STATE OF NEW YORK

6037

2021-2022 Regular Sessions

IN ASSEMBLY

March 4, 2021

Introduced by M. of A. ANDERSON -- read once and referred to the Committee on Higher Education

AN ACT to establish the college of renewable energy and sustainability in the city university of New York

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. (a) The trustees of the city university of New York are hereby authorized and directed to immediately take all actions, in conjunction with the chancellor of the city university of New York, to create and establish within the city university of New York system, and subject to the jurisdiction of such board of trustees, a college of renewable energy and sustainability to be located near the JFK International Airport in Jamaica, borough of Queens.

(b) Such board of trustees shall select the location of such college within Jamaica and provide for such college to be an accessible, affordable, competitive, four-year, bachelor's level, degree-granting college of the city university.

(c) The purpose of this college of renewable energy and sustainability shall be to offer majors to be determined by such board of trustees relating to the field of renewable energy and sustainability.

(d) Such board of trustees shall establish standards and promulgate any necessary rules and regulations for the establishment of such college pursuant to article one hundred twenty-five of the education law.

§ 2. The chancellor of the city university of New York shall set the curriculum and the academic policies for such college as described in section one of this act.

§ 3. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
