AN ACT to amend the labor law in relation to removing certain provisions relating to covered airport workers; and in relation to minimum wage rates for covered airport workers; to repeal certain provisions of the labor law relating thereto; and to repeal section 14 of a chapter of the laws of 2020 amending the labor law relating to enacting the "healthy terminals act", as proposed in legislative bills numbers S.6266-D and A.8142-E relating thereto.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

§ 1. Legislative findings and intent. The legislature finds that the airports of John F. Kennedy International Airport and LaGuardia Airport operating under the jurisdiction of the Port Authority of New York and New Jersey are some of the most heavily trafficked transportation centers in the world, and are vital not just to the economic health of the state but to the world. The legislature further determines that there is a unique public interest in the operation of the airline industry with the critical role of airport workers during the COVID-19 pandemic, where airport workers have been placed into contact with members of the public in an often uncontrolled manner. Due to such findings, the legislature hereby declares that the access to health care provided in this bill is intended to provide a health care benefit that ensures the health and safety of workers employed at John F. Kennedy International Airport and LaGuardia Airport is protected.

§ 2. The article heading of article 9 of the labor law, as amended by a chapter of the laws of 2020 amending the labor law relating to enacting the "healthy terminals act", as proposed in legislative bills numbers S.6266-D and A.8142-E, is amended to read as follows:

§ 12. Subdivisions 1 and 4 of section 237 of the labor law, as amended by a chapter of the laws of 2020 amending the labor law relating to enacting the "healthy terminals act", as proposed in legislative bills numbers S.6266-D and A.8142-E, are amended to read as follows:

Such verified statement shall be filed in the manner described in subdivision three of this section, provided, however, that in the case of contracts for work involving the employment of covered airport workers, such verified statement shall be subject to inspection upon request of the fiscal officer. It shall be a violation of this article for any contractor or its subcontractor to fail to provide for its subcontractor a copy of the schedule of wages and supplements specified in the contract.

4. guilty of a misdemeanor and upon conviction shall be punished for a
first offense by a fine of five hundred dollars or by imprisonment for
not more than thirty days or by both fine and imprisonment; for a second
offense by a fine of one thousand dollars, and in addition thereto the
contract on which the violation has occurred shall be forfeited; and no
such contractor shall be entitled to receive any sum, nor shall any
officer, agent or employee of the contracting public agency pay any such
sum or authorize its payment from the funds under his charge or control
to such contractor for work done upon the contract on which the contrac-
tor has been convicted of a second offense. If the contractor or
subcontractor is a corporation, any officer of such corporation who
knowingly permits the corporation to fail to make such payment shall
also be guilty of a misdemeanor and the criminal and civil penalties
herein shall attach to such officer upon conviction.
§ 14. Section 239 of the labor law, as amended by a chapter of the
laws of 2020 amending the labor law relating to enacting the "healthy
terminals act", as proposed in legislative bills numbers S.6266-D and
A.8142-E, is amended to read as follows:

hired for the performance of work under the contract on account of race,
creed, color, national origin, age, sex or disability;
(3) that there may be deducted from the amount payable to the contrac-
tor by the public agency under the contract a penalty of fifty dollars for each person for each day during which such person
was discriminated against or intimidated in violation of the provisions
of the contract;
(4) that the contract may be cancelled or termi-
nated by the public agency, and all moneys due or to become due there-
der may be forfeited for a second or any subsequent violation of the
terms or conditions of this section of the contract.
§ 15. Section 239-a of the labor law, as amended by a chapter of the
laws of 2020 amending the labor law relating to enacting the "healthy
terminals act", as proposed in legislative bills numbers S.6266-D and
A.8142-E, is amended to read as follows:
§ 239-a. Enforcement of article. If the fiscal officer, as
defined herein, finds that any contractor on service work fails to
comply with or evades the provisions of this article, he shall present
evidence of such noncompliance or evasion to the public agency having
charge of such work for enforcement. Where such evidence indicates a
noncompliance or evasion on the part of a subcontractor, the contractor
shall be responsible for such noncompliance or evasion. It shall be the
duty of the public agency in charge of such service work to enforce the provisions of this article.

[2. If the fiscal officer, as defined herein, finds that any contractor on work involving the employment of covered airport workers fails to comply with or evades the provisions of this article, it shall be the duty of the fiscal officer to enforce the provisions of this article.]

Such statement shall further include an affirmation that such employer will ensure that the number of covered airport workers it employs at a covered airport location between July first, two thousand twenty-one and December thirty-first, two thousand twenty-two is no less than the December thirtieth, two thousand twenty benchmark. Such sworn statement shall be provided by the commissioner upon request by any airport worker performing cleaning and related services, security related services, in terminal and passenger handling services, airline catering, or airport lounge services, at a covered airport location or any representative of such airport workers. Prior to employing any airport workers to perform cleaning and related services, security related services, in terminal and passenger handling services, airline catering, or airport lounge services, at a covered airport location, any successor airport employer shall obtain the applicable December thirtieth, two thousand twenty benchmark from the commissioner and submit to the commissioner an affirmation that such employer will ensure that the number of covered airport workers it employs at a covered airport location between July first, two thousand twenty-one and December thirty-first, two thousand twenty-two is no less than the December thirtieth, two thousand twenty benchmark.

The commissioner shall publish a list of all covered classifications with the corresponding proportions of all workers employed to work an average of at least thirty hours a week compared to all workers in the same classification working at each covered airport location in the calendar year two thousand nineteen. The commissioner shall be empowered to promulgate rules or regulations to determine the method and accounting for such information and to verify its accuracy, including the ability to establish a presumed proportion where records are missing or unavailable and provided further that such full-time levels shall be no less than such December thirtieth, two thousand twenty benchmark. If such proportion is not maintained, consistent with such rules or regulations promulgated by the commissioner, then the hours worked by such part time workers, which are outside of such proportion, shall be subject to the provisions of this section as if they worked an average of at least thirty hours per week at a covered airport location and were otherwise a covered airport worker.

§ 696-c. Minimum wage rate for covered airport workers. All covered employers shall ensure that every covered airport worker is compensated at a rate that is no less than the applicable standard rate. Nothing in this article shall alter or limit any employer’s obligation to pay any otherwise applicable prevailing wage under article eight or nine of this chapter.

§ 696-d. Commissioner’s powers of investigation. The commissioner or his or her authorized representative shall have the power to:

1. investigate the compensation of covered airport workers in the state;

2. enter the place of business or employment of any employer for the purpose of (a) examining and inspecting any and all books, registers, payrolls, and other records that in any way relate to or have a bearing upon the compensation provided to, or the hours worked by any employees, and (b) ascertaining whether the provisions of this article and the rules and regulations promulgated hereunder are being complied with; and

3. require from any employer full and correct statements and reports in writing, at such times as the commissioner may deem necessary, of the compensation provided to and the hours by such employer’s employees.

§ 696-e. Records of employers. For every employee covered by this article, every employer shall establish, maintain, and preserve for not less than six years contemporaneous, true, and accurate payroll records showing for each week worked the hours worked, the compensation provided, plus such other information as the commissioner deems material and necessary. For all covered airport workers who are not exempt from overtime compensation as established in the commissioner’s minimum wage orders or otherwise provided by law, rule, or regulation, the payroll records shall include the compensation provided and the regular hourly rate or rates of pay, the overtime rate or rates of pay, the number of regular hours worked, the number of overtime hours worked and the cost of benefits and/or benefit supplements. On demand, the employer shall furnish to the commissioner or his or her duly authorized representative a sworn statement of the hours worked, rate or rates of compensation, for each covered airport worker, plus such other information as the commissioner deems material and necessary. Every employer shall keep such records open to inspection by the commissioner or his or her duly authorized representative at any reasonable time. Every employer of a covered airport worker shall keep a digest and summary of this article which shall be prepared by the commissioner, posted in a conspicuous place in his or her establishment and shall also keep posted such additional copies of said digest and summary as the commissioner prescribes. Employers shall, on request, be furnished with copies of this article and of orders, and of digests and summaries thereof, without charge.
Employers shall permit the commissioner or his or her duly authorized representative to question without interference any employee of such employer in a private location at the place of employment and during working hours in respect to the wages paid to and the hours worked by such employee or other employees.

§ 696-f. Penalties. 1. If the commissioner finds that any employer has violated any provision of this article or of a rule or regulation promulgated thereunder, the commissioner may, after an opportunity for a hearing, and by an order which shall describe particularly the nature of the violation, assess the employer a civil penalty of not more than ten thousand dollars for the first such violation within six years, not more than twenty thousand dollars for a second violation within six years and not more than fifty thousand dollars for a third or subsequent violation within six years. Such penalty shall be paid to the commissioner for deposit in the treasury of the state. In assessing the amount of the penalty, the commissioner shall give due consideration to the size of the employer's business, the good faith of the employer, the gravity of the violation, the history of previous violations and the failure to comply with record-keeping or other requirements.

2. Any order issued under subdivision one of this section shall be deemed a final order of the commissioner and not subject to review by any court or agency unless the employer files a petition with the industrial board of appeals for a review of the order, pursuant to section one hundred one of this chapter.

3. The civil penalty provided for in this section shall be in addition to and may be imposed concurrently with any other remedy or penalty provided for in this chapter.

4. Upon a showing by an employee organization, the commissioner may investigate by examining payroll records whether an employer withheld hours of work to employees for the purpose of reducing the employer's obligations under this article. If, after the opportunity for a hearing, the commissioner determines that an employer withheld hours of work to employees for the purpose of reducing the employer's obligations under this article, the commissioner may, in addition to any other penalty available, also require that the employer pay the standard benefits supplement rate to all of the employer's employees, regardless of the number of hours worked by the employees.

§ 696-g. Civil action. 1. On behalf of any employee paid less than the applicable standard rate to which the employee is entitled under the provisions of this article, the commissioner may bring any legal action necessary, including administrative action, to collect such claim, and the employer shall be required to pay the full amount of the underpayment, plus costs, and unless the employer proves a good faith basis to believe that its underpayment was in compliance with the law, an additional amount as liquidated damages. Liquidated damages shall be calculated by the commissioner as no more than one hundred percent of the total amount of underpayments found to be due the employee. In any action brought by the commissioner in a court of competent jurisdiction, liquidated damages shall be calculated as an amount equal to one hundred percent of underpayments found to be due the employee.

2. Notwithstanding any other provision of law, an action to recover upon a liability imposed by this article must be commenced within six years. The statute of limitations shall be tolled from the date an employee files a complaint with the commissioner or the commissioner commences an investigation, whichever is earlier, until an order to comply issued by the commissioner becomes final, or where the commis-
section does not issue an order, until the date on which the commissioner notifies the complainant that the investigation has concluded.

3. In any civil action by the commissioner, the commissioner shall have the right to collect attorneys' fees and costs incurred in enforcing any court judgment. Any judgment or court order awarding remedies under this section shall provide that if any amounts remain unpaid upon the expiration of ninety days following issuance of judgment, or ninety days after expiration of the time to appeal and no appeal therefrom is then pending, whichever is later, the total amount of judgment shall automatically increase by fifteen percent.

§ 696-h. Regulations. 1. The commissioner may promulgate such regulations as he or she deems appropriate to carry out the purposes of this article and to safeguard minimum compensation standards.

§ 696-i. Savings clause. 1. If any provision of this article or the application thereof to any person, occupation or circumstance is held invalid, the remainder of the article and the application of such provision to other persons, employees, occupations, or circumstances shall not be affected thereby.

2. If any clause, sentence, paragraph, subdivision, section or part of this article shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part thereof directly involved in the controversy in which such judgment shall have been rendered. It is hereby declared to be the intent of the legislature that this article would have been enacted even if such invalid provisions had not been included herein.

3. If section six hundred ninety-six-a, section six hundred ninety-six-b, or section six hundred ninety-six-c of this article or any portion thereof shall be adjudged, whether by final judgment, a temporary restraining order, or a preliminary injunction, by any court of competent jurisdiction to be preempted by federal law, then the "standard benefits supplement rate" defined in subdivision six of section six hundred ninety-six-a of this article shall immediately mean the following:

(a) An hourly supplement of four dollars and fifty-four cents furnished to an employee by providing at least four dollars and fifty-four cents per hour beginning on July first, two thousand twenty-one in one of the following ways: (i) in the form of health and/or other benefits, not including paid leave, that cost the employer the entire required hourly supplemental amount; (ii) by providing a portion of the required hourly supplemental amount in the form of health and/or other benefits, not including paid leave, and the balance in cash; or (iii) by providing the entire supplement in cash.

(b) The value of such supplement shall be no less than four dollars and fifty-four cents per hour.

(c) The standard benefits supplement rate shall apply only to the first forty hours worked by each covered airport worker in each week and shall not apply to any overtime hours worked by any covered airport worker.

(d) The standard benefits supplement rate shall apply to any paid leave taken by a covered airport worker that does not exceed forty hours in a week.

4. If section six hundred ninety-six-a, section six hundred ninety-six-b, or section six hundred ninety-six-c of this article or any portion thereof shall be adjudged by any preliminary relief, including a
temporary restraining order or a preliminary injunction, by any court of
competent jurisdiction to be preempted by federal law but is later
adjudged by the same court not to be preempted by federal law in a final
judgment, then the definition of "standard benefits supplement rate"
shall immediately revert to the definition stated in subdivision six of
section six hundred ninety-six-a of this article.
§ 17. Section 14 of a chapter of the laws of 2020 relating to enacting
the "healthy terminals act", as proposed in legislative bills numbers S.
6266-D and A. 8142-E is REPEALED.
§ 18. This act shall take effect on the same date and in the same
manner as a chapter of the laws of 2020 amending the labor law relating
