33 tive dates of the increases provided in this section, such basic annual
34 salary shall be increased to the hiring rate, performance advance step
35 one, two, three, four or five, the job rate, the ten-year longevity step,
36 the fifteen-year longevity step, the twenty-year longevity step or the
37 twenty-five-year longevity step, respectively, of such salary grade as
38 contained in the appropriate salary schedule in subparagraphs (1), (2),
39 (3), and (4) of paragraph h of subdivision 1 of section 130 of the civil
40 service law, as added by section one of this act, to take effect on the
41 dates provided in subparagraphs (1), (2), (3), and (4), respectively.
42 The increases in basic annual salary provided by this subdivision shall
43 be in lieu of any increase in basic annual salary provided for in subdivi-
44 sions two, three, four and five of this section.

45 9. If an unencumbered position is one which if encumbered, would be
46 subject to the provisions of this section, the salary of such position
47 shall be increased by the salary increase amounts specified in this
48 section. If a position is created and is filled by the appointment of
49 such unit members to whom the provisions of this section apply, the sala-
50 ry otherwise provided for such position shall be increased in the same
51 manner as though such position had been in existence but unencumbered.
52 Notwithstanding the provisions of this section, the director of the budg-
53 et may reduce the salary of any such position, which is or becomes
54 vacant.

55 10. The increases in salary payable pursuant to this section shall
56 apply on a prorated basis to officers and employees, otherwise eligible

1 to receive an increase in salary pursuant to this section, who are paid
2 on an hourly or per diem basis, employees serving on a part-time or
3 seasonal basis and employees paid on any basis other than at an annual
4 salaried rate; except that the provisions of subdivision eleven, twelve,
5 or thirteen of this section shall not apply to employees serving on an
6 hourly, per diem, or seasonal basis, except as determined by the director
7 of the budget.

8 11. Notwithstanding any other provision of this section, the provisions
9 of this section shall not apply to officers or employees paid on a fee
10 schedule basis.

11 12. In order to provide for the officers and employees to whom this
12 section applies who are not allocated to salary grades, performance
13 advancements and payments in proportion to those provided to persons to
14 whom this section applies who are allocated to salary grades, the direc-
15 tor of the budget is authorized to add appropriate adjustments to the
16 compensation which such officers and employees are otherwise entitled to
17 receive. The director of the budget shall issue certificates which shall
18 contain schedules of positions and the salaries thereof for which adjust-
19 ments are made pursuant to the provisions of this subdivision, and a copy
20 of each such certificate shall be filed with the state comptroller, the
21 department of civil service, the chairman of the senate finance committee
22 and the chairman of the assembly ways and means committee.

23 13. Notwithstanding any of the foregoing provisions of this section,
24 any increase in compensation may be withheld in whole or in part from any
25 such unit members to whom the provisions of this section apply when, in
26 the opinion of the director of the division of the budget and the direc-
27 tor of employee relations, such increase is not warranted or is not
28 appropriate.

29 § 4. Additional compensation for certain members of the agency police
30 services collective negotiating unit. 1. In recognition of the general
31 requirement for full-time employees of the state in the agency police
32 services unit to assemble for briefing prior to the commencement of
33 duties, where and to the extent an agreement so provides, each such
34 employee except such an employee receiving additional compensation pursu-
35 ant to subdivision 5 of section 134 of the civil service law, shall
36 continue to receive additional compensation in recognition of pre-shift
37 briefing at one and one-half times the hourly rate of pay provided for by
38 subdivision 1 of section 134 of the civil service law and the rules and
39 regulations of the director of the budget.

40 2. Members of the agency police services collective negotiating unit
41 who are full-time annual salaried and are police officers pursuant to
42 subdivision 34 of section 1.20 of the criminal procedure law, who are
43 required, authorized and actually assemble for pre-shift briefing or line
44 up before the commencement of their regular tour of duty shall continue
45 to be paid for pre-shift briefing. However, employees of the department
46 of environmental conservation who do not physically line up shall be paid
47 the equivalent of pre-shift compensation for vehicle, equipment, office
48 maintenance, and the handling of phone calls and home visitations
49 received and instigated outside of the regular workday. This payment
50 supplants any payments made to such employees for equipment storage.
51 There shall be no payment of pre-shift briefing for any day in which any
52 employee who is a member of the agency police services unit, full-time
53 annual salaried and a police officer pursuant to subdivision 34 of
54 section 1.20 of the criminal procedure law is not physically reporting to
55 work. There shall be no change in the payment for pre-shift briefing for
56 all other members of the agency police services unit.

3. Any such additional compensation pursuant to this section shall be paid in addition to and shall not be a part of such employee's basic annual salary and shall not be included as compensation for the purposes of computation of overtime pay, provided, however, that such additional compensation shall be included for retirement purposes. Notwithstanding the foregoing provisions of this section or of any other law, such additional compensation as added by this section shall be in lieu of the continuation of any other additional compensation for such unit members in recognition of pre-shift briefing.

§ 5. Clothing allowance. Effective April 1, 2015, pursuant to the terms of an agreement covering members of the agency police services collective negotiating unit who are full-time annual salaried and are classified as investigators or detectives, in recognition of the general requirement for such unit members to whom the provisions of this section apply to wear professional attire, each such employee who is on the payroll on the first day of November preceding the annual effective date shall continue to receive a clothing allowance at a rate of four hundred dollars per year effective December 1, 2011.

§ 6. Location pay. 1. 2. The location pay as set out in this section shall be in addition to and shall not be a part of an employee's basic annual salary, and shall not affect or impair any performance advance or other rights or benefits to which an employee may be entitled by law, provided, however, that location pay shall be included as compensation for the purposes of computation of overtime pay and for retirement purposes. This payment will be equally divided over the twenty-six payroll periods in each fiscal year.

§ 7. Supplemental location pay. 1. Pursuant to the terms of an agreement covering members of the agency police services collective negotiating unit, and notwithstanding any inconsistent provision of law, all members of this unit who are full-time annual salaried employees and whose principal place of employment, or, in the case of a field employee, whose official station is determined in accordance with the regulations of the state comptroller, is located in the city of New York, or in the county of Putnam, Orange, Dutchess, Rockland, Westchester, Nassau or Suffolk, shall continue to receive supplemental location pay, in the following amounts:

	Orange/Putnam/ Dutchess	NYC/Rockland/ Westchester	Nassau/Suffolk
Effective April 1, 2015	\$1,266	\$1,900	\$2,217

2. The supplemental location pay as set out in this section shall be in addition to and shall not be a part of an employee's basic annual salary, and shall not affect or impair any performance advance or other rights or benefits to which an employee may be entitled by law; provided, however, that supplemental location pay shall be included as compensation for the purposes of computation of overtime pay and for retirement purposes. This payment will be equally divided over the twenty-six payroll periods in each fiscal year.

§ 8. Expanded duty pay. Pursuant to the terms of an agreement or award covering members of the agency police services collective negotiating unit who are full-time annual salaried employees, in recognition of the additional and continued duties and responsibilities performed by the police officers in this unit as a result of the September 11th terrorist attacks, and notwithstanding any provision of law, rule or regulation to the contrary, members of this unit, effective April 1, 2015, shall continue to receive expanded duty pay in the amount of three thousand seventy-five dollars. Effective March 31, 2019, this amount shall be increased to three thousand eight hundred and twenty-five dollars. Expanded duty pay as set out in this section shall be in addition to and shall not be a part of an employee's basic annual salary, and shall not affect or impair any performance advance or other rights or benefits to which an employee may be entitled by law; provided, however, that expanded duty pay shall be included as compensation for the purposes of computation of overtime pay and for retirement purposes. This payment will be equally divided over the twenty-six payroll periods in each fiscal year.

§ 9. Marine/off-road enforcement pay. Pursuant to the terms of an agreement covering members of the agency police services collective negotiating unit who are full-time annual salaried employees, effective April 1, 2015, all members of this unit who are employed by the office of parks, recreation and historic preservation or the department of environmental conservation shall continue to receive one thousand five hundred dollars per year in recognition of their expertise in marine and off-road enforcement. Marine/off-road enforcement pay as set out in this section shall be in addition to and shall not be a part of an employee's basic annual salary, and shall not affect or impair any performance advance or other rights or benefits to which an employee may be entitled by law; provided, however, that marine/off-road enforcement pay shall be included as compensation for the purposes of computation of overtime pay and for retirement purposes. This payment will be equally divided over the twenty-six payroll periods in each fiscal year.

§ 10. Hazardous material pay. 1. Pursuant to the terms of an agreement covering members of the agency police services collective negotiating unit who are full-time annual salaried employees, effective April 1, 2015, all members who are employed by the department of environmental conservation, except for those in the forest ranger title series, shall continue to receive one thousand five hundred dollars per year in recognition of their expertise and handling of hazardous materials. Hazardous material pay as set out in this section shall be in addition to and shall not be a part of an employee's basic annual salary, and shall not affect or impair any performance advance or other rights or benefits to which an employee may be entitled by law; provided, however, that hazardous material pay shall be included as compensation for the purposes of computation of overtime pay and for retirement purposes. This payment will be equally divided over the twenty-six payroll periods in each fiscal year.

2. Hazardous material/fire management/search and rescue pay. Pursuant to the terms of an agreement covering members of the agency police services collective negotiating unit who are full-time annual salaried employees, effective April 1, 2015, all members who are employed by the department of environmental conservation in the forest ranger title series shall continue to receive one thousand five hundred dollars per year in recognition of their expertise and handling of hazardous materials. Hazardous material/fire management/search and rescue pay as set out in this section shall be in addition to and shall not be a part of an

1 employee's basic annual salary, and shall not affect or impair any
2 performance advance or other rights or benefits to which an employee may
3 be entitled by law; provided, however, that hazardous material/fire
4 management/search and rescue pay shall be included as compensation for
5 the purposes of computation of overtime pay and for retirement purposes.
6 This payment will be equally divided over the twenty-six payroll periods
7 in each fiscal year.

8 § 11. Inconvenience pay program. Pursuant to chapter 333 of the laws of
9 1969, as amended, and an agreement negotiated between the state and the
10 employee organization representing members of the agency police services
11 unit, effective April 1, 2015, members of the agency police services unit
12 shall continue to receive inconvenience pay in the amount of five hundred
13 ninety-seven dollars. Any such additional compensation pursuant to this
14 section shall be included as compensation for retirement purposes.

15 § 12. During the period April 1, 2015 through March 31, 2019 or as
16 otherwise agreed, there shall be a statewide joint labor-management
17 committee continued and administered pursuant to the terms of the agree-
18 ment negotiated between, or an interest arbitration award binding the
19 state and the employee organization representing employees in the collec-
20 tive negotiating unit designated as the agency police services unit
21 established pursuant to article 14 of the civil service law which shall,
22 with the amounts available therefore, study and make recommendations
23 concerning major issues of employee assistance, performance evaluation,
24 education and training, quality of work life, health benefits, and
25 provide for the implementation of the terms of agreements of such commit-
26 tees.

27 § 13. Notwithstanding any provision of law to the contrary, the appro-
28 priations contained in this act shall be available to the state for the
29 payment and publication of grievance and arbitration settlements and
30 awards pursuant to articles 7 and 8 of the collective negotiating agree-
31 ment between the state and the employee organization representing the
32 collective negotiating unit designated as the agency police services unit
33 established pursuant to article 14 of the civil service law.

34 § 14. Notwithstanding any provision of law, rule or regulation to the
35 contrary, and where and to the extent an agreement negotiated between the
36 state and the employee organization representing employees in the agency
37 police services collective negotiating unit established pursuant to arti-
38 cle 14 of the civil service law so provides, the salaries of newly hired
39 employees on or after September 1, 1992 into state service in positions
40 within said negotiating unit shall not be subject to the provisions of
41 subdivision 2-a of section 200 of the state finance law.

42 § 15. Date of entitlement to salary increase. Notwithstanding the
43 provisions of this act or of any other provision of law to the contrary,
44 the increase in salary or compensation provided by this act of any member
45 of the agency police services collective negotiating unit established
46 pursuant to article 14 of the civil service law who are full-time annual
47 salaried employees and are police officers pursuant to subdivision 34 of
48 section 1.20 of the criminal procedure law shall be added to the salary
49 of such member at the beginning of that payroll period, the first day of
50 which is nearest to the effective date of such increase as provided in
51 this act, or at the beginning of the earlier of two payroll periods, the
52 first days of which are nearest but equally near to the effective date of
53 such increase as provided in this act; provided, however, that, for the
54 purposes of determining the salary of such unit members upon reclassi-
55 fication, reallocation, appointment, promotion, transfer, demotion, rein-
56 statement, or other change of status, such salary increase shall be

1 deemed to be effective on the date thereof as prescribed by this act,
2 with payment thereof pursuant to this section on a date prior thereto,
3 instead of on such effective date, and shall not operate to confer any
4 additional salary rights or benefits on such unit members. Payment of
5 such salary increase may be deferred pursuant to section sixteen of this
6 act.

7 § 16. Deferred payment of salary increases. Notwithstanding the
8 provisions of any other section of this act or of any other provision of
9 law to the contrary, pending payment pursuant to this act of the basic
10 annual salaries of incumbents of positions subject to this act, such
11 incumbents shall receive, as partial compensation for services rendered,
12 the rate of salary and other compensation otherwise payable in their
13 respective positions. An incumbent holding a position subject to this act
14 at any time during the period from April 1, 2015, until the time when
15 basic annual salaries and other compensation due are first paid pursuant
16 to this act for such services in excess of the salary and other compen-
17 sation actually received therefor, shall be entitled to a lump sum
18 payment for the difference between the salary and other compensation to
19 which such incumbent is entitled for such services and the salary and
20 other compensation actually received. Notwithstanding the provisions of
21 this section or of any other section of this act, the lump sum payments
22 resulting from the increases in salary and other compensation pursuant to
23 this act shall be aggregated in the form of a lump sum payment and made
24 to employees in two equal payments. However, effective the pay period
25 closest to March 31, 2019, the denominator for purposes of calculating
26 overtime shall be adjusted consistent with such interest arbitration
27 award and recalculation of the overtime earned subsequent to March 31,
28 2019 will be reconciled, adjusted and applied in the first retroactive
29 payment referenced herein. The first payment shall be paid as soon as
30 practicable after the passage of legislation implementing a Final Deci-
31 sion and Award covering the period April 1, 2015 to March 31, 2019 and
32 the second payment shall be paid on the first day of the payroll period
33 commencing after April 1, 2021. For the purpose of calculating retirement
34 benefits, the amounts paid under this act shall count as compensation
35 earned during the year or years for which it is calculated and not as
36 compensation earned wholly in the year in which it is paid. Notwith-
37 standing any law, rule or regulation to the contrary, no member of the
38 agency police services unit to whom the provisions of this act apply
39 shall be entitled to, or owed, any interest or other penalty for any
40 reason on any monies due to such member pursuant to the terms of this act
41 and the terms of the agreement or interest arbitration award covering
42 employees in the agency police services unit.

43 § 17. Use of appropriations. Notwithstanding any provision of the state
44 finance law or any other provision of law to the contrary, the state
45 comptroller is authorized to pay any amounts required during the fiscal
46 year commencing April 1, 2020, and/or April 1, 2021 by the provisions of
47 this act for any state department or agency from any appropriation or
48 other funds available to such state department or agency for personal
49 service or for other related employee benefits during such fiscal year.
50 To the extent that such appropriations are insufficient in any fund to
51 accomplish the purposes herein set forth, the director of the budget is
52 authorized to allocate to the various departments and agencies, from any
53 appropriations available in any fund, the amounts necessary to pay such
54 amounts. The aforementioned appropriations shall be available for payment
55 of any liabilities or obligations incurred prior to April 1, 2020, and/or
56 April 1, 2021 in addition to current liabilities.

§ 18. Notwithstanding any provision of the state finance law or any other provision of law to the contrary, the sum of sixty-seven million, five hundred thousand dollars (\$67,500,000) is hereby appropriated in the general fund/state purposes account (10050) in miscellaneous-all state departments and agencies solely for apportionment/transfer by the director of the budget for use by any state department or agency in any fund for the period April 1, 2015 through March 31, 2022 to supplement appropriations for personal service, other than personal service and fringe benefits, and to carry out the provisions of this act. No money shall be available for expenditure from this appropriation until a certificate of approval has been issued by the director of the budget and a copy of such certificate or any amendment thereto has been filed with the state comptroller, the chair of the senate finance committee and the chair of the assembly ways and means committee. The monies hereby appropriated are available for payment of any liabilities or obligations incurred prior to or during the period April 1, 2015 through March 31, 2022. For this purpose, the monies appropriated shall remain in full force and effect for the payment of liabilities incurred on or before March 31, 2022.

§ 19. Notwithstanding any provision of the state finance law or any other provision of law to the contrary, the several amounts as hereinafter set forth, or so much thereof as may be necessary, are hereby appropriated from the fund so designated for use by any state department or agency for the period April 1, 2015 through March 31, 2022 to supplement appropriations from each respective fund available for other than personal service and fringe benefits, and to carry out the provisions of this act. The monies hereby appropriated are available for the payment of any liabilities or obligations incurred prior to or during the period commencing April 1, 2015 through March 31, 2022. No money shall be available for expenditure from the monies appropriated until a certificate of approval has been issued by the director of the budget and a copy of such certificate or any amendment thereto has been filed with the state comptroller, the chair of the senate finance committee and the chair of the assembly ways and means committee. Notwithstanding the provisions of any other section of this act, the salary increases, and lump sum payments provided for in this act shall not be implemented until the director of employee relations has delivered notice to the director of the budget and the comptroller that a Final Decision and Award has been issued and signed by the interest arbitration panel so that such amounts may be paid.

PART WW

Section 1. The section heading of section 421-f of the real property tax law, as amended by chapter 590 of the laws of 1994, is amended to read as follows:

Exemption of capital improvements to residential buildings and certain new construction.

§ 2. Section 421-f of the real property tax law is amended by adding a new subdivision 1-a to read as follows:

1-a. Buildings classified as class one property in section eighteen hundred two of this chapter reconstructed, altered, improved, or newly constructed in a special assessing unit that is not a city shall be exempt from taxation and special ad valorem levies to the extent provided hereinafter in the same manner and to the same extent to county, town, special district and school district taxes levied on the assessment roll prepared by such special assessing unit. Additional buildings and yard improvements shall be excluded from receiving this exemption. An application shall not be required to receive the exemption.

§ 3. Subdivisions 2 and 3 of section 421-f of the real property tax law, as amended by chapter 590 of the laws of 1994, subparagraph (ii) of paragraph (a) of subdivision 2 and subdivision 3 as further amended by subdivision (b) of section 1 of part W of chapter 56 of the laws of 2010, are amended to read as follows:

2. (a) Such buildings shall be exempt for a period of one year to the extent of one hundred per centum of the increase in assessed value thereof attributable to such reconstruction, alteration or improvement, and new construction pursuant to subdivision one-a of this section, and for an additional period of seven years subject to the following:

(i) The extent of such exemption shall be decreased by twelve and one-half per centum of the "exemption base" each year during such additional period. The "exemption base" shall be the increase in assessed value as determined in the initial year of the term of the exemption, except as provided in subparagraph (ii) of this paragraph.

(ii) In any year in which a change in level of assessment of fifteen percent or more is certified for a final assessment roll pursuant to the rules of the commissioner, the exemption base shall be multiplied by a fraction, the numerator of which shall be the total assessed value of the parcel on such final assessment roll (after accounting for any physical or quantity changes to the parcel since the immediately preceding assessment roll), and the denominator of which shall be the total assessed value of the parcel on the immediately preceding final assessment roll. The result shall be the new exemption base. The exemption shall thereupon be recomputed to take into account the new exemption base, notwithstanding the fact that the assessor receives certification of the change in level of assessment after the completion, verification and filing of the final assessment roll. In the event the assessor does not have custody of the roll when such certification is received, the assessor shall certify the recomputed exemption to the local officers having custody and control of the roll, and such local officers are hereby directed and authorized to enter the recomputed exemption certified by the assessor on the roll. The assessor shall give written notice of such recomputed exemption to the property owner, who may, if he or

1 she believes that the exemption was recomputed incorrectly, apply for a
2 correction in the manner provided by title three of article five of this
3 chapter for the correction of clerical errors.

4 (iii) [~~Such~~] Except in a special assessing unit that is not a city,
5 such exemption shall be limited to eighty thousand dollars in increased
6 market value, or such other sum less than eighty thousand dollars, but
7 not less than five thousand dollars as may be provided by the local law
8 or resolution, of the property attributable to such reconstruction,
9 alteration or improvement and any increase in market value greater than
10 such amount shall not be eligible for the exemption pursuant to this
11 section. In a special assessing unit that is not a city, the exemption
12 shall be limited to seven hundred fifty thousand dollars in increased
13 market value. For the purposes of this section, the market value of the
14 reconstruction, alteration or improvement, or new construction as
15 authorized by subdivision one-a of this section, shall be equal to the
16 increased assessed value attributable to such reconstruction, alteration
17 [~~or~~], improvement or new construction divided by the class [~~±~~] one ratio
18 in a special assessing unit or the most recently established state
19 equalization rate or special equalization rate in the remainder of the
20 state, except where the state equalization rate or special equalization
21 rate equals or exceeds ninety-five percent, in which case the increase
22 in assessed value attributable to such reconstruction, alteration [~~or~~],
23 improvement or new construction shall be deemed to equal the market
24 value of such reconstruction, alteration or improvement.

25 (b) [~~No~~] Except in a special assessing unit that is not a city, no
26 such exemption shall be granted for reconstruction, alterations or
27 improvements unless:

28 (i) such reconstruction, alteration or improvement was commenced
29 subsequent to the effective date of the local law or resolution adopted
30 pursuant to subdivision one of this section; and

31 (ii) the value of such reconstruction, alteration or improvement
32 exceeds three thousand dollars; and

33 (iii) the greater portion, as so determined by square footage, of the
34 building reconstructed, altered or improved is at least five years old.

35 (c) For purposes of this section the terms reconstruction, alteration
36 and improvement shall not include ordinary maintenance and repairs.

37 3. [~~Such~~] Except in a special assessing unit that is not a city, such
38 exemption shall be granted only upon application by the owner of such
39 building on a form prescribed by the commissioner. The application shall
40 be filed with the assessor of the city, town, village or county having
41 the power to assess property for taxation on or before the appropriate
42 taxable status date of such city, town, village or county. In a special
43 assessing unit that is not a city, the exemption shall be applied based
44 upon that completion of reconstruction, alteration, improvement or new
45 construction on or before the applicable taxable status date of the
46 special assessing unit; provided, however that the exemption for such
47 reconstruction, alteration, improvement or new construction that
48 occurred after the taxable status date of such special assessing unit
49 for the two thousand nineteen -- two thousand twenty assessment roll
50 and on or before the taxable status date of such special assessing unit
51 for the two thousand twenty -- two thousand twenty-one assessment roll
52 shall be applied beginning with the two thousand twenty-one -- two thou-
53 sand twenty-two assessment roll.

54 § 4. Subdivisions 5, 6 and 7 of section 421-f of the real property tax
55 law, as amended by chapter 590 of the laws of 1994, are amended to read
56 as follows:

5. For the purposes of this section, except in a special assessing unit that is not a city, a residential building shall mean any building or structure designed and occupied exclusively for residential purposes by not more than two families.

6. In the event that a building granted an exemption pursuant to this section ceases to be used primarily for residential purposes ~~[or]~~, is no longer classified as class one property in a special assessing unit that is not a city, or title thereto is transferred to other than the heirs or distributees of the owner in other than a special assessing unit that is not a city, the exemption granted pursuant to this section shall cease.

7. (a) ~~[A]~~ Except for a special assessing unit that is not a city, a county, city, town or village may, by its local law, or school district, by its resolution:

(i) reduce the per centum of exemption otherwise allowed pursuant to this section;

(ii) limit eligibility for the exemption to those forms of reconstruction, alterations or improvements as are prescribed in such local law or resolution;

(iii) provide that the exemption shall be applicable only to those improvements which would otherwise result in an increase in the assessed valuation of the real property but which consist of an addition, remodeling or modernization to an existing residential structure to prevent physical deterioration of the structure or to comply with applicable building, sanitary, health and/or fire codes.

(b) No such local law or resolution shall reduce or repeal an exemption granted pursuant to this section until the expiration of the period for which such exemption was granted.

§ 5. Effect of exemption. A special assessing unit that is not a city shall not consider property exempt pursuant to subdivision 1-a of section 421-f of the real property tax law when calculating tax rates or when apportioning taxes among classes under article 18 of the real property tax law.

§ 6. Severability. If any clause, sentence, paragraph, section or part of this act shall be adjudged by any court of competent jurisdiction to be invalid and after exhaustion of all further judicial review, the judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section or part of this act directly involved in the controversy in which the judgment shall have been rendered.

§ 7. This act shall take effect immediately; provided however, that subdivision 1-a and the amendments made to the section heading and subdivisions 2, 3, 5, 6 and 7 of section 421-f of the real property tax law by sections one through four of this act shall apply only to the 2021-2022, 2022-2023, 2023-2024 and 2024-2025 assessment rolls of the county of Nassau, and shall expire and be deemed repealed January 1, 2026.

PART XX

Section 1. Section 1 of subpart H of part C of chapter 20 of the laws of 2015, appropriating money for certain municipal corporations and school districts, as amended by section 1 of part AAA of chapter 59 of the laws of 2018, is amended to read as follows:

Section 1. Contingent upon available funding, and not to exceed ~~[\$69,000,000]~~ \$140,000,000 moneys from the urban development corporation

shall be available for a local government entity, which for the purposes of this section shall mean a county, city, town, village, school district or special district, where (i) on or after June 25, 2015, an electric generating facility located within such local government entity has ceased operations, and (ii) the closing of such facility has caused a reduction in the real property tax collections or payments in lieu of taxes of at least twenty percent owed by such electric generating facility. Such moneys attributable to the cessation of operations, shall be paid annually on a first come, first served basis by the urban development corporation to such local government entity within a reasonable time upon confirmation from the state office of real property tax services or the local industrial development authority established pursuant to titles eleven and fifteen of article eight of the public authorities law, or the local industrial development agency established pursuant to article eighteen-A of the general municipal law that such cessation has resulted in a reduction in the real property tax collections or payments in lieu of taxes, provided, however, that the urban development corporation shall not provide assistance to such local government entity for more than seven years, and shall award payments reflecting the loss of revenues due to the cessation of operations as follows:

Award Year	Maximum Potential Award
1	no more than eighty percent of loss of revenues
2	no more than seventy percent of loss of revenues
3	no more than sixty percent of loss of revenues
4	no more than fifty percent of loss of revenues
5	no more than forty percent of loss of revenues
6	no more than thirty percent of loss of revenues
7	no more than twenty percent of loss of revenues

A local government entity shall be eligible for only one payment of funds hereunder per year. A local government entity may seek assistance under the electric generation facility cessation mitigation fund once a generator has submitted its notice to the federally designated electric bulk system operator (BSO) serving the state of New York of its intent to retire the facility or of its intent to voluntarily remove the facility from service subject to any return-to-service provisions of any tariff, and that the facility also is ineligible to participate in the markets operated by the BSO. The date of submission of a local government entity's application for assistance shall establish the order in which assistance is paid to program applicants, except that in no event shall assistance be paid to a local government entity until such time that an electric generating facility has retired or become ineligible to participate in the markets operated by the BSO. For purposes of this section, any local government entity seeking assistance under the electric generation facility cessation mitigation fund must submit an attestation to the department of public service that a facility is no longer producing electricity and is no longer participating in markets operated by the BSO. After receipt of such attestation, the department of public service shall confirm such information with the BSO. In the case that the BSO confirms to the department of public service that the facility is no longer producing electricity and participating in markets operated by such BSO, it shall be deemed that the electric generating facility located within the local government entity has ceased operation. The department of public service shall provide such confirmation to the

1 urban development corporation upon receipt. The determination of the
2 amount of such annual payment shall be determined by the president of
3 the urban development corporation based on the amount of the differen-
4 tial between the annual real property taxes and payments in lieu of
5 taxes imposed upon the facility, exclusive of interest and penalties,
6 during the last year of operations and the current real property taxes
7 and payments in lieu of taxes imposed upon the facility, exclusive of
8 interest and penalties. The total amount awarded from this program shall
9 not exceed [~~\$69,000,000~~] \$140,000,000.

10 § 2. Section 4 of subpart H of part C of chapter 20 of the laws of
11 2015, appropriating money for certain municipal corporations and school
12 districts, is amended to read as follows:

13 § 4. This act shall take effect immediately and shall expire and be
14 deemed repealed by July 1, 2025; provided, however, a local government
15 which has not completed its seven years of assistance prior to such date
16 shall continue to receive funding until such seven year timeframe is
17 complete.

18 § 3. This act shall take effect immediately; provided, however, that
19 the amendments to section 1 of subpart H of part C of chapter 20 of the
20 laws of 2015 made by section one of this act shall not affect the repeal
21 of such subpart and shall be deemed repealed therewith.

22 PART YY

23 Section 1. Section 15 of part 00 of chapter 54 of the laws of 2016,
24 amending the public authorities law relating to procurements by the New
25 York City transit authority and the metropolitan transportation authori-
26 ty, is amended to read as follows:

27 § 15. This act shall take effect immediately, and shall expire and be
28 deemed repealed April 1, [~~2021~~] 2024.

29 § 2. This act shall take effect immediately.

30 PART ZZ

31 Section 1. The environmental conservation law is amended by adding a
32 new section 11-0935 to read as follows:

33 § 11-0935. Deer hunting pilot program.

34 1. Notwithstanding subdivision one-a of section 11-0701 and the cross-
35 bow prohibition of subdivision one of section 11-0929, a hunting license
36 holder who is twelve or thirteen years of age may hunt deer with a
37 crossbow, rifle, shotgun, or muzzle-loading firearm as provided in this
38 title in an eligible area provided that:

39 (a) such minor is accompanied by their parent or legal guardian, or by
40 a person designated in writing by such parent or legal guardian on a
41 form prescribed by the department who is twenty-one years of age or
42 older; and

43 (b) such parent, guardian or person has had at least three year's
44 experience in hunting deer; and

45 (i) such parent, guardian or person holds a hunting license; and

46 (ii) such parent, guardian or person maintains physical control over
47 the minor at all times while hunting. For the purposes of this paragraph
48 "physical control" shall mean that the physical proximity of such minor
49 to the parent, guardian or person is such that the parent, guardian or
50 person is reasonably able to issue verbal directions and instructions,
51 maintain constant visual contact, and otherwise provide guidance and
52 supervision to the minor; and

1 (iii) such parent, guardian or person and the minor remain at ground
2 level at all times while hunting; and

3 (c) such parent, guardian or person and the minor shall each display
4 either a minimum total of two hundred fifty square inches of solid
5 fluorescent orange or pink or patterned fluorescent orange or pink
6 consisting of no less than fifty percent fluorescent orange or pink
7 material worn above the waist and visible from all directions, or a hat
8 or cap with no less than fifty percent of the exterior consisting of
9 solid fluorescent orange or pink material and visible from all
10 directions.

11 2. For the purposes of this section "eligible area" shall include a
12 county that has passed a local law authorizing participation in the
13 pilot program and has notified the department of such participation,
14 provided, however, that the following counties: Westchester; Richmond;
15 Bronx; New York; Kings; Queens; Nassau; and Suffolk shall not be deemed
16 to be eligible.

17 3. The department shall prepare a report by February first of each
18 year including the following information at a minimum: number of
19 violations; hunting related incidents and revocations pursuant to
20 section 11-0719; the number of counties participating; the number of
21 minors participating; and the number of deer taken.

22 § 2. This act shall take effect June 1, 2021 and shall expire and be
23 deemed repealed December 31, 2023.

24 PART AAA

25 Section 1. Notwithstanding the contrary provisions of section 9-0501
26 of the environmental conservation law and the contrary provisions of the
27 public lands law, the department of environmental conservation is
28 authorized to grant easements for buried electric cables on real proper-
29 ty within the Farmersville State Forest, Lost Nation State Forest, and
30 Swift Hill State Forest, which meet the following conditions:

31 (a) The easements are for buried electric cables which are part of a
32 wind powered electric generation project located in the towns of Rush-
33 ford, Farmersville, Arcade, Centerville, Freedom, and Machias.

34 (b) The easements are for a portion of properties located within Farm-
35 ersville State Forest, Lost Nation State Forest, and Swift Hill State
36 Forest owned by the state and managed by the department of environmental
37 conservation. To avoid impacts to these three state forests associated
38 with the placement of buried electric cables serving the aforementioned
39 wind-powered electric generation project and consistent with the certif-
40 ication and approval of the project pursuant to article 10 of the public
41 service law, the electric cables in these three state forests shall be
42 installed underground, directional boring shall be used to install such
43 underground cables, and, for the duration of and in connection with the
44 easements granted, no trees shall be removed from these three state
45 forests before, during or after installation of such buried cables. The
46 buried cables shall be:

47 (1) located underground for approximately 500 feet between turbines
48 101 and 102 (which are sited on private land), and passing below a
49 section of Farmersville State Forest in Cattaraugus County;

50 (2) located underground for approximately 1,600 feet on the south side
51 of Hess Road along the Farmersville State Forest boundary in Cattaraugus
52 County, turning southwest to follow an existing track for approximately
53 420 feet, and continuing west along the northern parcel boundary for

1 approximately 1,300 feet to the property line, to connect turbines 100
2 and 104 (both sited on private land);

3 (3) located underground for approximately 2,950 feet along the west
4 side of North Hill Road in Lost Nation State Forest in Allegany County
5 to connect turbines 73, 75, 76, and 77 (all sited on private land) to
6 the rest of the project; and

7 (4) located underground for approximately 1,150 feet on the east side
8 of Rushford Road, along the western edge of Swift Hill State Forest in
9 Allegany County to connect turbines 124 and 125 (both sited on private
10 land) to the rest of the project.

11 (c) The easements will be conveyed by the department of environmental
12 conservation and take effect only in the event the underground cables
13 proposed to be on such easement lands are certified and approved as part
14 of a wind powered electric generation facility pursuant to article 10 of
15 the public service law.

16 (d) The easements shall terminate when the associated wind powered
17 electric generation project ceases to operate for 18 months as set forth
18 in the easements and the easements shall then revert to the state to be
19 managed by the department of environmental conservation as state forest
20 land.

21 (e) The use of chemicals/herbicides for clearing said easements is
22 prohibited unless prior approval for the same is granted by the depart-
23 ment of environmental conservation, division of lands and forests.

24 § 2. (a) In entering into the easements described in section one of
25 this act, the department of environmental conservation is authorized to
26 grant such easements for fair market value plus twenty percent of the
27 value of the easements plus one hundred thousand dollars upon applica-
28 tion by Alle-Catt Wind Energy LLC.

29 (b) An amount, not less than fair market value plus twenty percent of
30 the value of the easements plus one hundred thousand dollars shall be
31 used to obtain for the state an interest in real property for open space
32 purposes in region 9 of the department of environmental conservation
33 from the regional priority conservation projects list in region 9 as
34 part of this state's open space conservation plan. The total payment for
35 such acquisition or acquisitions shall not be less than the value of the
36 easements to be conveyed by the state plus twenty percent of the value
37 of such easements plus one hundred thousand dollars.

38 (c) Any monies received by the department of environmental conserva-
39 tion from Alle-Catt Wind Energy LLC in consideration of these easements
40 shall be deposited into the state environmental protection fund, as
41 established in section 92-s of the state finance law, until such time as
42 they can be used towards the purchase of the real property as contem-
43 plated in subdivision (b) of this section.

44 (d) The description of the easements to be conveyed by this act is not
45 intended to be a legal description, but is intended to identify the
46 easements to be conveyed. As a condition of conveyance Alle-Catt Wind
47 Energy LLC shall submit to the commissioner of environmental conserva-
48 tion for his or her approval an accurate survey and description of lands
49 generally described in this section which may be used in the conveyance
50 thereof.

51 (e) The grant of the easements is conditioned on the issuance of
52 certificates of environmental compatibility and public need pursuant to
53 the provisions of article 10 of the public service law.

54 § 3. The commissioner of environmental conservation may prescribe
55 additional terms for such exchange of real property. Such contract shall
56 not become binding upon the state until approved by the state comp-

troller. Title to the land to the people of the state of New York pursuant to the provisions of such contract shall be approved by the attorney general, and the deed to the state shall be approved by him or her as to form and manner of execution and recordability before such deed shall be accepted on behalf of the state. Notwithstanding the contrary provisions of the public lands law, the conveyance of the state-owned easements pursuant to such contract shall be without reservation or exception, except as provided for in such contract. Upon certification by the commissioner of environmental conservation to the commissioner of general services of a copy of the contract, and certification that Alle-Catt Wind Energy LLC has complied with all terms and conditions of the contract upon their part to be kept and performed, together with a description of any of the easements to be exchanged, conveyed and/or payments to be made, the commissioner of general services shall convey the easements described in section one of this act in accordance with the provisions of the contract.

§ 4. This act shall take effect immediately, and shall expire and be deemed repealed five years after such date; provided, however, should the easements be granted within the five years, the term of the easements will establish the end date of the easements. At such time the land will revert back to the state of New York for state forest purposes.

21 (c) The working group, on call of the commissioner of the department
22 of agriculture and markets, shall meet at least three times each year
23 and at such other times as may be necessary.

24 § 4. This act shall take effect immediately and shall be deemed to
25 have been in full force and effect on and after April 3, 2020; provided,
26 however, that the amendments to section 94-c of the executive law, made
27 by sections two and three of this act, shall not affect the repeal of
