LBD07398-01-1

1 (i) any state law that requires a local government to provide or
2 undertake any new program, project or activity that results in an annual
3 net additional cost to any local government in excess of ten thousand
4 dollars or an aggregate annual net additional cost to all local govern-
5 ments within the state in excess of one million dollars; or

6 (ii) any state law that requires a local government to provide a high-
7 er level of service or funding for an existing program, project or
8 activity that results in an annual net additional cost to any local
9 government in excess of ten thousand dollars or an aggregate annual net
10 additional cost to all local governments within the state in excess of
11 one million dollars; or

12 (iii) any state law that requires a local government to grant any new
13 property tax exemption or that broadens the eligibility or increases the
14 dollar amount of any existing property tax exemption, on property that
15 otherwise would have generated revenue under the current property tax
16 rate of such local government in excess of ten thousand dollars in any
17 local government or in excess of one million dollars statewide; or

18 (iv) any state law with a legal requirement that would otherwise like-
19 ly have the effect of raising property taxes in excess of ten thousand
20 dollars in any local government or in excess of one million dollars
21 statewide.

22 2. Moratorium on unfunded mandates. For a three year period beginning
23 the January next succeeding the effective date of this section into law,
24 and notwithstanding any other provision of law, unfunded mandates shall
25 not be enacted.

26 3. Exemptions. A state law shall not be considered an unfunded mandate
27 where such law:

29 (b) is provided at the option of the local government under a law that
30 is permissive rather than mandatory;

31 (c) results from the passage of a home rule message whereby a local
32 government requests authority to implement the program or service speci-

34 government which requests the authority to impose the program or
35 service;

36 (d) is required by statute or executive order that implements a feder-
37 al law or regulation and results from costs mandated by the federal
38 government to be borne at the local level, unless the statute or execu-
39 tive order results in costs which exceed the costs mandated by the
40 federal government;

41 (e) is imposed on both government and non-government entities in the
42 same or substantially similar circumstances;

43 (f) repeals or revises a state law to ease an existing requirement
44 that a local government provide or undertake a program, project, or
45 activity, or reapportions the costs of activities between local govern-
46 ments; or

47 (g) is necessary to protect against an immediate threat to public
48 health or safety.

49 § 3. The executive law is amended by adding a new section 50-a to read

9 (3) The comptroller shall provide a final copy of the report required
10 by this section to the legislature no later than January first, two
