

STATE OF NEW YORK

3760--A

2021-2022 Regular Sessions

IN ASSEMBLY

January 28, 2021

Introduced by M. of A. VANEL -- read once and referred to the Committee on Governmental Operations -- recommitted to the Committee on Governmental Operations in accordance with Assembly Rule 3, sec. 2 -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the state technology law, in relation to blockchain technology and smart contracts

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 302 of the state technology law is amended by
2 adding two new subdivisions 6 and 7 to read as follows:

3 6. "Blockchain technology" shall mean distributed ledger technology
4 that uses a distributed, decentralized, shared and replicated ledger,
5 which may be public, permissioned or permissionless, or driven by token-
6 ized crypto economics or tokenless. The data on the ledger is protected
7 with cryptography, is immutable and auditable and provides an uncensored
8 truth.

9 7. "Smart contract" shall mean an event-driven program that runs on a
10 distributed, decentralized, shared and replicated ledger and that can
11 take custody over and instruct transfer of assets on that ledger.

12 § 2. The state technology law is amended by adding a new section 310
13 to read as follows:

14 § 310. Signatures and records secured through blockchain technology
15 and smart contracts. 1. A signature that is secured through blockchain
16 technology is considered to be in an electronic form and to be an elec-
17 tronic signature.

18 2. A record or contract that is secured through blockchain technology
19 is considered to be in an electronic form and to be an electronic
20 record.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD03139-02-2

1 3. Smart contracts may exist in commerce. A contract relating to a
2 transaction may not be denied legal effect, validity or enforceability
3 solely because that contract contains a smart contract term.

4 4. Notwithstanding any other law, rule or regulation to the contrary,
5 a person that, in or affecting interstate or foreign commerce, uses
6 blockchain technology to secure information that the person owns or has
7 the right to use retains the same rights of ownership or use with
8 respect to that information as before the person secured the information
9 using blockchain technology. This subdivision does not apply to the use
10 of blockchain technology to secure information in connection with a
11 transaction to the extent that the terms of the transaction expressly
12 provide for the transfer of rights of ownership or use with respect to
13 that information.

14 § 3. This act shall take effect immediately.
