AN ACT to amend the civil service law, in relation to the appointment and promotion of certain personnel of the sanitation department of the city of New York

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

2 59-c to read as follows:

4 of the city of New York. 1. The legislature hereby finds and declares  
5 that the continued, uninterrupted, adequate and efficient operation of  
6 the sanitation department of the city of New York is necessary for the  
7 general welfare of the people; that such adequate operation involves and  
8 requires personnel with highly specialized ability, skill, training and  
9 knowledge, which necessitate that vacancies in the sanitation department  
10 of the city of New York in the positions of General Superintendent 2 and

12 promotion from among persons holding competitive class positions in a  
13 lower grade in the sanitation department of the city of New York in  
14 which the vacancy exists, provided that such lower grade positions are  
15 in direct line of promotion, as determined by such sanitation department  
16 or the municipal commission.

17 2. Promotion shall be based on merit and fitness as determined by  
18 competitive examination, due weight being given to seniority. The previ-  
19 ous training and experience of the candidates, and performance ratings  
20 where available, may be considered and given due weight as factors in  
21 determining the relative merit and fitness of candidates for promotion.

22 3. Any employee holding a provisional or discretionary appointment in  
23 the affected titles of the sanitation department of the city of New York
