(v) a right to an appropriate patient discharge plan and for patients other than beneficiaries of title XVIII of the federal social security act (medicare); and

(vi) a right to a discharge review in accordance with section twentyeight hundred three-i of this article. The form and content of such statement shall be determined in accordance with rules and regulations adopted by the council and approved by the commissioner. A patient who requires continuing health care services in accordance with such patient's discharge plan may not be discharged until such services are secured or determined by the hospital to be reasonably available to the 10 11 patient. Each general hospital shall give a copy of the statement to each patient, or the appointed personal representative of the patient at or prior to the time of admission to the general hospital, as long as 13 14 the patient or the appointed personal representative of the patient 15 receives such notice no earlier than fourteen days before admission. 16 Such statement shall also be conspicuously posted by the hospital and shall be a part of the patient's admission package. Nothing herein contained shall be construed to limit any authority vested in the commissioner pursuant to this article related to the operation of hospitals and care and services provided to patients.

§ 2. This act shall take effect on the first of January next succeeding the date on which it shall have become a law. Effective immediately, the addition, amendment and/or repeal of any rule or regulation 24 necessary for the implementation of this act on its effective date are 25 authorized to be made and completed on or before such effective date.
