6 erecting, constructing, reconstructing, altering or repairing buildings
7 of the state, bid specifications of every officer, board, department,
8 commission or commissions charged with the duty of preparing specifica-
9 tions or awarding such contracts may require provisions that mandate
10 that the essential components of such projects be produced or processed
11 in facilities located within the state and that the services for work,

1 (b) Upon a determination by such commissioners that a sufficient
2 percentage of unemployment in the pertinent industries of New York
3 produced or processed components does not exist in the state, the spec-
4 ifications requiring the use of New York produced or processed compo-
5 nents or New York services for work, labor and supervision shall be
6 waived.

7 (c) In the event that no acceptable bids are received, the provisions
8 of this section may be waived and the contract may be awarded in accord-

10 agree to the deleterious economic impact of these specifications, the
11 provisions of this section may be waived.

12 4. The commissioner of economic development and the commissioner of
13 labor may issue such regulations as they deem necessary and proper for
14 the implementation of this section.

15 5. (a) With each bid, the bidder shall certify that the components and
16 services for work, labor and supervision to be utilized shall be in
17 conformity with the provisions of this section.

23 commissioner of economic development and the commissioner of labor shall
24 provide the legislature with a report on the fifteenth day of January on
25 the effects of this section and recommendations on ways to make it more
26 effective.

27 7. If any clause, sentence, paragraph, or part of this section or the
28 application thereof to any person or circumstances, shall, for any
29 reason, be adjudged by a court of competent jurisdiction to be invalid,
30 such judgment shall not affect, impair, or invalidate the remainder of
31 this section, and the application thereof to other persons or circum-
32 stances, but shall be confined in its operation to the clause, sentence,
33 paragraph, or part thereof directly involved in the controversy in which
34 such judgment shall have been rendered and to the person or circum-
35 stances involved. It is hereby declared to be the intent that this
36 section would have been adopted had such invalid provisions not been
37 included.

38 § 2. This act shall take effect on the sixtieth day after it shall
39 have become a law.
