1 2. Not later than twelve months after the effective date of this
2 section, the public service commission shall require a provider of voice
3 service to implement the STIR/SHAKEN authentication framework or alter-
4 native technology that provides comparable or superior capability to
5 verify and authenticate caller identification in the internet protocol
6 networks of voice service providers.

7 3. (a) Any voice service provider that knowingly fails or neglects to
8 comply with this section, or a rule or regulation adopted thereunder,
9 shall forfeit to the people of the state of New York a sum not less than
10 ten thousand dollars and no more than one hundred thousand dollars
11 constituting a civil penalty for each and every offense and, in the case
12 of a continuing violation, each day shall be deemed a separate and
13 distinct offense.

14 (b) Notwithstanding any other provision of law, rule, or regulation, a
15 voice service provider shall be considered to be in compliance with this
16 section and any rule or regulation adopted thereunder if that provider
17 has filed a certification with the Federal Communications Commission
18 that the provider's traffic is either signed with STIR/SHAKEN or subject
19 to a compliant robocall mitigation program. A copy of such certification
20 shall be made available to the attorney general or the public service
21 commission, upon request.

34 made fails to produce the documents or records within fourteen days
35 after the date of the request, the department may issue and serve
36 subpoenas to compel the production of such documents and records. If any
37 person shall refuse to comply with a subpoena issued under this section,
38 the department may petition a court of competent jurisdiction to enforce
39 the subpoena and, notwithstanding any other provision of law, to request
40 a civil penalty not to exceed one thousand dollars per day, actual
41 damages sustained by reason of the failure to comply, and such sanctions
42 as the court may direct.

43 6. The public service commission and the department of public service
44 may promulgate rules and regulations to implement and enforce the
