STECK, BLANKENBUSH, BUTTENSCHON, BYRNE, COLTON, CRUZ, DeSTEFANO, DINOWITZ, ENGLEBRIGHT, FRONTUS, GALEF, GOTTFRIED, GRIFFIN, HAWLEY, HYNDMAN, MANKTELOW, McDONOUGH, MONTESANO, MORINELLO, NORRIS, RA, REYES, ROZIC, SALKA, SANTABARBARA, SAYEGH, SIMON, SMULLEN, STIRPE, WALCZYK, WALSH, WEPRIN -- read once and referred to the Committee on Governmental Operations -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee -- recommitted to the Committee on Governmental Operations in accordance with Assembly Rule 3, sec. 2 -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the state finance law, in relation to requiring a call-blocking service to be provided in state contracts that include procurement if a voice service

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The state finance law is amended by adding a new section
2 149 to read as follows:

3 § 149. Automated call software. 1. As used in this section:

4 (a) "voice service" (i) means any service that is interconnected with
5 the public switched telephone network and that furnishes voice communi-
6 cations to an end user using resources from the North American Numbering
7 Plan or any successor to the North American Numbering Plan adopted by
8 the commission under section 251(e)(1) of the federal Communications Act
9 of 1934, as amended; and (ii) includes (A) transmissions from a tele-
10 phone facsimile machine, computer, or other device to a telephone
11 facsimile machine; and (B) without limitation, any service that enables
12 real-time, two-way voice communications, including any service that
13 requires internet protocol-compatible customer premises equipment and

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD04063-04-2

1 permits out-bound calling, whether or not such service is one-way or
2 two-way voice over internet protocol;

3 (b) "caller identification information" means information provided to
4 an end user by a caller identification service regarding the telephone
5 number of, or other information regarding the origination of, a call
6 made using a voice service;

7 (c) "caller identification service" means any service or device
8 designed to provide the user of the service or device with the telephone
9 number of, or other information regarding the origination of, a call
10 made using a voice service. Such term includes automatic number iden-
11 tification services; and

12 (d) "call-blocking service" means any service that (i) uses reasonable
13 analytics designed to identify unwanted calls; and (ii) blocks calls
14 identified by such analytics.

15 2. Notwithstanding any other provision of law to the contrary, where a
16 contract that includes the procurement of a voice service is to be
17 awarded by a state agency, public authority or municipality, pursuant to
18 a competitive bidding process or a request for proposal process, such
19 contract shall require that any voice service furnished to the state or
20 any of its political subdivisions shall include a call-blocking service.

21 3. A voice service provider that provides a call-blocking service
22 pursuant to this section shall not be subject to any civil or criminal
23 liability on the basis that such call-blocking service blocked a call
24 that was wanted or failed to block a call that was unwanted.

25 § 2. This act shall take effect on the first of January next succeed-
26 ing the date it shall have become a law.
