AN ACT to amend the public health law, in relation to establishing a required resident care spending ratio for nursing homes

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- Section 1. The public health law is amended by adding a new section 2 2805-aa to read as follows:
- 3 § 2805-aa. Nursing home resident care ratio. 1. As used in this 4 section, the following terms have the following meanings:
- 5 (a) "Resident care" means: (i) direct care provided by certified nurse aides, licensed practical nurses, and registered nurses; (ii) support 6
- services including housing, laundry, housekeeping, food service, nurse 8 administration, activity program, social services and transportation as
- 9 identified in reports required by the department; (iii) ancillary
- 10 program services including medical, dental, podiatric and laboratory services, inhalation and other physical, mental, occupational therapeu-11
- tics as identified in reports required by the department; and (iv) 12
- 13 program services for residents including personal grooming, as identi-
- 14 fied in reports required by the department. Resident care does not
- 15 include administrative costs (other than nurse administration), capital
- 16 costs, rent, or debt service.

7

- 17 (b) "Resident care amount" means the amount spent by the nursing home
- 18 for care of residents of the nursing home; provided that for any amount

1 spent for contracted or purchased personal services, only eighty percent
2 of that amount shall count as spending on resident care.

- (c) "Total operating revenue" means the revenue received by the nursing home from or on behalf of residents of the nursing home, government payers, or third-party payers, to pay for a resident's occupancy of the nursing home, resident care, and the operation of the nursing home.
- 7 (d) "Required resident care percentage" means the ratio of a nursing
 8 home's resident care amount to its total operating revenue, required by
 9 subdivision two of this section.
- 10 <u>(e) "Resident care deficit" means the amount, in dollars, by which the</u>
 11 <u>nursing home's resident care amount is less than the required resident</u>
 12 <u>care percentage.</u>
- 13 (f) "Direct care service" means the amount, in dollars, spent on 14 direct care by certified nurse aides, licensed practical nurses, and 15 registered nurses which shall be at least sixty percent of the required 16 resident care percentage.
 - 2. Every nursing home shall, in every calendar year, spend at least (a) the resident care amount necessary to achieve the required resident care percentage and (b) the sufficient direct care service amount. For the calendar year two thousand twenty-two, and every year thereafter, the required resident care percentage shall be seventy percent.
- 3. For any calendar year in which a nursing home has a resident care 22 deficit or direct care service deficit, it shall pay to the department 23 24 an amount equal to the deficit, payable in a manner and time determined by the commissioner in regulations. Where a nursing home does not pay as 25 26 required by this subdivision, the commissioner shall sue (represented by 27 the state attorney general) the nursing home to obtain the unpaid amount, or deduct the unpaid amount from medical assistance payments 28 29 otherwise due to the nursing home, or a combination of those methods. Moneys so collected shall be transferred to the nursing home quality 30 31 improvement demonstration program, to be used under subdivision six of 32 section twenty-eight hundred eight-d of this article in support of 33 projects or programs designed to improve specific areas of quality of 34 care.
- 4. For purposes of this section, a nursing home's spending, revenue and percentages of various amounts shall be calculated on an accrual basis, under regulations of the commissioner.
- 5. The commissioner shall make regulations, make medical assistance state plan amendments, seek waivers from the federal centers for Medicare and Medicaid services, and take other actions reasonably necessary to implement this section.
- 42 <u>6. The commissioner shall, by regulations and otherwise, make sure</u>
 43 <u>that reports by nursing homes under section twenty-eight hundred five-e</u>
 44 <u>of this article include information as to all items referred to in this</u>
 45 <u>section and organize that information consistent with the terms of this</u>
 46 <u>section.</u>
 - § 2. This act shall take effect immediately.
