13 or more.

14 (h) "Prior fiscal year" means the fiscal year of the local government

19 capital tax levy, if any.

20 3. (a) Beginning with the fiscal year that begins in two thousand
21 twenty-two, no local government shall adopt a budget that requires a tax
22 levy that is greater than the tax levy limitation for the coming fiscal
23 year.

24 (b) The state comptroller shall calculate the tax levy limitation for
25 each local government by the one hundred twentieth day preceding the
26 commencement of each local government's fiscal year, and shall notify
27 each local government of the tax levy limitation so determined.

28 (c) The tax levy limitation applicable to the coming fiscal year shall
29 be determined as follows:

30 (i) Ascertain the total amount of taxes levied for the prior fiscal

46 local government in the prior fiscal year, the state comptroller, upon
47 application by the local government, may adjust the tax levy limitation
48 for the coming fiscal year applicable to such local government, by
49 adding the annual costs of such settlement to the tax levy limitation.

50 (e) The state comptroller shall determine the portion of the tax levy
51 of each local government that is attributable to any increase or

54 cal temporary assistance to needy families program or the state-local
55 safety net assistance program and shall adjust the tax levy limitation
56 for such local government to reflect such change.

2 is greater than the tax levy limitation for the coming fiscal year only
3 if the city council of such local government first enacts, by a two-
4 thirds vote of the total voting power of such city council, a local law
5 to override such limitation for such coming fiscal year only.

6 5. In the event a local government's actual tax levy for a given
7 fiscal year exceeds the maximum allowable levy as established pursuant
8 to this section due to clerical or technical errors, the local govern-

10 with such requirements as the state comptroller may prescribe, and shall
