2021-2022 Regular Sessions

## IN ASSEMBLY

February 4, 2021

---

Introduced by M. of A. BARRETT -- read once and referred to the Committee on Health -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee -- recommitted to the Committee on Health in accordance with Assembly Rule 3, sec. 2 -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the public health law, in relation to the reporting of lyme and tick-borne disease infection after death

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. The public health law is amended by adding a new section  
2 2799 to read as follows:  
3 § 2799. Reporting of lyme and tick-borne disease infection after  
4 death. If a coroner, pathologist, medical examiner, or other person  
5 qualified to conduct an examination of a deceased person discovers that  
6 at the time of death the individual was afflicted with lyme or other  
7 tick-borne diseases, as determined by the commissioner, he or she shall  
8 report the case promptly to the department according to the manner  
9 prescribed by the commissioner.  
10 § 2. This act shall take effect on the ninetieth day after it shall  
11 have become a law.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.
