AN ACT to amend the vehicle and traffic law, in relation to repealing the driver's license access and privacy act; to repeal certain provisions of such law relating thereto; and to repeal section 7 of chapter 39 of the laws of 2019, amending the vehicle and traffic law relating to the issuance of non-commercial drivers' licenses and learners' permits; and to repeal subdivision 1 of section 502 of the vehicle and traffic law

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivisions 8, 9, 10, 11, and 12 of section 201 of the vehicle and traffic law are REPEALED.

§ 2. Subdivision 1 of section 502 of the vehicle and traffic law is REPEALED and a new subdivision 1 is added to read as follows:

1. Application for license. Application for a driver's license shall be made to the commissioner. The fee prescribed by law may be submitted with such application. The applicant shall furnish such proof of identity, age, and fitness as may be required by the commissioner. The commissioner may also provide that the application procedure shall include the taking of a photo image or images of the applicant in accordance with rules and regulations prescribed by the commissioner. In addition, the commissioner also shall require that the applicant provide his or her social security number and shall provide space on the application so that the applicant may register in the New York state organ and tissue donor registry under section forty-three hundred ten of the public health law with the following stated on the application in clear and conspicuous type:

"You must fill out the following section: Would you like to be added to the Donate Life Registry? Check box for 'yes' or 'skip this question'."

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD07891-01-1

The commissioner of health shall not maintain records of any person who checks "skip this question". Except where the application is made in person or electronically, failure to check a box shall not impair the validity of an application, and failure to check "yes" or checking "skip this question" shall not be construed to imply a wish not to donate. In the case of an applicant under eighteen years of age, checking "yes" shall not constitute consent to make an anatomical gift or registration in the donate life registry, except as otherwise provided pursuant to the provisions of paragraph (b) of subdivision one of section forty-three hundred one of the public health law. Where an applicant has previously consented to make an anatomical gift or registered in the donate life registry, checking "skip this question" or failing to check a box shall not impair that consent or registration. In addition, an applicant for a commercial driver's license who will operate a commercial motor vehicle in interstate commerce shall certify that such applicant meets the requirements to operate a commercial motor vehicle, as set forth in public law 99-570, title XII, and title 49 of the code of federal regulations, and all regulations promulgated by the United States secretary of transportation under the hazardous materials transportation act. In addition, an applicant for a commercial driver's license shall submit a medical certificate at such intervals as required by the federal motor carrier safety improvement act of 1999 and Part 383.71(h) of title 49 of the code of federal regulations relating to medical certification and in a manner prescribed by the commissioner. For purposes of this section and sections five hundred three, five hundred ten-a, and five hundred ten-aa of this title, the terms "medical certificate" and "medical certification" shall mean a form substantially in compliance with the form set forth in Part 391.43(h) of title 49 of the code of federal regulations. Upon a determination that the holder of a commercial driver's license has made any false statement, with respect to the application for such license, the commissioner shall revoke such license.

§ 3. Paragraph (a) of subdivision 6 of section 502 of the vehicle and traffic law, as amended by chapter 37 of the laws of 2019, is amended to read as follows:

(a) A license issued pursuant to subdivision five of this section shall be valid until the expiration date contained thereon, unless such license is suspended, revoked or cancelled. Such license may be renewed by submission of an application for renewal, the fee prescribed by law, proofs of prior licensing, fitness and acceptable vision prescribed by the commissioner, the applicant's social security number ~~[or, in lieu thereof, with respect to an application for a non-commercial driver's license or learner's permit which does not meet federal standards for identification, an affidavit signed by such applicant that they have not been issued a social security number]~~, and if required by the commissioner, a photo image of the applicant in such numbers and form as the commissioner shall prescribe. In addition, an applicant for renewal of a license containing a hazardous material endorsement shall pass an examination to retain such endorsement. The commissioner shall, with respect to the renewal of a hazardous materials endorsement, comply with the requirements imposed upon states by sections 383.141 and 1572.13 of title 49 of the code of federal regulations. A renewal of such license shall be issued by the commissioner upon approval of such application, except that no such license shall be issued if its issuance would be inconsistent with the provisions of section five hundred sixteen of this title, and except that the commissioner may refuse to renew such license

1 if the applicant is the holder of a currently valid or renewable license
2 to drive issued by another state or foreign country unless the applicant
3 surrenders such license.

4 § 4. Subdivisions 7 and 8 of section 502 of the vehicle and traffic
5 law are REPEALED and a new subdivision 7 is added to read as follows:

7 are at least eighteen years of age but less than twenty-six years of age
8 who apply to the commissioner for a learner's permit, driver's license,
9 renewal of license, or non-driver's identification card, shall either:
10 (i) be in compliance with the requirements of the military selective
11 service act as provided for pursuant to 50 U.S.C. App 451 et. seq., as
12 amended, or (ii) consent to permit the commissioner to forward such
13 information as is required to register such individual with the selec-
14 tive service system, if such individual must be registered pursuant to
15 such act.

16 (b) The commissioner shall forward in an electronic format the neces-
17 sary personal information required for registration of such individuals

19 service system. Such individual's application to the commissioner for a
20 learner's permit, driver's license, renewal of license or non-driver's

22 already registered with the military selective service act or that such
23 individual is authorizing the commissioner to forward to the selective
24 service system the necessary information for such selective service
25 registration. The commissioner shall notify such applicants on the
26 application form that any application for a learner's permit, driver's
27 license, renewal of license or non-driver's identification card shall
28 serve as consent to be registered with the selective service system, if
29 so required by federal law.

31 law, as amended by chapter 37 of the laws of 2019, are amended to read
