11 the mandatory continuing education requirements prescribed in subdivi-

13 of this subdivision. Licensed athletic trainers who do not satisfy the
14 mandatory continuing education requirements shall not practice until
15 they have met such requirements, and they have been issued a registra-
16 tion certificate, except that a licensed athletic trainer may practice
17 without having met such requirements if he or she is issued a condi-

19 section.

20 (b) Each licensed athletic trainer shall be exempt from the mandatory
21 continuing education requirement for the triennial registration period
22 during which he or she is first licensed. In accordance with the intent
23 of this section, adjustment to the mandatory continuing education
24 requirement may be granted by the department for reasons of health
25 certified by an appropriate health care professional, for extended
26 active duty with the armed forces of the United States, or for other
27 good cause acceptable to the department which may prevent compliance.

28 (c) A licensed athletic trainer not engaged in practice, as determined
29 by the department, shall be exempt from the mandatory continuing educa-

31 declaring such status. Any licensee who returns to the practice of
32 athletic training during the triennial registration period shall notify
33 the department prior to reentering the profession and shall meet such
34 mandatory education requirements as shall be prescribed by regulations
35 of the commissioner.

36 2. During each triennial registration period, an applicant for regis-

42 January first, two thousand twenty-two, shall complete continuing educa-
43 tion hours on a prorated basis at the rate of one hour per month for the
44 period beginning January first, two thousand twenty-two and then fifteen
45 hours per year until his or her first registration date thereafter. A
46 licensee who has not satisfied the mandatory continuing education
47 requirements shall not be issued a triennial registration certificate by
48 the department and shall not practice unless and until a conditional
49 registration certificate is issued as provided for in subdivision three
50 of this section. Continuing education hours taken during one triennium
51 may not be transferred to a subsequent triennium.

52 3. The department, in its discretion, may issue a conditional regis-
53 tration to a licensee who fails to meet the continuing education
54 requirements established in subdivision two of this section but who
55 agrees to make up any deficiencies and complete any additional education
56 which the department may require. The fee for such a conditional regis-

1 tration shall be the same as, and in addition to, the fee for the trien-
2 nial registration. The duration of such conditional registration shall
3 be determined by the department but shall not exceed one year. Any
4 licensee who is notified of the denial of registration for failure to
5 submit evidence, satisfactory to the department, of required continuing
6 education and who practices without such registration may be subject to
7 disciplinary proceedings pursuant to section sixty-five hundred ten of
8 this title.

9 4. For purposes of this section:

10 (a) "acceptable learning activities" shall include, but not be limited
11 to, formal courses of learning which contribute to professional practice
12 in psychology and/or self-study activities; independent study; formal
13 mentoring activities; publication in professional journals; or lectures,
14 which meet the standards prescribed by regulations of the commissioner;

18 programs and technical sessions offered by national, state and local
19 professional associations and any other organizations acceptable to the
20 department, and any other organized educational and technical programs
21 acceptable to the department. Formal courses shall be taken from a
22 sponsor approved by the department, based upon an application and fee,
23 pursuant to the regulations of the commissioner.

24 5. The department may, in its discretion and as needed to contribute
25 to the health and welfare of the public, require the completion of
26 continuing education credits in specific subjects to fulfill this manda-
27 tory continuing education requirement.

28 6. A licensed athletic trainer shall maintain adequate documentation
29 of completion of acceptable formal continuing education and shall
30 provide such documentation at the request of the department. Failure to
31 provide such documentation upon the request of the department shall be
32 an act of misconduct subject to disciplinary proceedings pursuant to
33 section sixty-five hundred ten of this title.

34 7. The mandatory continuing education fee shall be payable on or
35 before the first day of each triennial registration period, and shall be
36 paid in addition to the triennial registration fee required by section
37 eighty-three hundred fifty-five of this article.

38 § 8356-b. Special provisions. Any person who is certified as an
39 athletic trainer by the department on the effective date of this section
40 shall have one year from the effective date to apply for and qualify for
41 licensure as an athletic trainer without meeting any additional require-

44 laws of 1992, is amended to read as follows:

45 § 8357. Non-liability of [~~certified~~] **licensed** athletic trainers for
46 first aid or emergency treatment. Notwithstanding any inconsistent

48 athletic trainer who voluntarily and without the expectation of monetary
49 compensation renders first aid or emergency treatment at the scene of an
50 accident or other emergency, outside a hospital, doctor's office or any
51 other place having proper and necessary athletic training equipment, to
52 a person who is unconscious, ill or injured, shall not be liable for
53 damages for injuries alleged to have been sustained by such person or
54 for damages for the death of such person alleged to have occurred by
55 reason of an act or omission in the rendering of such first aid or emer-
56 gency treatment unless it is established that such injuries were or such

1 death was caused by gross negligence on the part of such athletic train-
2 er. Nothing in this section shall be deemed or construed to relieve a
3 [~~certified~~] licensed athletic trainer from liability for damages for
4 injuries or death caused by an act or omission on the part of an athlet-
5 ic trainer while rendering professional services in the normal and ordi-
6 nary course of his or her practice.

16 be renewed.

17 3. The fee for each limited permit and for each renewal shall be
18 seventy dollars.

19 4. A limited permit holder shall practice only under the supervision
20 of a physician as determined in accordance with the commissioner's regu-
21 lations.
