IN ASSEMBLY

March 10, 2021

Introduced by M. of A. SILLITTI -- read once and referred to the Committee on Education

AN ACT to amend the education law, in relation to requiring a course of study in the prevention of eating disorders

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The education law is amended by adding a new section 804-e to read as follows:

§ 804-e. Courses of study in eating disorders. 1. All pupils in grades five through twelve in all public schools in the state shall receive instruction designed to prevent eating disorders. Such program shall be defined by the commissioner in regulations after consultation with the department of health and be designed to educate students, parents and school personnel about the prevention of eating disorders in grades five through twelve. Such program shall include, but not be limited to students and parents. Nothing in this section shall prevent the department from making model curriculum and resource materials available on the department's website.

2. The commissioner may provide technical assistance to assist in the development of curricula for such courses of study which shall be age appropriate and developed according to the needs and abilities of pupils at successive grade levels in order to provide awareness, skills, information, self-confidence and support to aid in the prevention of eating disorders.

§ 2. This act shall take effect on the first of July next succeeding the date on which it shall have become a law. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
