2 public housing law;

10 (h) completes an application with any other state or federal agency  
11 designated as a source agency pursuant to paragraph (b) of subdivision  
12 three of this section.

13 3. (a) The term "source agency" includes the department of motor vehi-  
14 cles, any government agency designated pursuant to section 5-211 of this  
15 title, the state university of New York and the city university of New  
16 York, all public housing authorities listed in article thirteen of the  
17 public housing law, the department of corrections and community super-  
18 vision, the department of labor, the New York division of military and  
19 naval affairs and any agency designated by the state board of elections  
20 pursuant to paragraph (b) of this subdivision.

21 (b) The state board of elections may designate additional state agen-  
22 cies to serve as sources for voter registration. In designating an agen-  
23 cy under this paragraph, the state board of elections shall consider:

24 (i) the likelihood that source records reflect a large number of  
25 eligible citizens;

26 (ii) the extent to which source records reflect eligible citizens who  
27 would not otherwise be registered under the act to modernize voter  
28 registration;

29 (iii) the accuracy of personal identification data in source records;  
30 and

31 (iv) any additional factors designated by the chief election official  
32 as reasonably related to accomplishing the purposes of the act to  
33 modernize voter registration.

34 4. The state board of elections and the source agencies shall enter  
35 into agreements to ensure that for each person described in subdivision  
36 two of this section, each source agency electronically transmits to the  
37 state or local boards of elections the following information in a format  
38 that can be read by the computerized statewide voter registration list:

39 (a) given name or names and surname or surnames;

40 (b) mailing address and residential address;

41 (c) date of birth;

42 (d) citizenship;

43 (e) driver's license or non-driver identification card number, last  
44 four digits of the person's social security number, or a space for the  
45 person to indicate that he or she does not have any such number;

46 (f) political party enrollment, if any;

47 (g) an indication that the person intends to apply for an absentee  
48 ballot, if any; and

49 (h) an image of the person's signature.

50 In the event that any transmission of data pursuant to this section  
51 fails to include an image of an individual's signature, the absence of a  
52 signature shall not preclude the registration of an eligible citizen.  
53 The board of elections shall develop procedures to enable an eligible  
54 citizen, whose information is transmitted pursuant to this section and  
55 whose information lacks an electronic signature, to provide a signature  
56 at the polling place or with an application for an absentee ballot

1 before voting. The board may require an elector who has not provided a  
2 signature before arriving at the polling place or submitting an absentee  
3 ballot to present a current and valid photo identification or a copy of  
4 a current utility bill, bank statement, government check, paycheck, or  
5 other government document that shows the name and address of the voter.

6 5. If an agency does not routinely request information concerning the  
7 citizenship status of individuals, it shall maintain records sufficient  
8 to transmit to the board of elections indications of United States citi-  
9 zenship for each person described in subdivision two of this section,  
10 but shall not retain, use, or share any such information relating to an  
11 individual's citizenship for any other purpose.

12 6. Each source agency shall include for each person described in  
13 subdivision two of this section a statement that he or she shall be  
14 registered to vote, if he or she is not already so registered, provided,  
15 however, that each source agency shall provide each person described in  
16 subdivision two of this section the opportunity to elect to decline  
17 registration to vote at the point of service, and upon such election, he  
18 or she shall not be registered to vote pursuant to the procedures in  
19 this section at that time.

20 7. The state board of elections shall prepare and distribute to  
21 participating agencies written instructions as to the implementation of  
22 the program and shall be responsible for establishing training programs  
23 for employees of source agencies listed in this section. Training shall  
24 include requirements that employees of any source agency communicate to  
25 each individual identified in subdivision two of this section that the  
26 source agency maintains strict neutrality with respect to a person's  
27 party enrollment and all persons seeking voter registration forms and  
28 information shall be advised that government services are not condi-  
29 tioned on being registered to vote, or eligibility to register to vote.  
30 No statement shall be made nor any action taken to discourage the appli-  
31 cant from registering to vote.

32 8. The agreements between the state board of elections and the source  
33 agencies shall include the format in which information will be transmit-  
34 ted, whether and how each entity will collect, in addition to the manda-  
35 tory information listed in subdivision four of this section, additional  
36 information on a voluntary basis from persons for the purpose of facili-  
37 tating voter registration, the frequency of data transmissions, the  
38 procedures, and other measures that will be used to ensure the security  
39 and privacy of the information transmitted, and any other matter neces-  
40 sary or helpful to implement the requirements of this section.

41 9. Each source agency shall cooperate with the state board of  
42 elections and county board of elections to facilitate the voter regis-  
43 tration of each person described in subdivision two of this section, and  
44 to electronically transmit the information needed to register each such  
45 person to vote or to update each such person's voter registration  
46 record.

47 10. Each source agency shall enter into an agreement with the state  
48 board of elections finalizing the format and content of electronic tran-  
49 smissions required by this section no later than September first, two  
50 thousand twenty-two; provided, that each source agency shall be able to  
51 comply fully with all requirements of this section, including the  
52 collection and transmission of all data required to register individuals  
53 to vote, by January first, two thousand twenty-three.

54 § 2. Subdivision 5 of section 5-210 of the election law is amended by  
55 adding a new paragraph (n) to read as follows:

1 (n) Agreements adopted pursuant to section 5-200 of this title between  
2 source agencies and the state or county boards of elections are not  
3 required to include the collection or transmission of the information  
4 requested in paragraph (j) or subparagraph (i), (viii), (x) or (xii) of  
5 paragraph (k) of this subdivision, and no board of elections shall  
6 refuse to register to vote or update the registration record of any  
7 person in the state whose information is transmitted pursuant to  
8 section 5-200 of this title for the reason that such information does  
9 not include the information requested by paragraph (j) or subparagraph  
10 (i), (viii), (x) or (xii) of paragraph (k) of this subdivision.

11 § 3. The opening paragraph and subdivisions 11 and 12 of section 5-211  
12 of the election law, the opening paragraph as separately amended by  
13 chapters 587 and 672 of the laws of 2019, subdivision 11 as amended by
