AN ACT to amend the public health law, in relation to prescribing an
opioid antagonist with a patient's first opioid prescription in a
given year

The People of the State of New York, represented in Senate and Assem-
bly, do enact as follows:

Section 1. Section 3309 of the public health law is amended by adding
a new subdivision 7 to read as follows:

7. With the first prescription to a particular patient of an opioid of
each year for use in a setting other than a general hospital or nursing
home under article twenty-eight of this chapter or facility under arti-
cle thirty-one of the mental hygiene law, or when a practitioner is
prescribing a controlled substance to a patient under the care of
hospice as defined by section four thousand two of this chapter, the
prescriber shall prescribe an opioid antagonist when any of the follow-
ing risk factors are present: (a) a history of substance use disorder;
(b) high dose or cumulative prescriptions that result in over fifty
morphine milligram equivalents per day; (c) concurrent use of opioids
and benzodiazepine or nonbenzodiazepine sedative hypnotics.

§ 2. This act shall take effect on the one hundred eightieth day after
it shall have become a law. Effective immediately, the addition, amend-
ment and/or repeal of any rule or regulation necessary for the implemen-
tation of this act on its effective date are authorized to be made and
completed by the commissioner of health on or before such effective
date.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
