2021-2022 Regular Sessions

IN ASSEMBLY

January 26, 2021

Introduced by M. of A. L. ROSENTHAL -- read once and referred to the Committee on Higher Education

AN ACT to amend the education law, in relation to requiring opioid training for medical professionals to reduce patient opioid abuse and reliance

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The education law is amended by adding a new section 6505-d 1 2 to read as follows: 3 § 6505-d. Course work or training to address patient substance use 4 disorders. 1. Every registered nurse, licensed practical nurse, and nurse practitioner practicing in the state who provides direct medical 5 services to patients in this state shall, on or before July first, two б thousand twenty-two and every registration period thereafter, complete 7 8 at least two hours of course work or training on ways to prevent or 9 address patient substance use disorder in the provision of medical 10 services in accordance with regulated standards promulgated by the department, in consultation with the department of health and the office 11 12 of addiction services and supports. Such training shall be updated as 13 necessary according to best practices for providing patient-centered 14 care with consideration given to social determinants of health and 15 co-occurring disorders. Course work or training shall include, but not 16 be limited to: techniques for managing pain; prevention, screening and signs of substance use disorders; appropriate responses to substance use 17 18 disorders; techniques that will reduce the likelihood of overdose and 19 the spread of blood-borne diseases by those who use drugs; and medica-20 tions used for the treatment of substance use disorders. In promulgating 21 regulatory standards pursuant to this section the department is advised 22 to consult with organizations representative of professions, insti-23 tutions and those with expertise in harm reduction strategies and in the 24 treatment of substance use disorders.

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.

2. As used in this section, "acceptable formal continuing education" 1 shall mean formal programs of learning which contribute to professional 2 3 practice and which meet the standards prescribed by regulations of the 4 commissioner. To fulfill the mandatory continuing education requirement, 5 programs must be taken from sponsors having the facilities, equipment, б and financial and physical resources to provide continuing education 7 courses, approved by the department, pursuant to the regulations of the 8 commissioner. Continuing education may be provided in an internet-based 9 course format as approved by the department. 10 3. Each such professional shall attest to the department at the time 11 of registration commencing with the first registration after July first, 12 two thousand twenty-two that the professional has completed course work 13 or training in accordance with this section. 4. The department shall provide an exemption from this requirement to 14 15 anyone who requests such an exemption and who: 16 a. clearly demonstrates to the department's satisfaction that there would be no need for him or her to complete such course work or training 17 because of the nature of his or her practice; 18 19 b. has completed course work or training deemed by the department to 20 be equivalent to the course work or training approved by the department 21 pursuant to this section; or c. is a medical professional who is on a tour of extended active duty 22 with the armed forces of the United States. 23 24 5. The commissioner is authorized to promulgate regulations to imple-25 ment the provisions of this section. 26 6. Any person subject to the provisions of this section, who falsely 27 attests to having completed the required course work or training shall be subject to professional misconduct as provided by subdivision twen-28 29 ty-one of section sixty-five hundred thirty of this title and subdivi-30 sion nine of section sixty-five hundred nine of this title. 31 2. Section 7607 of the education law is amended by adding a new 8 32 subdivision 2-a to read as follows: 33 2-a. Every psychologist practicing in the state shall complete at 34 least two hours of course work or training, as part of mandatory contin-35 uing education requirements, on ways to prevent or address substance use disorder in the provision of psychological services in accordance with 36 regulated standards promulgated by the department, in consultation with 37 the department of health and the office of addiction services and 38 39 supports. Such training shall be updated as necessary according to best practices for providing patient-centered care. Course work or training 40 41 shall include, but not be limited to: pain management; prevention, 42 screening and signs of substance use disorders; appropriate responses to 43 substance use disorders; and harm reduction strategies. In promulgating 44 regulatory standards pursuant to this section the department is advised 45 to consult with organizations representative of professions, insti-46 tutions and those with expertise in harm reduction strategies and in the 47 treatment of substance use disorders. § 3. Section 7710 of the education law is amended by adding a new 48 49 subdivision 2-a to read as follows: 50 2-a. Every licensed master social worker or licensed clinical social 51 worker practicing in the state shall complete at least two hours of course work or training, as part of mandatory continuing education 52 requirements, on ways to prevent or address substance use disorder in 53 54 accordance with regulated standards promulgated by the department, in consultation with the department of health and the office of addiction 55 56 services and supports. Such training shall be updated as necessary

1	organizations representative of professions, institutions and those with
2	expertise in harm reduction strategies and in the treatment of substance
3	use disorders.
4	§ 7. Section 6554-a of the education law is amended by adding a new
5	subdivision 2-a to read as follows:
б	<u>2-a. Every chiropractor practicing in the state shall complete at</u>
7	least two hours of course work or training, as part of mandatory contin-
8	uing education requirements, on ways to prevent or address substance use
9	disorder in accordance with regulated standards promulgated by the
10	department, in consultation with the department of health and the office
11	of addiction services and supports. Such training shall be updated as
12	necessary according to best practices for providing patient-centered
13	care. Course work or training shall include, but not be limited to: pain
14	management; prevention, screening and signs of substance use disorders;
15	appropriate responses to substance use disorders; and harm reduction
16	strategies. In promulgating regulatory standards pursuant to this
17	section the department is advised to consult with organizations repre-
18	sentative of professions, institutions and those with expertise in harm
19	reduction strategies and in the treatment of substance use disorders.
20	§ 8. This act shall take effect on the one hundred eightieth day
21	after it shall have become a law; provided, however, section two of this
22	act shall take effect on the same date and in the same manner as chapter
23	436 of the laws of 2018, takes effect.
