2021-2022 Regular Sessions

IN ASSEMBLY

January 22, 2021

Introduced by M. of A. PRETLOW -- read once and referred to the Committee on Education

AN ACT to amend the education law, in relation to charter schools

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative intent. New York's charter school law was
2 enacted 14 years ago in an effort to create new learning opportunities
3 for all students, to encourage different and innovative teaching methods
4 and to provide parents and students with expanded choice within the
5 public schools. Fourteen years provides the state with enough informa-
6 tion to make judgments about changes that are needed in the law to
7 ensure the public knows how their tax dollars are being spent and to
8 ensure public schools serving the majority of students have the
9 resources needed to provide a quality education to all students. This
10 legislation is intended to clarify the transparency and accountability
11 of charter schools and provide fiscal relief to the school districts
12 where charter schools are located.

13 § 2. Subdivision 1 of section 2851 of the education law, as amended by
14 chapter 101 of the laws of 2010, is amended to read as follows:

15 1. An application to establish a charter school may be submitted by
16 teachers, parents, school administrators, community residents or any
17 combination thereof. Such application may be filed in conjunction with
18 a college, university, museum, educational institution, not-for-profit
19 corporation exempt from taxation under paragraph 3 of subsection (c) of
20 section 501 of the internal revenue code [~~or for-profit business or~~
21 ~~corporate entity authorized to do business in New York state. Provided~~
22 ~~however, for-profit business or corporate entities shall not be eligible~~
23 ~~to submit an application to establish a charter school pursuant to~~
24 ~~subdivision nine-a of section twenty-eight hundred fifty-two of this~~
25 ~~article, or operate or manage a charter school for a charter issued~~
26 ~~pursuant to subdivision nine-a of section twenty-eight hundred fifty-two~~

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

For charter schools established in conjunction with a for-profit business or corporate entity, the charter shall specify the extent of the entity's participation in the management and operation of the school], and provided that under no circumstances shall an application to establish a charter school or approval to operate a charter school be granted to a for-profit business or corporate entity authorized to do business in this state nor in any manner whatsoever shall they have an involvement in the management and operation of a charter school. The application shall include the amount of any management fee to be paid to any not-for-profit corporation working in conjunction with the applicants. Salaries of the employees of such not-for-profit corporation may not exceed the salaries for comparable positions in the school district of location.~~

5-b. 3 § 14. Subdivision 2 of section 2854 of the education law, as added by
4 chapter 4 of the laws of 1998, paragraph (a) as amended by chapter 101
5 of the laws of 2010, and paragraph (b) as amended by section 3 of

12 and to the same extent as other public schools. A charter school shall
13 not discriminate against any student, employee or any other person on
14 the basis of ethnicity, national origin, gender, or disability or any
15 other ground that would be unlawful if done by a school. Admission of
16 students shall not be limited on the basis of intellectual ability,
17 measures of achievement or aptitude, athletic ability, disability, race,
18 creed, gender, national origin, religion, or ancestry; provided, howev-

20 establishment of a single-sex charter school or a charter school
21 designed to provide expanded learning opportunities for students at-risk
22 of academic failure or students with disabilities and English language
23 learners; and provided, further, that the charter school shall ~~[demon-~~
24 ~~strate good faith efforts to]~~ attract and retain a comparable or greater
25 enrollment of students with disabilities, English language learners, and
26 students who are eligible applicants for the free and reduced price
27 lunch program when compared to the enrollment figures for such students
28 in the school district in which the charter school is located. If a
29 charter school is not successful in attracting a comparable or greater

31 students as compared to the enrollment figures for such students in the
32 school district in which the charter school is located such charter

43 Applications for admission to a charter school shall be submitted on a
44 uniform application form created by the department and shall be made
45 available by a charter school in languages predominately spoken in the
46 community in which such charter school is located. The school shall
47 enroll each eligible student who submits a timely application by the
48 first day of April each year, unless the number of applications exceeds
49 the capacity of the grade level or building. In such cases, students
50 shall be accepted from among applicants by a random selection process,
51 provided, however, that an enrollment preference shall be provided to
52 pupils when the charter school is located within one mile of the pupils'
53 residence, pupils returning to the charter school in the second or any
54 subsequent year of operation and pupils residing in the school district
55 in which the charter school is located, and siblings of pupils already

2 erence may also be provided to children of employees of the charter
3 school or charter management organization, provided that such children
4 of employees may constitute no more than fifteen percent of the charter
5 school's total enrollment. The commissioner shall establish regulations
6 to require that the random selection process conducted pursuant to this
7 paragraph be performed in a transparent and equitable manner and to
8 require that the time and place of the random selection process be
9 publicized in a manner consistent with the requirements of section one
10 hundred four of the public officers law and be open to the public. For
11 the purposes of this paragraph and paragraph (a) of this subdivision,
12 the school district in which the charter school is located shall mean,
13 for the city school district of the city of New York, the community
14 district in which the charter school is located. The charter entity is
15 responsible for ensuring the selection process is conducted in accord-
16 ance with this paragraph. If the charter entity determines the process
17 is not in compliance with this paragraph, the charter entity shall
18 conduct the process.

19 (c) A charter school shall serve one or more of the grades one through
20 twelve, and shall limit admission to pupils within the grade levels
21 served. Nothing herein shall prohibit a charter school from establishing
22 a kindergarten program.

23 (d) A student may withdraw from a charter school at any time and
24 enroll in a public school. A charter school must provide a report to the
25 chartering entity each year indicating the number of students leaving
26 the charter school, the months in which the students leave the school,
27 the reason the students leave the school and the school the student is
28 currently attending. A charter school may refuse admission to any
29 student who has been expelled or suspended from a public school until
30 the period of suspension or expulsion from the public school has
31 expired, consistent with the requirements of due process.

32 § 15. Paragraphs (b-1), (c) and (c-1) of subdivision 3 of section 2854
33 of the education law, paragraph (b-1) as amended by section 6 of part
34 D-2 of chapter 57 of the laws of 2007, and paragraphs (c) and (c-1) as
35 added by chapter 4 of the laws of 1998, are amended to read as follows:

36 (b-1) The employees of a charter school [~~that is not a conversion from~~
37 ~~an existing public school~~] shall [~~not~~] be deemed members of [~~any~~] the
38 existing collective bargaining unit representing employees of the school
39 district in which the charter school is located, and the charter school
40 and its employees shall [~~not~~] be subject to any existing collective
41 bargaining agreement between the school district and its employees.
42 [~~Provided, however, that (i) if the student enrollment of the charter~~
43 ~~school on the first day on which the charter school commences student~~
44 ~~instruction exceeds two hundred fifty or if the average daily student~~
45 ~~enrollment of such school exceeds two hundred fifty students at any~~
46 ~~point during the first two years after the charter school commences~~
47 ~~student instruction, all employees of the school who are eligible for~~
48 ~~representation under article fourteen of the civil service law shall be~~
49 ~~deemed to be represented in a separate negotiating unit at the charter~~
50 ~~school by the same employee organization, if any, that represents like~~
51 ~~employees in the school district in which such charter school is~~
52 ~~located; (ii) the provisions of subparagraph (i) of this paragraph may~~
53 ~~be waived in up to ten charters issued on the recommendation of the~~
54 ~~charter entity set forth in paragraph (b) of subdivision three of~~
55 ~~section twenty-eight hundred fifty-one of this article; (iii) the~~
56 ~~provisions of subparagraph (i) of this paragraph shall not be applicable~~

~~to the renewal or extension of a charter, and (iv) nothing in this sentence shall be construed to subject a charter school subject to the provisions of this paragraph or its employees to any collective bargaining agreement between any public school district and its employees or to make the employees of such charter school part of any negotiating unit at such school district. The charter school may, in its sole discretion, choose whether or not to offer the terms of any existing collective bargaining to school employees.]~~ Provided, however, that a majority of the members of a negotiating unit within a charter school may modify, in writing, a collective bargaining agreement for the purposes of employment in the charter school with the approval of the board of trustees of the charter school.

(c) The employees of the charter school ~~[may]~~ shall be deemed employees of the local school district for the purpose of providing retirement benefits, including membership in the teachers' retirement system and other retirement systems open to employees of public schools. The financial contributions for such benefits shall be the responsibility of the charter school and the school's employees. The commissioner, in consultation with the comptroller, shall develop regulations to implement the provisions of this paragraph in a manner that allows charter schools to provide retirement benefits to its employees in the same manner as other public school employees.

(c-1) Reasonable access. (i) If employees of the charter school are not represented, any charter school chartered pursuant to this article must afford reasonable access to any employee organization during the reasonable proximate period before any representation question is raised in the same manner as any public employer; or

(ii) If the employee organization is a challenging organization, reasonable access must be provided to any organization seeking to represent employees beginning with a date reasonably proximate to a challenge period. Reasonableness is defined, at a minimum, as access equal to that provided to the incumbent organization.

§ 16. Subdivision 1 of section 2855 of the education law, as amended by chapter 101 of the laws of 2010, is amended to read as follows:

1. The charter entity, or the board of regents, ~~[may]~~ shall terminate a charter upon any of the following grounds:

(a) When a charter school's outcome on student assessment measures adopted by the board of regents falls below the level that would allow the commissioner to revoke the registration of another public school, and student achievement on such measures ~~[has not shown improvement]~~ has not met annual yearly progress over the preceding three school years;

(b) Serious violations of law;

(c) Material and substantial violation of the charter, including fiscal mismanagement and failure to meet student performance targets;

(d) When the public employment relations board makes a determination that the charter school demonstrates a practice and pattern of egregious and intentional violations of subdivision one of section two hundred nine-a of the civil service law involving interference with or discrimination against employee rights under article fourteen of the civil service law; ~~[or]~~

(e) Repeated failure to comply with the requirement to meet or exceed enrollment and retention targets of students with disabilities, English language learners, and students who are eligible applicants for the free and reduced price lunch program pursuant to targets established by the board of regents or the board of trustees of the state university of New York, as applicable. Provided, however, if no grounds for terminating a

1 charter are established pursuant to this section other than pursuant to
2 this paragraph, and the charter school demonstrates that it has made
3 extensive efforts to recruit and retain such students, including
4 outreach to parents and families in the surrounding communities, widely
5 publicizing the lottery for such school, and efforts to academically
6 support such students in such charter school, then the charter entity or
7 board of regents may retain such charter[-]; or

8 (f) Failure to enroll a comparable percentage of students qualifying
9 for free lunch, students with disabilities and English language learners
10 for two consecutive years.

16 districts for the local share of the charter school tuition payment of
17 any students attending a charter school in the June payment required by

20 payment the per pupil foundation aid amount attributable to such pupil.

21 (b) The school district shall also pay directly to the charter school
22 any federal or state aid attributable to a student with a disability
23 attending charter school in proportion to the level of services for such
24 student with a disability that the charter school provides directly or
25 indirectly. Notwithstanding anything in this section to the contrary,
26 amounts payable pursuant to this subdivision from state or local funds
27 may be reduced pursuant to an agreement between the school and the char-
28 ter entity set forth in the charter. Payments made pursuant to this
29 subdivision shall be made by the school district in six substantially
30 equal installments each year beginning on the first business day of July
31 and every two months thereafter. Amounts payable under this subdivision
32 shall be determined by the commissioner. Amounts payable to a charter
33 school in its first year of operation shall be based on the projections
34 of initial-year enrollment set forth in the charter until actual enroll-
35 ment data is reported to the school district by the charter school. Such
36 actual enrollment shall be reported to the school district prior to each
37 payment following the initial July payment which shall be based on
38 projected enrollment. Such projections shall be reconciled with the
39 actual enrollment as actual enrollment data is so reported and at the
40 end of the school's first year of operation and each subsequent year
41 based on a final report of actual enrollment by the charter school, and
42 any necessary adjustments resulting from such final report shall be made
43 to payments during the school's following year of operation.
