The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision 4-a of section 400.00 of the penal law, as added by chapter 233 of the laws of 1980, is amended to read as follows:

4-a. Processing of license applications. (a) Applications for licenses shall be accepted for processing by the licensing officer at the time of presentment. Except upon written notice to the applicant specifically stating the reasons for any delay, in each case the licensing officer shall act upon any application for a license pursuant to this section within six months of the date of presentment of such an application to the appropriate authority. Such delay may only be for good cause and with respect to the applicant. In acting upon an application, the licensing officer shall either deny the application for reasons specifically and concisely stated in writing or grant the application and issue the license applied for. A police officer who submits an application containing a certification or attestation from the law enforcement agency or department from which he or she is employed which states he or she is in good standing, shall be presumptive evidence as to the fitness and qualification to carry and possess firearms. The licensing authority with jurisdiction in the county or city having a population of less than one million, shall issue a license to carry and possess a pistol or revolver pursuant to this section within sixty days of a police officer applicant's submission and such license shall authorize the licensee to carry and possess firearms in every county and city in this state.

(b) For the purposes of this section, "police officer" shall mean a police officer, as defined in subdivision thirty-four of section 1.20 of the criminal procedure law.

§ 2. This act shall take effect immediately.
