§ 601. Definitions. For the purposes of this article, the following terms shall have the following meanings:

1. "homeless" means lacking a fixed, regular, and adequate nighttime residence; having a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings, including a car, park, abandoned building, bus or train station, airport, campground, or other place not meant for human habitation; living in a supervised publicly or privately operated shelter designated to provide temporary living arrangements (including hotels and motels paid for by federal, state or local government programs for low-income individuals or by charitable organizations, congregate shelters, or transitional housing); exiting an institution where an individual or family has resided and lacking a regular fixed and adequate nighttime residence upon release or discharge; being a homeless family with children or unaccompanied youth defined as homeless under federal statute; having experienced a long-term period without living independently in permanent housing or having experienced persistent instability as measured by frequent moves and being reasonably expected to continue in such status for an extended period of time because of chronic disabilities, chronic physical health or mental health conditions, substance addiction, histories of domestic violence or childhood abuse, the presence of a child or youth with a disability, multiple barriers to employment, or other dangerous or life-threatening conditions, including conditions that relate to violence against an individual or a family member.

2. "imminent loss of housing" means having received a verified rent demand or a petition for eviction; having received a court order resulting from an eviction action that notifies the individual or family that they must leave their housing; facing loss of housing due to hazardous conditions, including but not limited to asbestos, lead exposure, mold, and radon; having a primary nighttime residence that is a room in a hotel or motel and lacking the resources necessary to stay; facing loss of the primary nighttime residence, which may include living in the home of another household, where the owner or renter of the housing will not allow the individual or family to stay, provided further, that an assertion from an individual or family member alleging such loss of housing or homelessness shall be sufficient to establish eligibility; or fleeing or attempting to flee domestic violence, dating violence, sexual assault, stalking, human trafficking or other dangerous or life-threatening conditions that relate to violence against the individual or a family member, provided further that an assertion from an individual or family member alleging such abuse and loss of housing shall be sufficient to establish eligibility.

3. "public housing agency" means any county, municipality, or other governmental entity or public body that is authorized to administer any

4 4. "family" means a group of persons residing together. Such group
5 includes, but is not limited to a family with or without children (a
6 child who is temporarily away from the home because of placement in

8 member of a tenant family. The commissioner shall have the discretion to
9 determine if any other group of persons qualifies as a family.

10 5. "individual" means a single person.

11 6. "owner" means any private person or any entity, including a cooper-

55 and states the obligations of the individual or family under the
56 program.

13. "lease" means a written agreement between an owner and a tenant for the leasing of a dwelling unit to the tenant. The lease establishes the conditions for occupancy of the dwelling unit by an individual or family with housing assistance payments under a contract between the owner and the public housing agency.

1 § 602. Housing access voucher program. The commissioner, subject to
2 the appropriation of funds for this purpose, shall implement a program
3 of rental assistance in the form of housing vouchers for eligible indi-
4 viduals and families who are homeless or who face an imminent loss of
5 housing in accordance with the provisions of this article. The housing
6 trust fund corporation shall issue vouchers pursuant to this article,
7 subject to appropriation of funds for this purpose, and may contract
8 with the division of housing and community renewal to administer any
9 aspect of this program in accordance with the provisions of this arti-
10 cle. The commissioner shall designate public housing agencies in the
11 state to make vouchers available to such individuals and families and to
12 administer other aspects of the program in accordance with the
13 provisions of this article.

14 § 603. Eligibility. Eligibility for the housing access voucher program
15 shall be limited to individuals and families who are homeless or facing
16 imminent loss of housing. The commissioner shall promulgate standards
17 for determining eligibility for this program.

18 1. An individual or family shall be eligible for this program if they
19 are homeless or facing imminent loss of housing and have an income of no
20 more than two hundred fifty percent of the federal poverty level.

21 2. An individual or family in receipt of rental assistance under this
22 program shall be no longer financially eligible for assistance under
23 this program when thirty percent of the individual or family's adjusted
24 income is greater than or equal to the total rent for the dwelling unit.

25 3. When an individual or family becomes financially ineligible for
26 rental assistance under this program pursuant to subdivision two of this
27 section, the individual or family shall retain rental assistance for a
28 period no shorter than one year.

29 4. Income eligibility shall be verified no less frequently than annu-
30 ally.

31 § 604. Funding allocation and distribution. 1. Funding shall be allo-
32 cated by the commissioner in each county and the city of New York in
33 proportion to the number of households in each county or the city of New
34 York who are severely rent burdened.

35 2. The commissioner shall be responsible for distributing the funds
36 allocated in each county or the city of New York among public housing
37 agencies operating in each county or in the city of New York.

38 3. At least fifty percent of funds distributed in each county or in
39 the city of New York shall be allocated to individuals or families who
40 are homeless.

41 4. At least eighty-seven and one-half percent of funds distributed in
42 each county or in the city of New York shall be allocated to individuals
43 and families whose income does not exceed the federal poverty level.

44 5. No funds may be allocated under this program to individuals or
45 families whose income exceeds two hundred fifty percent of the federal
46 poverty level.

47 § 605. Payment of housing vouchers. The housing voucher shall be paid
48 directly to any owner under a contract between the owner of the dwelling
49 unit to be occupied by the voucher recipient and the appropriate public
50 housing agency. A housing assistance payment contract entered into
51 pursuant to this section shall establish the maximum monthly rent
52 (including utilities and all maintenance and management charges) which
53 the owner is entitled to receive for each dwelling unit with respect to
54 which such assistance payments are to be made. The maximum monthly rent
55 shall not exceed one hundred ten percent nor be less than ninety percent
56 of the fair market rent for the rental area in which it is located.

1 Fair market rent for a rental area shall be published not less than
2 annually by the commissioner and shall be made available on the website
3 of New York state homes and community renewal.

4 § 606. Leases and tenancy. Each housing assistance payment contract
5 entered into by a public housing agency and the owner of a dwelling unit
6 shall provide:

7 1. that the lease between the tenant and the owner shall be for a term
8 of not less than one year, except that the public housing agency may
9 approve a shorter term for an initial lease between the tenant and the
10 dwelling unit owner if the public housing agency determines that such
11 shorter term would improve housing opportunities for the tenant and if
12 such shorter term is considered to be a prevailing local market prac-
13 tice;

14 2. that the dwelling unit owner shall offer leases to tenants assisted
15 under this article that:

16 (a) are in a standard form used in the locality by the dwelling unit
17 owner; and

18 (b) contain terms and conditions that:

19 (i) are consistent with state and local law; and

20 (ii) apply generally to tenants in the property who are not assisted
21 under this article;

22 (c) shall provide that during the term of the lease, the owner shall
23 not terminate the tenancy except for serious or repeated violation of
24 the terms and conditions of the lease, for violation of applicable state
25 or local law, or for other good cause, and in the case of an owner who
26 is an immediate successor in interest pursuant to foreclosure during the
27 term of the lease vacating the property prior to sale shall not consti-
28 tute other good cause, except that the owner may terminate the tenancy
29 effective on the date of transfer of the unit to the owner if the owner:

30 (i) will occupy the unit as a primary residence; and

31 (ii) has provided the tenant a notice to vacate at least ninety days
32 before the effective date of such notice;

33 (d) shall provide that any termination of tenancy under this section
34 shall be preceded by the provision of written notice by the owner to the
35 tenant specifying the grounds for that action, and any relief shall be
36 consistent with applicable state and local law;

37 3. that any unit under an assistance contract originated under this
38 article shall only be occupied by the individual or family designated in
39 said contract and shall be the designated individual or family's primary
40 residence. Contracts shall not be transferable between units and shall
41 not be transferable between recipients. A family or individual may
42 transfer their voucher to a different unit under a new contract pursuant
43 to this article;

44 4. that an owner shall not charge more than a reasonable rent as
45 defined in section six hundred one of this article.

46 § 607. Rental obligation. 1. Each recipient of housing assistance
47 under the housing access voucher program's monthly rental obligation
48 shall be the greater of:

49 (a) thirty percent of the monthly adjusted income of the family or
50 individual; or

51 (b) If the family or individual is receiving payments for welfare
52 assistance from a public agency and a part of those payments, adjusted
53 in accordance with the actual housing costs of the family, is specif-
54 ically designated by that agency to meet the housing costs of the fami-
55 ly, the portion of those payments that is so designated. These payments

1 include, but are not limited to any shelter assistance or housing
2 assistance administered by any federal, state or local agency.

3 2. If the rent for the individual or family (including the amount
4 allowed for tenant-paid utilities) exceeds the applicable payment stand-
5 ard established under subdivision one of this section, the monthly
6 assistance payment for the family shall be equal to the amount by which
7 the applicable payment standard exceeds the greater of amounts under
8 paragraphs (a) and (b) of subdivision one of this section.

9 § 608. Monthly assistance payment. 1. The amount of the monthly
10 assistance payment with respect to any dwelling unit shall be the
11 difference between the maximum monthly rent which the contract provides
12 that the owner is to receive for the unit and the rent the individual or
13 family is required to pay under section six hundred seven of this arti-
14 cle. Reviews of income shall be made no less frequently than annually.

15 2. The commissioner shall establish maximum rent levels for different
16 sized rentals in each rental area in a manner that promotes the use of
17 the program in all localities based on the fair market rental of the
18 rental area. Rental areas shall be delineated by county, excepting that
19 the city of New York shall be considered one rental area. The commis-
20 sioner may rely on data or other information promulgated by any other
21 state or federal agency in determining the rental areas and fair market
22 rent.

23 3. The payment standard for each size of dwelling unit in a rental
24 area shall not be less than ninety percent and shall not exceed one
25 hundred ten percent of the fair market rent established in section six
26 hundred one of this article for the same size of dwelling unit in the
27 same rental area, except that the commissioner shall not be required as
28 a result of a reduction in the fair market rent to reduce the payment
29 standard applied to a family continuing to reside in a unit for which
30 the family was receiving assistance under this article at the time the
31 fair market rent was reduced.

32 § 609. Inspection of units by public housing agencies. 1. Initial
33 inspection.

34 (a) For each dwelling unit for which a housing assistance payment
35 contract is established under this article, the public housing agency
36 (or other entity pursuant to section six hundred twelve of this article)
37 shall inspect the unit before any assistance payment is made to deter-
38 mine whether the dwelling unit meets the housing quality standards under
39 subdivision two of this section, except as provided in paragraph (b) or
40 (c) of this subdivision.

41 (b) In the case of any dwelling unit that is determined, pursuant to
42 an inspection under paragraph (a) of this subdivision, not to meet the
43 housing quality standards under subdivision two of this section, assist-
44 ance payments may be made for the unit notwithstanding subdivision three
45 of this section if failure to meet such standards is a result only of
46 non-life-threatening conditions, as such conditions are established by
47 the commissioner. A public housing agency making assistance payments
48 pursuant to this paragraph for a dwelling unit shall, thirty days after
49 the beginning of the period for which such payments are made, withhold
50 any assistance payments for the unit if any deficiency resulting in
51 noncompliance with the housing quality standards has not been corrected
52 by such time. The public housing agency shall recommence assistance
53 payments when such deficiency has been corrected, and may use any
54 payments withheld to make assistance payments relating to the period
55 during which payments were withheld.

(c) In the case of any property that within the previous twenty-four months has met the requirements of an inspection that qualifies as an alternative inspection method pursuant to subdivision five of this section, a public housing agency may authorize occupancy before the inspection under paragraph (a) of this subdivision has been completed, and may make assistance payments retroactive to the beginning of the lease term after the unit has been determined pursuant to an inspection under paragraph (a) of this subdivision to meet the housing quality standards under subdivision two of this section. This paragraph may not be construed to exempt any dwelling unit from compliance with the requirements of subdivision four of this section.

2. The housing quality standards under this subdivision shall be standards for safe and habitable housing established:

(a) by the commissioner for purposes of this subdivision; or

(b) by local housing codes or by codes adopted by public housing agencies that:

(i) meet or exceed housing quality standards, except that the commissioner may waive the requirement under this subparagraph to significantly increase access to affordable housing and to expand housing opportunities for families assisted under this article, except where such waiver could adversely affect the health or safety of families assisted under this article; and

(ii) do not severely restrict housing choice.

3. The determination required under subdivision one of this section shall be made by the public housing agency (or other entity, as provided in section six hundred twelve of this article) pursuant to an inspection of the dwelling unit conducted before any assistance payment is made for the unit. Inspections of dwelling units under this subdivision shall be made before the expiration of the fifteen day period beginning upon a request by the resident or landlord to the public housing agency or, in the case of any public housing agency that provides assistance under this article on behalf of more than one thousand two hundred fifty families, before the expiration of a reasonable period beginning upon such request. The performance of the agency in meeting the fifteen day inspection deadline shall be taken into consideration in assessing the performance of the agency.

4. (a) Each public housing agency providing assistance under this article (or other entity, as provided in section six hundred twelve of this article) shall, for each assisted dwelling unit, make inspections not less often than annually during the term of the housing assistance payments contract for the unit to determine whether the unit is maintained in accordance with the requirements under subdivision one of this section.

(b) The requirements under paragraph (a) of this subdivision may be complied with by use of inspections that qualify as an alternative inspection method pursuant to subdivision five of this section.

(c) The public housing agency (or other entity) shall retain the records of the inspection for a reasonable time, as determined by the commissioner.

5. An inspection of a property shall qualify as an alternative inspection method for purposes of this subdivision if:

(a) the inspection was conducted pursuant to requirements under a federal, state, or local housing program; and

(b) pursuant to such inspection, the property was determined to meet the standards or requirements regarding housing quality or safety applicable to properties assisted under such program, and, if a non-state

1 standard or requirement was used, the public housing agency has certi-
2 fied to the commissioner that such standard or requirement provides the
3 same (or greater) protection to occupants of dwelling units meeting such
4 standard or requirement as would the housing quality standards under
5 subdivision two of this section.

6 6. Upon notification to the public housing agency, by an individual or
7 family (on whose behalf tenant-based rental assistance is provided under
8 this article) or by a government official, that the dwelling unit for
9 which such assistance is provided does not comply with the housing qual-
10 ity standards under subdivision two of this section, the public housing
11 agency shall inspect the dwelling unit:

12 (a) in the case of any condition that is life-threatening, within
13 twenty-four hours after the agency's receipt of such notification,
14 unless waived by the commissioner in extraordinary circumstances; and

15 (b) in the case of any condition that is not life-threatening, within
16 a reasonable time frame, as determined by the commissioner.

17 7. The commissioner shall establish procedural guidelines and perform-
18 ance standards to facilitate inspections of dwelling units and conform
19 such inspections with practices utilized in the private housing market.
20 Such guidelines and standards shall take into consideration variations
21 in local laws and practices of public housing agencies and shall provide
22 flexibility to agencies appropriate to facilitate efficient provision of
23 assistance under this section.

24 § 610. Rent. 1. The rent for dwelling units for which a housing
25 assistance payment contract is established under this article shall be
26 reasonable in comparison with rents charged for comparable dwelling
27 units in the private, unassisted local market.

28 2. A public housing agency (or other entity, as provided in section
29 six hundred twelve of this article) shall, at the request of an individ-
30 ual or family receiving tenant-based assistance under this article,
31 assist that individual or family in negotiating a reasonable rent with a
32 dwelling unit owner. A public housing agency (or other such entity)
33 shall review the rent for a unit under consideration by the individual
34 or family (and all rent increases for units under lease by the individ-
35 ual or family) to determine whether the rent (or rent increase)
36 requested by the owner is reasonable. If a public housing agency (or
37 other such entity) determines that the rent (or rent increase) for a
38 dwelling unit is not reasonable, the public housing agency (or other
39 such entity) shall not make housing assistance payments to the owner
40 under this subdivision with respect to that unit.

41 3. If a dwelling unit for which a housing assistance payment contract
42 is established under this article is exempt from local rent control
43 provisions during the term of that contract, the rent for that unit
44 shall be reasonable in comparison with other units in the rental area
45 that are exempt from local rent control provisions.

46 4. Each public housing agency shall make timely payment of any amounts
47 due to a dwelling unit owner under this section. The housing assistance
48 payment contract between the owner and the public housing agency may
49 provide for penalties for the late payment of amounts due under the
50 contract, which shall be imposed on the public housing agency in accord-
51 ance with generally accepted practices in the local housing market.

52 5. Unless otherwise authorized by the commissioner, each public hous-
53 ing agency shall pay any penalties from administrative fees collected by
54 the public housing agency, except that no penalty shall be imposed if
55 the late payment is due to factors that the commissioner determines are
56 beyond the control of the public housing agency.

1 § 611. Vacated units. If an assisted family vacates a dwelling unit
2 for which rental assistance is provided under a housing assistance
3 payment contract before the expiration of the term of the lease for the
4 unit, rental assistance pursuant to such contract may not be provided
5 for the unit after the month during which the unit was vacated.

6 § 612. Leasing of units owned by a public housing agency. 1. If an
7 eligible individual or family assisted under this article leases a
8 dwelling unit (other than a public housing dwelling unit) that is owned
9 by a public housing agency administering assistance to that individual
10 or family under this section, the commissioner shall require the unit of
11 general local government or another entity approved by the commissioner,
12 to make inspections required under section six hundred nine of this
13 article and rent determinations required under section six hundred ten
14 of this article. The agency shall be responsible for any expenses of
15 such inspections and determinations.

16 2. For purposes of this section, the term "owned by a public housing
17 agency" means, with respect to a dwelling unit, that the dwelling unit
18 is in a project that is owned by such agency, by an entity wholly
19 controlled by such agency, or by a limited liability company or limited
20 partnership in which such agency (or an entity wholly controlled by such
21 agency) holds a controlling interest in the managing member or general
22 partner. A dwelling unit shall not be deemed to be owned by a public
23 housing agency for purposes of this section because the agency holds a
24 fee interest as ground lessor in the property on which the unit is situ-
25 ated, holds a security interest under a mortgage or deed of trust on the
26 unit, or holds a non-controlling interest in an entity which owns the
27 unit or in the managing member or general partner of an entity which
28 owns the unit.

29 § 613. Verification of income. The commissioner shall establish proce-
30 dures which are appropriate and necessary to assure that income data
31 provided to the public housing agency and owners by individuals and
32 families applying for or receiving assistance under this article is
33 complete and accurate. In establishing such procedures, the commissioner
34 shall randomly, regularly, and periodically select a sample of families
35 to authorize the commissioner to obtain information on these families
36 for the purpose of income verification, or to allow those families to
37 provide such information themselves. Such information may include, but
38 is not limited to, data concerning unemployment compensation and federal
39 income taxation and data relating to benefits made available under the
40 social security act, 42 U.S.C. 301 et seq., the food and nutrition act
41 of 2008, 7 U.S.C. 2011 et seq., or title 38 of the United State Code.
42 Any such information received pursuant to this section shall remain
43 confidential and shall be used only for the purpose of verifying incomes
44 in order to determine eligibility of individuals and families for bene-
45 fits (and the amount of such benefits, if any) under this article.

46 § 614. Division of an assisted family. 1. In those instances where a
47 family assisted under this article becomes divided into two otherwise
48 eligible individuals or families due to divorce, legal separation or the
49 division of the family, where the new units cannot agree as to which new
50 unit should continue to receive the assistance, and where there is no
