FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would increase the mandatory retirement age from 62 to 65 for members of the New York State and Local Police and Fire Retirement System (NYSLPFRS) who are covered under the provisions of Section 384 of the Retirement and Social Security Law.

If this bill is enacted, there would be additional benefits for certain members who remain employed beyond age 62. However, if some members delay retirement due to the enactment of this bill, it is not anticipated that there would be an increase in the annual contributions of the participating employers in the NYSLPFRS.
