granted an operating certificate under article 31 of the mental hygiene law, a substance use disorder treatment clinic licensed or granted an operating certificate under article 32 of the mental hygiene law, a primary care provider, a home care provider certified or licensed pursuant to article 36 of the public health law, a facility granted an operating certificate under article 16 of the mental hygiene law or hospices licensed or granted an operating certificate pursuant to article 40 of the public health law.

The dormitory authority may issue bonds for such purposes up to the amount appropriated herein. No expenditures may be made from this appropriation to a facility until a facility specific plan has been submitted to the department of health and has been approved by the
By chapter 54, section 1, of the laws of 2017, as transferred by chapter 54, section 1, of the laws of 2018:

For payments and grants to support health care facility transformation statewide for capital, non-operational works. Notwithstanding section 163 of the state finance law or any other provision of law to the contrary, this appropriation may be used to fund payments and or grants made by the commissioner of health in his or her sole discretion, without a competitive bid or request for proposal process, to eligible applicants as determined by the commissioner of health for purposes in support of essential health care services. Such purposes may include debt retirement and capital projects or non-capital projects that facilitate health care transformation, including mergers, consolidation, acquisition or other corporate restructuring activities intended to create a financially sustainable system of care that promotes a patient-centered model of health care delivery or preserves or expands essential health care services. Grants shall not be available to support general operating expenses.

The commissioner and the president of the dormitory authority of the state of New York shall enter into an agreement, subject to the approval of the director of the budget, and subject to section 1680-r of the public authorities law, for the purposes of awarding, distributing, and administering the funds made available pursuant to this appropriation.

In determining awards for eligible applicants under this appropriation, the commissioner of health shall consider stakeholder, community, and legislative input pursuant to subdivision 4-a of section 2825-e of the public health law criteria including, but not limited to:

(a) the extent to which the proposed project will contribute to the integration of health care services or the long term sustainability of the applicant or preservation of essential health services in the community or communities served by the applicant;

(b) The extent to which the proposed project or purpose is aligned with delivery system reform incentive payment ("DSRIP") program goals and objectives;

(c) Consideration of geographic distribution of funds;

(d) The relationship between the proposed project and identified community need;

(e) The extent to which the applicant has access to alternative financing;

(f) The extent that the proposed project furthers the development of primary care and other outpatient services;

(g) The extent to which the proposed project benefits medicaid enrollees and uninsured individuals;

(h) The extent to which the applicant has engaged the community affected by the proposed capital project and the manner in which community engagement has shaped such capital project; and
(i) The extent to which the proposed project addresses potential risk to patient safety and welfare.

Notwithstanding any inconsistent provision of law to the contrary, and upon approval of the director of the budget, the commissioner of health may award up to $300,000,000 of the funds made available pursuant to this appropriation for unfunded project applications submitted in response to the request for applications number 1607010255 issued by the department on July 20, 2016 pursuant to section 2825-d of the public health law.

The department shall provide a report on a quarterly basis to the chairs of the senate finance, assembly ways and means, and senate health and assembly health committees. Such reports shall be submitted no later than 60 days after the close of the quarter, and shall include, for each award, the name of the applicant, a description of the project or purpose, the amount of the award, disbursement date, and status of achievement of process and performance metrics and milestones pursuant to subdivision 5 of section 2825-e of the public health law.

Within amounts appropriated herein, the director of the budget is authorized to make a determination to fund up to $200,000,000 for grant awards which are not eligible to be funded with the proceeds of bonds issued pursuant to section 1680-r of the public authorities law.

Within amounts appropriated herein, $50,000,000 shall be made available for grant awards to Montefiore medical center, and a minimum of $75,000,000 shall be made available for grant awards to community-based health care providers which shall be defined as a diagnostic and treatment center licensed or granted an operating certificate under article 28 of the public health law, a mental health clinic licensed or granted an operating certificate under article 31 of the mental hygiene law, an alcohol and substance abuse treatment clinic licensed or granted an operating certificate under article 32 of the mental hygiene law, a primary care provider, or a home care provider certified or licensed pursuant to article 36 of public health law.

The dormitory authority may issue bonds for such purposes up to the amount appropriated herein. No expenditures may be made from this appropriation to a facility until a facility specific plan has been submitted to the department of health and has been approved by the director of the budget (12SW17HE) (26668) ......................... 500,000,000 ......................... outdated facilities as part of a merger, consolidation, acquisition or other significant corporate restructuring activity that is part of an overall transformation plan intended to create a financially sustainable system of care that promotes a patient-centered model of health care delivery aimed at improving the overall health and well-being of a community. Eligible applicants shall be those deemed by the commissioner to be a provider that fulfills or will fulfill a health care need for acute inpatient, outpatient, primary, home care or residential health care services in a community. The commissioner and the president of the dormitory authority of the state of New York shall enter into an agreement, subject to the approval of the director of the budget, and subject to section 1680-r of the public authorities law, for the purposes of awarding, distributing, and administering the funds made available pursuant to this appropriation. In determining awards for eligible applicants under this appropriation, the commissioner of health and the president of the authority shall consider criteria including, but not limited to:

(a) the extent to which the proposed capital project will contribute to the integration of health care services and long term sustainability of the applicant or preservation of essential health services in the community or communities served by the applicant;
(b) the extent to which the proposed project or purpose is aligned with delivery system reform incentive payment ("DSRIP") program goals and objectives;
(c) consideration of geographic distribution of funds;
(d) the relationship between the proposed capital project and identified community need;
(e) the extent to which the applicant has access to alternative financing;
(f) the extent that the proposed capital project furthers the development of primary care and other outpatient services;
(g) the extent to which the proposed capital project benefits medicaid enrollees and uninsured individuals;
(h) the extent to which the applicant has engaged the community affected by the proposed capital project and the manner in which community engagement has shaped such capital project; and
(i) the extent to which the proposed capital project addresses potential risk to patient safety and welfare.

Disbursement of awards made pursuant to this appropriation shall be conditioned on the awardee achieving certain process and performance metrics and milestones as determined in the sole discretion of the commissioner. Such metrics and milestones shall be structured to ensure that the health care transformation and provider sustainability goals of the project are achieved, and such metrics and milestones shall be included in grant disbursement agreements or other contractual documents as required by the commissioner.

The department shall provide a report on a quarterly basis to the chairs of the senate finance, assembly ways and means, senate health and assembly health committees. Such reports shall be submitted no later than sixty days after the close of the quarter, and shall include, for each award, the name of the applicant, a description of the project or purpose, the amount of the award, disbursement date,

The appropriation made by chapter 55, section 1, of the laws of 2016, as amended by chapter 54, section 1, of the laws of 2020, is hereby amended and reappropriated to read:
In support of a comprehensive, statewide multi-year housing program. The commissioner shall provide, in electronic excel format or as requested by the Legislature, an annual report to the director of the budget, the speaker of the Assembly, and the temporary president of the Senate, on or before July 1 of each year, that summarizes the activities undertaken pursuant to the funding made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp). Such annual report shall be cumulative and shall include an itemized list of each project utilizing funds appropriated by the 2016-17 and 2017-18 state fiscal year housing program (ccp), including a brief description of the project, street address, county, awardee, total budget, amount of capital subsidy appropriated by the housing program (ccp), relevant section of the housing program (ccp), bonded or cash, amount of each additional public funding source, funding program, number of units, area median income requirements if applicable, month and year construction will commence, projected date of occupancy, and project phase (in development, engineering, construction, complete, defunded). Such annual report shall continue to be provided until such time as the final disbursement of funds appropriated in the 2016-17 and 2017-18 state fiscal year housing program (ccp) has occurred.
Notwithstanding any other law to the contrary, the amounts appropriated herein may be suballocated to any state department, agency, or public authority for the purposes stated herein. Notwithstanding section 40 of the state finance law or any other law to the contrary, all assistance appropriations made from this account shall remain in full force and effect in accordance, in the aggregate, with the following schedule: not more than $344,000,000 for the period April 1, 2016, through and past March 31, 2017, and not more than an additional $246,000,000 for the period April 1, 2017 through and past March 31, 2018 as indicated below:

1. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $950,000,000 shall be made available for the purpose of providing capital and operating subsidies for the development of 6,000 or more supportive housing units throughout the state over the next five years, as determined by a competitive selection process. Notwithstanding any provisions of law to the contrary, the commissioner of a state agency or authority holding an empire state supportive housing initiative contract, shall be authorized, subject to the approval of the director of the budget, to continue contracts which were executed on or before March 31, 2021 with entities providing supportive housing services, without any additional requirements that such contracts be subject to competitive bidding, a request for proposal process or other administrative procedures.

2. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $472,025,000 shall be made available for the purpose of providing capital subsidies for the new construction or adaptive reuse of rental housing affordable to households that earn up to 60 percent of area median income (AMI) and that advance one or more of the specific housing priorities of the state. Up to 5 percent of the funds allocated herein may be used for administrative purposes.

3. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $125,000,000 shall be made available for the purpose of developing or rehabilitating one hundred percent senior rental affordable housing targeted to low-income seniors, aged 60 and above.

4. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $45,000,000 for purposes of the rural and urban community investment fund program created pursuant to article XXVII of the private housing finance law.

5. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $150,000,000 shall be made available for the purpose of providing capital subsidies for the new construction, adaptive reuse, or reconstruction of rental housing affordable to households that earn between 60 percent and 130 percent of AMI and that advance one or more of the specific housing priorities of the state.

6. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $146,000,000 shall be made available for the purpose of substantial

or moderate rehabilitation of site-specific multi-family rental housing currently under a regulatory agreement or extended use agreement with the division of housing and community renewal or another state, federal or local housing agency.

7. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $75,000,000 shall be made available for the purpose of providing capital subsidies to preserve and improve Mitchell-Lama properties in the state.

8. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $125,000,000 shall be made available for the purpose of substantial or moderate rehabilitation and/or the demolition and replacement through new construction of site-specific multi-family rental housing currently owned by public housing authorities outside of New York city. The distribution of any funds which the division of housing and community renewal or other appropriate state agencies or authorities authorizes to be used as part of a federal housing program, shall require the division of housing and community renewal to monitor and ensure that any affected public housing tenants are properly informed regarding participation in the federal housing program and that appropriate documents related to participation in such federal housing program are made publicly available and are posted on each applicable housing authority's website in a timely manner to properly inform such public housing authority tenants. The residents of public housing that receives and uses such funds to participate in such federal program shall be provided a uniform lease agreement that provides, at a minimum, terms and conditions consistent with those found in the public housing lease they had prior to the public housing having received any such funds. Public housing authorities that receive and use such funds shall be required to: provide resident education, which shall include comprehensive information about any anticipated changes to the public housing; provide language assistance to residents with limited English proficiency; recognize the right of residents to form a resident organization; require resident participation funding commensurate to the funding that was being allocated to residents already; develop a set of procedures for resident grievances and lease termination proceedings that apply to residents following the use of such funds, which shall be consistent with any existing procedures, can provide stronger resident protections, and conform with any other applicable federal rules and/or regulations. In cases when there is a property manager other than the public housing authority that receives these funds, then such property manager shall be required to take actions including, but not limited to, providing clear and accessible information to residents before, during, and after becoming the property manager; provide language assistance to residents with limited English proficiency; and recognize a legitimate resident organization as the residents’ representative, invite such resident organization to all resident engagements, and meet regularly with the resident organization to discuss emerging property-wide issues.

through new construction of buildings of 5 to 40 units.

10. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$41,475,000 shall be made available for the purpose of promoting
home ownership among families of low and moderate income for whom
there are few affordable home ownership alternatives in the private
market, and to stimulate the development, stabilization, and preser-
vation of New York communities.

11. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$13,000,000 shall be made available for the purposes of mobile and
manufactured home replacement program pursuant to chapter 54 of the
laws of 2016.

12. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$10,000,000 shall be made available for the purpose of stimulating
reinvestment in properties located within mixed-used commercial
districts located in urban, small town, and rural areas of the state
pursuant to article XXVI of the private housing finance law.

13. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$200,000,000 shall be made available, pursuant to a plan approved by
the director of the budget, in consultation with the New York city
housing authority chair and the dormitory authority of the state of
New York, for the purpose of capital projects and other improvements
related to housing developments owned or operated by the New York
city housing authority; provided further to the extent practicable,
the New York city housing authority in its administration of such
funds shall include employment opportunities for NYCHA tenants
consistent with section 3 of the housing and urban development act
of 1968.

14. When combined with other funds made available in the 2016-17 and
2017-18 state fiscal year housing program (ccp), up to a total of
$100,000,000 shall be made available for the preservation, restora-
tion or creation of affordable housing units in a city having a
population of one million or more, one hundred percent of which
shall be affordable to households that earn up to sixty percent of
the area median income adjusted for family size. Priority shall be
given to applicants incorporated pursuant to the not-for-profit
corporation law, with prior experience in community development
projects with at least a fifty-one percent controlling interest in
such project. Not-for-profits shall strive to develop projects
utilizing state or city-owned land and such utilization shall be
prioritized in the agency review of such project (08111607) (30904)

TRIBOROUGH BRIDGE AND TUNNEL AUTHORITY

The appropriation made by chapter 314, section 30, of the laws of 1981,
as amended by chapter 54, section 1, of the laws of 2020, is hereby
amended and reappropriated to read:
Advance for: The sum of thirty-six million dollars ($36,000,000), or
so much thereof as may be necessary, is hereby appropriated as an
advance from the capital projects fund to the Triborough bridge and
tunnel authority for replacements of the authority's insurance
reserve and operating contingency reserve for the period beginning
April 1, [2020] 2021 and ending March 31, [2021] 2022. The advance
appropriation shall be made available and paid only if the Tribor-
ough bridge and tunnel authority's insurance reserve and operating
contingency reserve is needed for the purposes for which the
reserves were created.
Notwithstanding the provisions of any general or special law, no part
of any such appropriation shall be available for the purposes desig-
nated until a certificate of approval of availability shall have
been issued by the director of the budget, and a copy of such
certificate filed with the state comptroller, the chairman of the
senate finance committee and the chairman of the assembly ways and
means committee. Such certificate may be amended from time to time
subject to the approval of the director of the budget, and a copy of
each such amendment shall be filed with the state comptroller, the
chairman of the senate finance committee and the chairman of the

law subject to a plan approved by the chancellor of the state
university of New York and the director of the budget. Provided
however, that such plan shall not be approved by the Director of the
Budget unless he or she certifies that such debt can be issued within the State's multi-year financial plan without adversely affecting
the funding available for (a) capital projects currently authorized
that are deemed essential to the health and safety of the public, or
(b) essential governmental services. Any project advanced in such
plan shall be funded by one dollar of campus matching funds from
this appropriation for every two dollars of state funding. Funding
from this appropriation shall be available for, but not limited to,
service contracts, memoranda of understanding, capital design,
construction, acquisition, reconstruction, rehabilitation, equipment
and personal service costs including costs incurred prior to April

improvement, construction, reconstruction, and
projects including the acquisition of real
property, for other mass transportation
projects including local transportation
planning studies. Notwithstanding any
inconsistent provisions of law, the state
share of such projects shall be 50 percent
of the non-federal share, but in no event
shall the state share exceed 10 percent of
project costs.

Notwithstanding any other provision of law,
the commissioner of transportation shall
make available directly to the City of New
York (City) an amount commensurate with
the state share of (i) federal funds
previously awarded to the City and reallo-
cated to the metropolitan transportation
authority (MTA), and (ii) the federally
authorized level of financial assistance
transferred by resolution of the metropol-

metropolitan transportation authority
(MTA) and credited to the City by the MTA
for capital expenses.

The state share of such reimbursement shall
be 50 percent of the non-federal share of
the federally authorized level of financial assistance transferred to the MTA,
but in no event shall the state share
exceed 10 percent of project costs. Prior
to requesting reimbursement for projects
progressed by the MTA on behalf of the
City, the City shall certify to the
commissioner of transportation that each
eligible project progressed under this
provision is federally eligible and that
the match amount requested does not exceed
the state share of the federally author-
ized level of financial assistance. In
addition, the City must provide an appli-
cation to the commissioner of transporta-
tion certifying that the work to be funded
under the project has been performed and
that the City has reimbursed the MTA for
100 percent of the match amount for the
project. Upon such application, the
commissioner of transportation shall
review and approve eligible activities for
reimbursement.

Prior to requesting approval of a certif-
icate of approval of availability for the
moneys hereby appropriated, the commis-
sioner of transportation shall certify
that each omnibus project progressed under
the program has received federal approval.
Such certificate shall report the federally
authorized level of financial assistance

15 of chapter 329 of the laws of 1991, as
16 added by section 9 of chapter 330 of the
17 laws of 1991, as amended. For the purposes
18 of computing allocations to munici-
19 palities, the amount distributed pursuant
20 to section 16 of chapter 329 of the laws
21 of 1991 shall be deemed to be
22 $129,156,000. The amount distributed
23 pursuant to section 16-a of chapter 329 of
24 the laws of 1991 shall be deemed to be
25 $350,144,000. Notwithstanding the
26 provisions of any general or special law,
27 the amounts deemed distributed in accord-
28 ance with section 16 of chapter 329 of the
29 laws of 1991 shall be adjusted so that
30 such amounts will not be less than 89.073
31 percent of the "funding level" as defined
32 in subdivision 5 of section 10-c of the
33 highway law for each such municipality. In
34 order to achieve the objectives of section
35 16 of chapter 329 of the laws of 1991, to
36 the extent necessary, the amounts in
37 excess of 89.073 percent of the funding
38 level to be deemed distributed to each
39 municipality under this subdivision shall
40 be reduced in equal proportion.
41 The sum of $58,797,000 to municipalities for
42 reimbursement of eligible costs of local
43 highway and bridge projects pursuant to
44 sections 16 and 16-a of chapter 329 of the
45 laws of 1991, as added by section 9 of
46 chapter 330 of the laws of 1991, as
47 amended. For the purposes of computing
48 allocations to municipalities, the amount
49 distributed pursuant to section 16 of
50 chapter 329 of the laws of 1991 shall be
51 deemed to be $15,844,000. The amount
52 distributed pursuant to section 16-a of
chapter 329 of the laws of 1991 shall be deemed to be $42,953,000. Notwithstanding the provisions of any general or special law, the amounts deemed distributed in accordance with section 16 of chapter 329 of the laws of 1991 shall be adjusted so that such amounts will not be less than 10.927 percent of the "funding level" as defined in subdivision 5 of section 10-c of the highway law for each such municipality. In order to achieve the objectives of section 16 of chapter 329 of the laws of 1991, to the extent necessary, the amounts in excess of 10.927 percent of the funding level to be deemed distributed to each municipality under this paragraph shall be reduced in equal proportion. To the extent that the total of remaining payment allocations calculated herein varies from $58,797,000, the payment amounts to each locality shall be adjusted by a uniform percentage so that the total payments equal $58,797,000.

Payments shall be made on the fifteenth day of June, September, December and March (17CH2121) (54267) ......................... 538,097,000

For capital grants to municipalities for extreme winter recovery: The sum of $100,000,000 to municipalities for reimbursement of eligible costs of local highway and bridge projects pursuant to section 16-a of chapter 329 of the laws of 1991, as added by section 9 of chapter 330 of the laws of 1991, as amended. For the purposes of computing allocations to municipalities, the amount distributed pursuant to section 16-a of chapter 329 of the laws of 1991 shall be deemed to be $100,000,000. To the extent that the total of payment allocations calculated herein varies from $100,000,000, the payment amounts to each locality shall be adjusted by a uniform percentage so that the total payments equal $100,000,000. Payments shall be made on the fifteenth day of June, September, December and March (17EW2121) (53160) ......................... 100,000,000

For capital grants to cities, towns and villages for the reimbursement of eligible capital costs of local highway and bridge projects within such municipality.
Funds shall be allocated to cities, towns and villages based on the total number of New York or United States or interstate signed touring route miles for which such municipality has capital maintenance responsibility, as determined pursuant to the most recent local highway inventory conducted by the highway data services bureau of the department of transportation.

Eligible capital costs include the costs of construction and repair of highways, bridges, highway-railroad crossings, and other transportation facilities for projects with a service life of ten years or more (17TR2121) 100,000,000

For state aid to municipal corporations, private airports as author-
ized by section 14-h of the transportation law and for payment of
the state share of federally aided projects at Stewart and Republic
Airports, for the acquisition, construction, reconstruction, and
improvement of airport or aviation capital projects, including the
acquisition of real property, pursuant to the transportation capital
facilities development act of 1967 notwithstanding any inconsistent
provisions of law, in accordance with the schedule set forth below.
The moneys hereby appropriated are to be made available for payment
of state aid to municipal corporations, private airports as author-
ized by section 14-h of the transportation law and for payment of
the state share of federally aided projects at Stewart and Republic
Airports, including payment of liabilities incurred prior to April
1, 1991, as defined in the transportation capital facilities devel-
opment act of 1967. The items shown in the project schedule below
shall be for projects with a common purpose and may be interchanged
without limitation subject to the approval of the director of the
division of the budget.
Prior to requesting approval of a certificate of approval of avail-
ability for the moneys hereby appropriated, the commissioner of
transportation shall certify that each airport or aviation project
progressed under the program categories listed in the schedule below
has received federal approval and the federally authorized level of
financial assistance.
No funds shall be allocated for projects at Stewart Airport that are
directly related to a private facility until the commissioner of
transportation enters into a written agreement, subject to the
approval of the director of the budget, with such private entity
providing that such entity is committed to locate its facilities at
Stewart airport and has arranged financing for the costs of
construction of such facilities.
Funds shall not be allocated for projects at Stewart airport from this
appropriation for infrastructure improvements or other development
purposes not directly related to a private facility until the
commissioner of transportation has provided the director of the
budget with the following projections to support any such allocation
of funds: (a) effect on Stewart airport net operating revenues; (b)
effect on new jobs for the state of New York; and (c) effect on net
revenues of amortization of state capital expenditures. It is
acknowledged that funds provided herein pursuant to the transporta-
tion capital facilities development act of 1967 are made available
by repealing a portion of an appropriation for the payment of the
state's share to the Niagara frontier transportation authority for
construction, reconstruction, and improvement of airport or aviation
capital projects at Buffalo international airport. It is the intent
of the legislature that the repeal of such funds appropriated to the
Niagara frontier transportation authority does not void the state's
commitment to provide alternative state share funding sources to the
authority to complete the airport or aviation capital projects at
Buffalo international airport as originally provided by chapter 54,
section 1, of the laws of 1982, as amended by chapter 54, section 3,
of the laws of 1988. It is further the intent of the legislature
that such alternative state share funding be provided to the author-
ity no later than March 31, 1993 (17439114) (53271) ............... 11,800,000 .......................................... (re. $824,000)

Bond Proceeds Purpose

By chapter 54, section 9, of the laws of 1981, as amended by chapter 55,
section 1, of the laws of 2008:

The sum of $17,305,787, or so much thereof as may be necessary is
hereby appropriated from the transportation capital facilities bond
fund pursuant to the provisions of chapter seven hundred fifteen of
the laws of nineteen hundred sixty-seven, known as the "Transporta-
tion Capital Facilities Bond Act", for payment to the capital
projects fund for disbursements from such fund pursuant to appropri-
ations for the acquisition, construction, reconstruction and
improvement of any airport or aviation capital facility and of any
capital equipment used in connection therewith, by the State, any
county, city, town, village, special transportation district, public
benefit corporation or other public corporation, or two or more of
the foregoing acting jointly in accordance with the provisions of
the transportation capital facilities development act and as herein-
after referred to as "airport or aviation capital project bond
disbursements."

Notwithstanding the provisions of any general or special law, no
moneys shall be available from the transportation capital facilities
bond fund until a certificate of approval of availability shall have
been issued by the director of the division of the budget, and a
copy of such certificate filed with the state comptroller, the
chairman of the senate finance committee and the chairman of the
assembly ways and means committee. Such certificate may be amended
from time to time by the director of the division of the budget and
a copy of each such amendment shall be filed with the state comp-
troller, the chairman of the senate finance committee and the chair-
man of the assembly ways and means committee.

The director of the division of the budget is hereby authorized to
designate to the state comptroller specific appropriations made from
the capital projects fund for purposes for which airport or aviation
capital project bond expenditures are authorized. The state comp-
troller shall, at the commencement of each month, certify to the
director of the division of the budget, the chairman of the senate
finance committee and the chairman of the assembly ways and means
committee, the amounts disbursed from the appropriations designated
by the director of the division of the budget from the capital
projects fund for these disbursements pursuant to appropriations

Capital Projects Funds - Other
Capital Projects Fund - 30000
Omnibus and Transit Purpose

By chapter 54, section 1, of the laws of 2020:
For state aid to municipal corporations for the preparation of
designs, plans, specifications and estimates, for the acquisition,
construction, reconstruction, and improvement of mass transportation
capital projects including the acquisition of real property, for
other mass transportation projects including local transportation
planning studies. Notwithstanding any inconsistent provisions of
law, the state share of such projects shall be 50 percent of the
non-federal share, but in no event shall the state share exceed 10
percent of project costs.
Notwithstanding any other provision of law, the commissioner of transportation shall make available directly to the City of New York (City) an amount commensurate with the state share of (i) federal
funds previously awarded to the City and reallocated to the metropolitan transportation authority (MTA), and (ii) the federally authorized level of financial assistance transferred by resolution of the metropolitan planning organization (MPO) to the metropolitan transportation authority (MTA) and credited to the City by the MTA for capital expenses.

The state share of such reimbursement shall be 50 percent of the non-federal share of the federally authorized level of financial assistance transferred to the MTA, but in no event shall the state share exceed 10 percent of project costs. Prior to requesting reimbursement for projects progressed by the MTA on behalf of the City, the City shall certify to the commissioner of transportation that each eligible project progressed under this provision is federally eligible and that the match amount requested does not exceed the state share of the federally authorized level of financial assistance. In addition, the City must provide an application to the commissioner of transportation certifying that the work to be funded under the project has been performed and that the City has reimbursed the MTA for 100 percent of the match amount for the project. Upon such application, the commissioner of transportation shall review and approve eligible activities for reimbursement.

Prior to requesting approval of a certificate of approval of availability for the moneys hereby appropriated, the commissioner of transportation shall certify that each omnibus project progressed under the program has received federal approval.

Such certificate shall report the federally authorized level of financial assistance. Provided, however, that no obligations against, or spending from this appropriation shall be authorized unless the director of the division of the budget certifies that such obligations or spending can be accommodated within the State's multi-year financial plan without adversely affecting the funding available for (a) capital projects currently authorized that are deemed essential to the health and safety of the public, or (b) essential governmental services (17OM2029) (53252) .......................... 18,500,000 ................................. By chapter 55, section 1, of the laws of 2007, as amended by chapter 54, section 1, of the laws of 2018:

For state aid to municipal corporations for the preparation of designs, plans, specifications and estimates, for the acquisition, construction, reconstruction, and improvement of mass transportation capital projects including the acquisition of real property, for other mass transportation projects including local transportation planning studies. Notwithstanding any inconsistent provisions of law, the state share of such projects shall be 50 percent of the nonfederal share, but in no event shall the state share exceed 10 percent of project costs.

Notwithstanding any other provision of law, the commissioner of transportation shall make available directly to the City of New York (City) an amount commensurate with the state share of (i) federal funds previously awarded to the City and reallocated to the metropolitan transportation authority (MTA), and (ii) the federally authorized level of financial assistance transferred by resolution of the metropolitan planning organization (MPO) to the metropolitan transportation authority (MTA) and credited to the City by the MTA for capital expenses.

The state share of such reimbursement shall be 50 percent of the nonfederal share of the federally authorized level of financial assistance transferred to the MTA, but in no event shall the state share exceed 10 percent of project costs. Prior to requesting reimbursement for projects progressed by the MTA on behalf of the City, the City shall certify to the commissioner of transportation that each eligible project progressed under this provision is federally eligible and that the match amount requested does not exceed
the state share of the federally authorized level of financial
assistance. In addition, the City must provide an application to the
commissioner of transportation certifying that the work to be funded
under the project has been performed and that the City has reim-
bursed the MTA for 100 percent of the match amount for the project.
Upon such application, the commissioner of transportation shall
review and approve eligible activities for reimbursement.
Prior to requesting approval of a certificate of approval of avail-
ability for the moneys hereby appropriated, the commissioner of
transportation shall certify that each omnibus project progressed
under the program has received federal approval. Such certificate
shall report the federally authorized level of financial assistance

By chapter 54, section 1, of the laws of 2020:
Transportation infrastructure and facilities in the department of transportation plan, for the payment of costs, including the payment of liabilities incurred prior to April 1, 2020, of transportation infrastructure projects, including but not limited to, state and local roads and bridges; airport, freight and passenger rail, port and transit projects or multi-modal facilities, including work appurtenant and ancillary thereto. Project costs funded from this appropriation may include but shall not be limited to construction, reconstruction, reconditioning and preservation, the acquisition of property, and engineering services, including personal services, nonpersonal services, fringe benefits, the contract services provided by private firms, and reimbursements to the dedicated highway and bridge trust fund and capital projects funds, for activities including but not limited to, the preparation of designs, plans, specifications and estimates; construction management and supervision; and appraisals, surveys, testing and environmental impact statements for transportation infrastructure projects.

Notwithstanding section 93 of the state finance law or any other law, rule or regulation to the contrary, all or a portion of the funds appropriated herein may be interchanged, or transferred from this appropriation to any other capital projects appropriation or appropriations of the department of transportation. Provided, however, that no obligations against, or spending from this appropriation shall be authorized unless the director of the division of the budget certifies that such obligations or spending can be accommodated within the State's multi-year financial plan without adversely affecting the funding available for (a) capital projects currently authorized that are deemed essential to the health and safety of the public, or (b) essential governmental services. Provided, however, that during state fiscal year 2020-21, the department of transportation shall, ten calendar days prior to the start of each quarter or as soon as practicable thereafter, provide to the director of the budget, the secretary of the senate finance committee, and the secretary of the assembly ways and means committee, a schedule of planned highway and bridge capital project lettings to take place during such quarter; and provided, further, that the projects to be let by the department may differ from the schedules so provided due to emergencies, environmental concerns, federal mandates, unforeseen

For the construction or improvement of highway, bridge and rail freight projects related to industrial access, including the acquisition of property and the payment of liabilities incurred prior to April 1, 2004. For the cost of the contract services provided by private firms, including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision; and appraisals, surveys, testing and environmental impact statements for transportation projects. No funds shall be allocated for such purposes until the commissioner of transportation enters into an agreement subject to the approval of the director of the budget with any public or private entity for the repayment of 40 percent of each project's costs disbursed from such funds. Such agreement shall require repayment within 5 years of the date of acceptance of the project by the department of transportation except that the repayment may occur over a period of up to 10 years when total project costs exceed $1,000,000. All projects must be approved by the director of the budget prior to the obligation of the moneys so appropriated.

The moneys so appropriated shall be made available pursuant to rules and regulations promulgated by the commissioner of transportation establishing the maximum amount of assistance to be provided for each project and the information that must be provided by the entity requesting assistance, establishing criteria for providing assistance from the moneys so appropriated and including standards for receiving of assistance including but not limited to the number of jobs created or maintained by the transportation improvement.

Notwithstanding any inconsistent provision of law, the commissioner of transportation may waive the requirement to repay 40 percent of the cost of a project provided that private funds are dedicated to the cost of such industrial access project and related economic development for at least 40 percent of the total cost of the industrial access project and related economic development and the industrial

department of transportation is authorized to enter into agreements with any munici-
cipality to finance local bridge projects through state nonfederally
aided highway funds appropriated herein when the use of federal aid
funds for such local bridge projects would not be cost effective and
the federal aid and state matching funds saved as a result of the
use of non-federal aid funds for local bridge projects are made
available for bridge projects on the state highway system. The
total amount of non-federally aided highway funds made available for
local bridge projects from this appropriation shall not exceed
$2,500,000 in state fiscal year 2020-21. Provided, however, that no
obligations against, or spending from this appropriation shall be
authorized unless the director of the division of the budget certi-
fies that such obligations or spending can be accommodated within
the State's multi-year financial plan without adversely affecting
the funding available for (a) capital projects currently authorized
that are deemed essential to the health and safety of the public, or
(b) essential governmental services. Provided, however, that during
state fiscal year 2020-21, the department of transportation shall,
ten calendar days prior to the start of each quarter or as soon as
practicable thereafter, provide to the director of the budget, the
secretary of the senate finance committee, and the secretary of the
assembly ways and means committee, a schedule of planned highway and
bridge capital project lettings to take place during such quarter;
and provided, further, that the projects to be let by the department
may differ from the schedules so provided due to emergencies, envi-
ronmental concerns, federal mandates, unforeseen conditions, design
changes or other factors (53164).

In order to achieve the objectives of section 16 of chapter 329 of the laws of 1991, to the extent necessary, the amounts in excess of 86.579 percent of the funding level to be deemed distributed to each municipality under this subdivision shall be reduced in equal proportion.

The sum of $58,797,000 to municipalities for reimbursement of eligible costs of local highway and bridge projects pursuant to sections 16 and 16-a of chapter 329 of the laws of 1991, as added by section 9 of chapter 330 of the laws of 1991, as amended. For the purposes of computing allocations to municipalities, the amount distributed pursuant to section 16 of chapter 329 of the laws of 1991 shall be deemed to be $19,460,000. The amount distributed pursuant to section 16-a of chapter 329 of the laws of 1991 shall be deemed to be $39,337,000. Notwithstanding the provisions of any general or special law, the amounts deemed distributed in accordance with section 16 of chapter 329 of the laws of 1991 shall be adjusted so that such amounts will not be less than 13.421 percent of the "funding level" as defined in subdivision 5 of section 10-c of the highway law for each such municipality. In order to achieve the objectives of section 16 of chapter 329 of the laws of 1991, to the extent necessary, the amounts in excess of 13.421 percent of the funding level to be deemed distributed to each municipality under this paragraph shall be reduced in equal proportion. To the extent that the total of remaining payment allocations calculated herein varies from $58,797,000, the payment amounts to each locality shall be adjusted by a uniform percentage so that the total payments equal $58,797,000.

The sum of $20,000,000 is hereby appropriated for payments and grants, including up to $400,000 in costs associated with program administration to eligible nonprofit arts and cultural organizations for the arts and cultural facilities improvement program. Such program shall provide for targeted investment for capital projects in such eligible arts or cultural facilities to improve the quality, efficiency, and accessibility of arts and cultural organizations that benefit New Yorkers. Provided that such investments may include, but are not limited to: renovations and retrofitting to comply with COVID-19 health regulations, including outdoor performance space projects, flexible seating, HVAC and filtration upgrades, renovations or expansions of space that is open to the public; modifications to provide for sustainable, energy efficient spaces that would result in overall energy and cost savings; technology and other equipment that will benefit the public; and accessibility renovations. Up to $10,000,000 shall be made available exclusively for small to midsize eligible nonprofit arts and cultural organizations. Funding from this appropriation shall be made available through a competitive process to be determined exclusively by the New York state council on the arts. The determination of this competitive process and guidelines shall be limited to the New York state council on the arts in consultation with the dormitory authority of the
state of New York. The guidelines for the
program and competitive process shall
ensure that such funding is made available
for uses throughout the state and takes
into account regional distribution,
supports a range of grant awards including
a minimum grant of $50,000, and no match
requirements for organizations as deemed
appropriate by the New York state council
on the arts. Notwithstanding any incon-
sistent provision of law, the dormitory
authority shall be authorized to adminis-
ter this program and designated state
agencies shall provide all necessary
assistance.

NONPROFIT INFRASTRUCTURE CAPITAL INVESTMENT PROGRAM (CCP)

Capital Projects Funds - Other
Capital Projects Fund - Authority Bonds - 30000
Preservation of Facilities Purpose

By chapter 54, section 1, of the laws of 2017:
The sum of $20,000,000 is hereby appropriated for payments and grants to eligible nonprofit human services organizations for the nonprofit infrastructure capital investment program. Such program shall provide for targeted investment for capital projects in such eligible nonprofit human services organizations to improve the quality, efficiency, and accessibility of nonprofit human services organizations that serve New Yorkers. Provided that such investments include, but are not limited to: technology upgrades related to improving electronic records, data analysis, or confidentiality; renovations or expansions of space used for direct program services; modifications to provide for sustainable, energy efficient spaces that would result in overall energy and cost savings; and accessibility renovations. Provided further that such eligible nonprofit human services organizations are those which provide direct services to New Yorkers through state contracts, state authorized payments, and/or state payment rates. Provided further that nothing herein shall preclude a nonprofit human services organization that is otherwise eligible and that is located in publicly owned property from receiving a grant as long as such purpose and project would be otherwise eligible and such grant is not used for building or property maintenance or improvements, structural maintenance or improvements, or building systems maintenance or improvements. Funding from this appropriation shall be made available through a competitive process that shall include representatives from multiple state agencies to be determined by the director of the budget and the guidelines for the program and competitive process and such process shall also ensure that such funding is made available for uses throughout the state, and shall be subject to the approval of the director of the budget. Provided further that such proposals submitted by eligible nonprofit human services organizations shall include, at a minimum, the following: the amount of funds requested in relation to the size and scope of the proposed project and the number of clients who will benefit; a detailed description of the project, including projected costs including the sources and uses of funds, project completion timeline, and funds necessary at each stage of project completion; the extent to which the proposed project reflects a
necessary improvement or upgrade to continue to serve the nonprofit human services organization's target population, or a population they would be able to serve if such improvements or upgrades were made; a statement that as of the effective date of this chapter, construction had not begun and equipment had not been purchased for such project; and if applicable, a statement whether the project has received all necessary regulatory approvals or can demonstrate a reasonable expectation that such approvals will be secured. Such representatives from state agencies shall include, but not be limited to, the Office of Children and Family Services, the Office of Temporary and Disability Assistance, the Office for People with Developmental Disabilities, the Office of Mental Health, and for purposes of this appropriation, shall also include the Dormitory Authority of the State of New York and, notwithstanding any inconsistent provision of law, the Dormitory Authority shall be authorized to administer this program. All or a portion of the funds appropriated herein may be suballocated or transferred to any department, agency, or public authority (92NP1703) (80606) . . . .

By chapter 54, section 1, of the laws of 2017:

For services and expenses, loans, grants, and costs associated with program administration, of projects and purposes authorized by section 93-b of the state finance law to receive funding from the dedicated infrastructure investment fund - infrastructure investment account, including the payment of liabilities incurred prior to April 1, 2017; provided however, that loans or grants under this appropriation to a private corporation, association or enterprise shall only be made or given by a public corporation or authority. All or a portion of the funds appropriated hereby may be suballocated or transferred to any department, agency, or public authority, according to the following:

To prepare for, prevent, deter, or respond to acts of terrorism; natural or man-made disasters, including severe weather events; risks to public safety, health, and/or other emergencies (93SC17SP) (80620) ... 100,000,000 ...................... (re. $2,713,000)

By chapter 55, section 1, of the laws of 2016, as amended by chapter 54, section 1, of the laws of 2017:

Transportation infrastructure and facilities in the five-year department of transportation plan for 2015-16 through 2019-20, for the payment of costs, including the payment of liabilities incurred prior to April 1, 2016, of transportation infrastructure projects, including but not limited to, state and local roads and bridges; airport, freight and passenger rail, port and transit projects or multi-modal facilities, including work appurtenant and ancillary thereto. Project costs funded from this appropriation may include but shall not be limited to construction, reconstruction, reconditioning and preservation, the acquisition of property, and engineering services, including personal services, nonpersonal services, fringe benefits, the contract services provided by private firms, and reimbursements to the dedicated highway and bridge trust fund and capital projects funds, for activities including but not limited to, the preparation of designs, plans, specifications and estimates; construction management and supervision; and appraisals, surveys, testing and environmental impact statements for transportation infrastructure projects. Notwithstanding section 93 of the state finance law or any other law, rule or regulation to the contrary, all or a portion of the funds appropriated herein may be (i) interchanged, (ii) suballocated to the Department of Transportation, or (iii) transferred from this appropriation to any other capital projects appropriation or appropriations of the Department of Transportation (931316SP) (79995) ... 200,000,000 ..... (re. $11,768,000)
The sum of $170,000,000 is hereby appropriated for additional upstate revitalization initiative projects. Funds appropriated herein shall be for services and expenses, loans, grants, workforce development, business and tourism plan development, costs associated with program administration, and the payment of personal services, nonpersonal services and contract services provided by private firms to support economic development projects. Funding will be pursuant to a plan developed by the chief executive officer of the New York state urban development corporation and will support initiatives based on anticipated job creation and economic development benefits. Funds shall not be available from this appropriation for projects within regions that were Upstate Revitalization Initiative 2015 Best Plan Awardees or eligible to receive funding from the Buffalo Regional Innovation Cluster Program. Such moneys will be awarded by the New York state urban development corporation at its discretion (931216SP) (79996) ... 170,000,000 ................................. (re. $170,000,000)

(re. $104,785,000)

For services and expenses related to the empire state poverty reduction initiative. Funds appropriated herein shall be made available for sixteen local anti-poverty task forces in municipalities, or a borough, with high rates of poverty as determined by the U.S. Census Bureau's 2010-14 American Community Survey Five-year Estimate: Albany, the Bronx, Binghamton, Buffalo, Elmira, Hempstead, Jamestown, Newburgh, Niagara Falls, Oneonta, Oswego, Rochester, Syracuse, Troy, Utica and Watertown. Provided that, except in municipalities where a state-funded anti-poverty task force or initiative already exists and is receiving or has received State funding for such purpose, the mayor of each municipality, or in the case of the Bronx, the borough president, will select a not-for-profit organization that provides services in the municipality, or in the case of the Bronx, the borough, to serve as the local coordinator of each such local task force. Provided further that, except in municipalities where a state-funded antipoverty task force or initiative already exists and is receiving or has received funding, each such taskforce shall make efforts to be comprised of, but not limited to, the following members: representatives from municipal, county, and/or state government; individuals who have lived in or currently live in households in poverty; individuals and advocates representing local not-for-profit and community organizations; representatives from local school districts; and representatives from local social services districts. Of the funds appropriated herein, the amount available for each local anti-poverty task force shall be
determined based on the number of people in each municipality, or a
borough, who are living in poverty as determined by the U.S. Census
Bureau's 2010-14 American Community Survey Five-year Estimate
provided that each local anti-poverty task force shall be eligible
to receive funding in the following amounts: municipalities with
fewer than 5,000 individuals in poverty shall each be eligible to
receive $500,000; municipalities with between 5,000 and 10,000 indi-
viduals in poverty shall each be eligible to receive $1,000,000;
municipalities with between 10,000 and 40,000 individuals in poverty
shall each be eligible to receive $1,500,000; and municipalities, or
a borough, with more than 40,000 individuals in poverty shall each
be eligible to receive $2,750,000. Funds appropriated herein shall
be available to support the work of each anti-poverty task force and
such work shall be divided into two phases. During the first phase,
the mayor of the municipality, or in the case of the Bronx, the
borough president, will select a not-for-profit organization that
has demonstrated successful performance working with community
stakeholders and achieving objectives specified herein, to coordi-
nate the local antipoverty task force. The not-for-profit organiza-
tion serving as coordinator will assemble the antipoverty task force
using the criteria outlined above. Provided further that, with
guidance and oversight of the commissioner of the office of tempo-
rary and disability assistance, each local anti-poverty task force
shall use data to identify high need issues and neighborhoods within
the municipality, or in the case of the Bronx, the borough; identify
problems that are common in neighborhoods throughout the munici-
pality, or in the case of the Bronx, the borough; receive input from
local residents; use data and resident input to select one or more
focus areas related to either one or more issues or one or more
neighborhoods; and develop a plan for how funding will be targeted
toward the identified issues or neighborhoods. Such focus areas may
include, but are not limited to childhood poverty and homelessness.
Activities included in such plan may include, but are not limited
to: providing public assistance recipients opportunities to partic-
ipate in enhanced work activities that either provide recognized
credentialing or enhanced career readiness or job training for
better linkage to potential employment; assisting families in povert-
ity through services provided to parents and children; and addressing
chronic homelessness or housing insecurity. Such plan must include
measurable objectives and a timeframe for completion and shall be
submitted for approval to the commissioner of the office of tempo-
rary and disability assistance. Of the total amount made available
to each anti-poverty task force, the lesser of $300,000 or 20
percent of the total award may be used to carry out planning and
administration, provided however, that the amount used for planning
and administration may exceed such limitation if such amount is
approved by the commissioner of the office of temporary and disabil-
ity assistance as part of the plan required herein. Upon receiving
approval from the commissioner of the office of temporary and disa-
bility assistance, each such anti-poverty task force shall commence
the second phase of its work, which will support the implementation
of the plan developed during the first phase. Funding appropriated
herein shall be made available to the not-for-profit organization
serving as coordinator and its use shall be restricted to purposes
or initiatives that do not necessitate ongoing state financial
support. Such anti-poverty task forces shall be encouraged to secure
match funding from private sector and foundation sources to supple-
ment the funds appropriated herein and provided further that any
funding provided from this appropriation shall not be used to
supplant funding for programs already in existence. Such funds may
be made available pursuant to a plan approved by the director of the
budget (931A16SP) (79994) 25,000,000 ............ (re. $5,572,000)
Notwithstanding any inconsistent provision of law, in support of a
comprehensive statewide multi-year housing program to prevent and
address homelessness across the State, funds appropriated herein may
be used in conjunction with other resources made available as part
of the state fiscal year 2016-17 and 2017-18 local assistance, capi-
tal and state operations budget to support various programs to
support homeless individuals and youth or individuals and youth at
risk of becoming homeless, including but not limited to, a statewide
multiagency supportive housing program to provide housing and
support services for vulnerable New Yorkers including but not limit-
ed to seniors, veterans, victims of domestic violence, formerly
incarcerated individuals, individuals diagnosed with HIV/AIDS and
homeless individuals with copresenting health conditions, eligible

Municipal restructuring, for payments to local governments, school districts, and other municipal entities for capital and other expenses related to the implementation of local government and school district shared services, cooperation agreements, mergers, and other actions that reduce operational costs and related property tax burdens on a permanent basis, as selected through an application process developed by the secretary of state, provided, however, that school districts' expenditures of the funds appropriated herein shall not be eligible for aid under any provision of the education law; for payments related to a downtown revitalization program designed and executed by the department of state and the division of housing and community renewal for transformative housing, economic development, transportation and community projects including those designed to increase the property tax base, of which up to $500,000 may be made available to fund projects consistent with the purposes of the healthy food / healthy communities initiative pursuant to section 16-s of the urban development corporation act, provided such projects are included in a strategic plan submitted for funding under the downtown revitalization program; and for payments of grants, awards, and aid provided through the local government efficiency grant program, the citizen empowerment tax credit, local government citizens reorganization empowerment grant program, and the local government performance and efficiency program, as author-
Grants to essential health care providers shall be available upon determination of the commissioner of health without a competitive bid or request for proposal process to support debt retirement and capital projects or non-capital projects that facilitate health care transformation, including mergers, consolidation, acquisition or other significant corporate restructuring activities intended to create a financially sustainable system of care that promotes a patient-centered model of health care delivery. Grants shall not be available to support general operating expenses. For purposes of this appropriation, an essential health care provider is a hospital or hospital system that, in the discretion of the commissioner of health, offers health services within a defined and isolated geographic region where such services would otherwise be unavailable to the population of such region.

Notwithstanding any other provision of law to the contrary, up to $83,500,000 appropriated herein may be available for the health facility restructuring program pursuant to section 2815 of the public health law.

Notwithstanding any other provision of the laws to the contrary, amounts appropriated herein, including the $83,500,000 which may be transferred from the department to the dormitory authority, shall be available net of disallowances, refunds, reimbursements and credits for the acquisition of information technology systems, electronic health records, billing systems, or other hardware as well as any other infrastructure costs associated with the inclusion of behavioral health services in the medicaid managed care benefit package. Such funds shall be available to not-for-profit agencies licensed, certified or approved by the office of mental health, the office for addiction services and supports, or the office for people with developmental disabilities. A portion of these funds may be used to support training and technical assistance during the transition period.

To prepare for, prevent, deter, or respond to acts of terrorism; natural or man-made disasters, including severe weather events; risks to public safety, health, and/or other emergencies. Of the amounts appropriated herein, $10,000,000 shall be available for grants to local governments and local law enforcement agencies to support the provision of safety and other related equipment. Such funds shall be allocated pursuant to a plan prepared by the commissioner of criminal justice services in consultation with the superintendent of state police and approved by the director of the budget for capital projects to link the metro-north commuter railroad directly to Penn Station and to improve transportation access along its corridor, including construction of new stations in the Bronx,
including but not limited to planning and design, acquisition, construction, reconstruction, replacement, improvement, reconditioning, rehabilitation and preservation, including the acquisition of real property and interests therein required or expected to be required in connection therewith, for commuter railroad facilities and related equipment (930515SP) (80627) ......................... 250,000,000 ..................................... (re. $250,000,000)

For services and expenses, loans, grants, and costs associated with transformative economic development projects. $150,000,000 is authorized for such projects to be reviewed, evaluated and approved by the New York state urban development corporation, including but not limited to those listed in the schedule below. A proposed project must demonstrate that the investment of public funds will catalyze private investment resulting in significant economic development reflected in the creation of temporary and permanent jobs, the growth of the commercial and residential tax base or an enhancement of the environment and quality of life for residents of Nassau or Suffolk County. The items shown in the schedule below shall be for projects with a common purpose and may be interchanged without limitation subject to the approval of the director of the budget (930715SP) (80349) ... 150,000,000 ..............
