aid trust account and the public transportation system operating  
assistance account

The People of the State of New York, represented in Senate and Assem-  
bly, do enact as follows:

1 Section 1. Paragraph 10 of subdivision (c) of section 1105 of the tax  
2 law, as added by section 2 of part U-1 of chapter 57 of the laws of  
3 2009, is amended to read as follows:

4 (10) Transportation service, whether or not any tangible personal  
5 property is transferred in conjunction therewith, and regardless of  
6 whether the charge is paid in this state or out of state so long as the  
7 service is provided in this state. For purposes of this section, trans-  
8 portation service shall include services provided by transportation  
9 network companies.

10 § 2. Subdivision 6 of section 92-ff of the state finance law is

16 (i) For the state fiscal year ending March thirty-first, two thousand  
17 twenty-one, ten million dollars;

18 (ii) In each succeeding state fiscal year, the transfer shall ensure  
19 that the metropolitan transportation authority aid trust account  
20 receives a sum equal to fifty percent of gross receipts of state sales

1 comprise the metropolitan transportation commuter district established  
2 pursuant to section twelve hundred sixty-two of the public authorities  
3 law, in addition to the receipts collected under section twelve hundred  
4 eighty-one of the tax law. Provided, however, that if the aggregate  
5 amount of revenues retained by the metropolitan transportation authority  
6 pursuant to paragraph ten of subdivision (c) of section eleven hundred  
7 five of the tax law and section twelve hundred eighty-one of the tax law  
8 is less than eighty-five million dollars, then the comptroller shall  
9 increase the percentage of state sales and compensating use taxes  
10 retained by the metropolitan transportation authority until it retains  
11 no less than eighty-five million dollars for the state fiscal year  
12 ending March thirty-first, two thousand twenty-two. Further, the comp-  
13 troller shall increase the level of transfer from the general fund for  
14 subsequent state fiscal years to an amount equal to the product of the  
15 aggregate amount discussed in the previous sentence and one plus the  
16 consumer cost change factor. For purposes of this subparagraph, the  
17 consumer cost change factor is the percentage of change of the national  
18 consumer cost index for the most recent twelve month period relative to  
19 the previous twelve month period.

20 § 3. Subdivision 5 of section 88-a of the state finance law is amended  
21 by adding a new paragraph (d) to read as follows:

22 (d) The comptroller is hereby authorized and directed to transfer  
23 fifty percent of the gross receipts of state sales and compensating use  
24 taxes collected pursuant to section eleven hundred five of the tax law  
25 on transportation services provided by transportation network companies  
26 originating outside the metropolitan transportation commuter district to  
27 the public transportation system operating assistance account estab-  
28 lished under this subdivision. These transfers shall not be included for  
29 purposes of calculating the sales tax growth factor established in para-  
30 graph (c) of this subdivision, and shall supplement the additional  
31 transfers indexed to the sales tax growth factor required under this  
32 subdivision. Transfers provided under this paragraph shall not be used  
33 to offset reduced transfers under paragraph (c) of this subdivision.

34 § 4. This act shall take effect immediately.
