Introduced by M. of A. SAYEGH, DICKENS, GRIFFIN, GALEF, SIMON, BUTTENS-  
CHON, MONTESANO -- read once and referred to the Committee on Corpo-  
rations, Authorities and Commissions

AN ACT to amend the public service law, in relation to requiring the  
emergency response plan of an electric corporation to include plans  
for how the communication and coordination of efforts shall occur

The People of the State of New York, represented in Senate and Assem-  
bly, do enact as follows:

1 Section 1. Paragraph (a) of subdivision 21 of section 66 of the public  
2 service law, as added by section 4 of part X of chapter 57 of the laws  
3 of 2013, is amended to read as follows:

4 (a) Each electric corporation subject to section twenty-five-a of this  
5 chapter shall annually, on or before December fifteenth, submit to the  
6 commission an emergency response plan for review and approval. The emer-  
7 gency response plan shall be designed for the reasonably prompt restora-  
8 tion of service in the case of an emergency event, defined for purposes  
9 of this subdivision as an event where widespread outages have occurred  
10 in the service territory of the company due to storms or other causes  
11 beyond the control of the company. The emergency response plan shall  
12 include, but need not be limited to, the following: (i) the identifica-  
13 tion of management staff responsible for company operations during an  
14 emergency; (ii) a communications system with customers during an emer-  
15 gency that extends beyond normal business hours and business conditions;  
16 (iii) identification of and outreach plans to customers who had docu-  
17 mented their need for essential electricity for medical needs; (iv)  
18 identification of and outreach plans to customers who had documented  
19 their need for essential electricity to provide critical telecommuni-  
20 cations, critical transportation, critical fuel distribution services or  
21 other large-load customers identified by the commission; (v) designation  
22 of company staff to communicate with local officials and appropriate  
23 regulatory agencies; (vi) provisions regarding how the company will

12 utilities including cable television companies, internet service provid-  
13 ers, local governments and any other entity performing services to  
14 assist such electric corporation shall occur; and [~~(xii)~~] (xiii) such  
15 other additional information as the commission may require. Each such  
16 corporation shall, on an annual basis, undertake drills implementing  
17 procedures to practice its emergency management plan. The commission may  
18 adopt additional requirements consistent with ensuring the reasonably  
19 prompt restoration of service in the case of an emergency event.  
20 § 2. This act shall take effect immediately.
