AN ACT to provide a temporary retirement incentive for certain members of the New York state teachers' retirement system

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act enacts into law components of legislation that

7 temporary in nature for employees who are eligible to receive and quali-  
8 fy for the applicable benefit during the applicable time periods speci-  
9 fied in this act. Further, nothing in this act shall be construed to  
10 create an expectation of a future or continuing retirement benefit for  
11 any public employee who is not eligible to receive and qualify for the  
12 retirement benefits herein during the applicable time periods.

23 § 10. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill (legislative bill draft 07996-01-1) would provide a tempo-  
rary retirement incentive to eligible members of the New York State  
Teachers' Retirement System during fiscal year 2021-2022. This incentive  
would permit eligible members to retire without an early retirement  
reduction upon attainment of at least age 55 with 25 years of service.  
Currently attainment of at least age 55 with 30 years of service, or at  
least age 62 with five years of service are required in order to retire  
without reduction for Tiers 2, 3 and 4 members. Tier 5 members currently  
must be at least age 57 with 30 years of service, or at least age 62  
with ten years of service in order to retire without reduction. Current-  
ly Tier 6 members are required to attain age 63 with ten years of  
service in order to retire without reduction. In order to receive this  
benefit, a member of an employer who has elected to participate must  
retire during the designated 60-day open period, beginning on or after  
June 30, 2021 and not extending beyond August 31, 2021. In order to be  
eligible, a member must be an employee of an educational employer and  
hold a position represented by one of the recognized collective bargain-  
ing units affiliated with the New York State United Teachers (NYSUT) as  
certified by his or her employer. In order to participate in this  
retirement incentive, the educational employer must be a school  
district, a board of cooperative educational services, a vocational  
education and extension board, an institution for the instruction of the  
deaf and of the blind as enumerated in Section 4201 of the Education Law  
or a school district as enumerated in Section 1 of Chapter 566 of the  
Laws of 1967. Employers who elect to participate would pay the cost of  
the retirement incentive over a period not to exceed five years, begin-  
ning in the state fiscal year ending March 31, 2023.

The annual cost, over a five-year period, to the participating employ-  
ers of members of the New York State Teachers' Retirement System for  
this benefit is estimated to be \$69.1 million or .40% of payroll if this  
bill is enacted.
