AN ACT to amend the public health law, in relation to guidelines for food and beverages purchased or sold by state agencies

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Article 2 of the public health law is amended by adding a
2 new title 4-A to read as follows:

TITLE IV-A

STATE FOOD GUIDELINES

3
4
5 Section 252. Development of state food guidelines.

6 253. Applicability of state food guidelines.

7 254. Implementation of state food guidelines.

8 § 252. Development of state food guidelines. 1. Within six months
9 following the effective date of this section, the department, in consul-
10 tation with the office of general services, shall begin an assessment of
11 the food and beverage purchasing, service, and sales of each state agen-
12 cy. The department shall develop and finalize state food guidelines
13 considering the findings of such assessment no later than eighteen
14 months following the effective date of this section, for foods
15 purchased, served, and sold by state agencies, programs, and insti-
16 tutions and on state property. The department shall report such guide-
17 lines to the governor, temporary president of the senate, and speaker of

1 the assembly, and disseminate them to the heads of all state agencies
2 that purchase, prepare, or serve food and beverages.

3 2. The state food guidelines developed under this section shall:

4 (a) be consistent with or exceed the recommendations in the most
5 recent edition of the federal Dietary Guidelines for Americans, includ-
6 ing as to sodium, whole grains, added sugars, saturated fat, cholester-
7 ol, and fiber;

8 (b) include recommendations for the use of sustainably and locally
9 grown New York state food products to the greatest extent possible;

10 (c) ensure the availability of safe, clean tap water when feasible
11 whenever foods and beverages are sold or served; and

12 (d) encourage state agencies to offer foods and beverages that reflect
13 the health risks, allergens, traditions, and preferences of the demo-
14 graphics served.

15 3. The state food guidelines shall be reviewed and updated by the
16 department as necessary, but no less often than every five years, to
17 ensure that the guidelines remain current and science-based.

18 4. In developing the state food guidelines, the department shall
19 consider the following:

20 (a) recommendations for nutrition standards for foods, beverages, or
21 meals made by authoritative scientific organizations, including but not
22 limited to, the guidelines for purchased food recommended by the New
23 York State Food Policy Council, the American Heart Association Workplace
24 Food and Beverage Toolkit, the Food Service Guidelines for Federal
25 Facilities, the USDA National School Lunch Program and School Breakfast
26 Program standards, the USDA Child and Adult Care Food Program guide-
27 lines, the American Cancer Society Guideline for Diet and Physical
28 Activity, and the American Diabetes Association Diabetes Plate Method;

5 2. All purchases made by any department, division, or agency listed in
6 subdivision one of this section, or by any officer on behalf of a
7 department, division, or agency listed in subdivision one of this
8 section, shall, to the greatest extent possible, be made in accordance
9 with the state food guidelines.

10 3. All contracts made by any department, division, or agency listed in
11 subdivision one of this section, or by any officer on behalf of a
12 department, division, or agency listed in subdivision one of this
13 section, for the purchase, service, catering, or vending, of food or
14 beverage will, to the greatest extent possible, ensure the food or
15 beverage supplied, served, and sold shall be in accordance with the
16 state food guidelines.

17 4. The state food guidelines shall not apply to food distributed or
18 served by agencies during an emergency or disaster.

19 5. Under any contract for the purchase, service, catering or vending
20 of food or beverages that is subject to renewal, where such renewal
21 occurs after the state food guidelines have become effective, the state
22 agency shall provide such contractor notice of the state food guidelines
23 and shall include such guidelines in the terms of the renewal contract.

24 § 254. Implementation of state food guidelines. Within twenty-one
25 months of the effective date of this section, the department shall adopt
26 a plan for providing technical and supervisory assistance to state agen-
27 cies implementing the state food guidelines made under section two
28 hundred fifty-two of this title. At minimum, such plan shall establish:

29 1. A timeline for state agencies to receive initial training and
30 implement the state food guidelines.

31 2. A process by which the department shall monitor the extent to which
32 state agencies follow the state food guidelines on a routine basis and
33 follow up with additional technical assistance as needed.

34 3. Guidance for applicable state agencies to adopt internal policies
35 on the contracting and purchasing of food in accordance with the state
36 food guidelines.

37 § 2. This act shall take effect immediately.
