

STATE OF NEW YORK

6583

2021-2022 Regular Sessions

IN ASSEMBLY

March 19, 2021

Introduced by M. of A. L. ROSENTHAL -- read once and referred to the Committee on Codes

AN ACT to amend the penal law, the criminal procedure law and the general business law, in relation to decriminalizing possession of controlled substances; to amend the public health law, in relation to establishing the drug decriminalization task force; to repeal certain provisions of the penal law related thereto; and providing for the repeal of certain provisions upon the expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings. The legislature hereby finds that
2 substance use disorder is a disease and should therefore be treated
3 using a public health, rather than a criminal-legal-system-centered
4 approach. Existing laws criminalizing the possession of drugs have been
5 ineffective in reducing drug use and preventing substance use disorder.
6 Instead, these laws have devastated individuals, families, and communi-
7 ties. Treating substance use as a crime by arresting and incarcerating
8 people for personal use offenses causes significant harm to individuals
9 who use drugs by disrupting and further destabilizing their lives. It
10 also contributes to an increased risk of death, the spread of infectious
11 diseases, mass incarceration, the separation of families, and barriers
12 to accessing housing, employment, and other vital services. Furthermore,
13 even though research shows that drugs are used and sold at similar
14 levels across all races, laws criminalizing the use of drugs have
15 disproportionately impacted Black and Latinx communities. The purpose of
16 this legislation is to save lives and to help transform New York's
17 approach to drug use from one based on criminalization and stigma to one
18 based on science and compassion, by eliminating criminal and civil
19 penalties for the personal possession of controlled substances.

20 § 2. Section 220.03 of the penal law, as amended by section 4 of part
21 I of chapter 57 of the laws of 2015, is amended to read as follows:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets

The screening should prioritize the individual's self-identified needs for referral to appropriate services. Such screening shall be conducted by individuals trained in the use of evidence-based, culturally and gender competent trauma-informed practices. Upon verification that the person has completed the screening within forty-five days of when the fine was imposed, the fine imposed by this section shall be waived. Failure to pay such fine shall not be the basis for further penalties or for a term of incarceration.

§ 3. Subdivision 3 of section 160.50 of the criminal procedure law is amended by adding a new paragraph (m) to read as follows:

1 considered terminated in favor of the accused and deemed a nullity,
2 having been rendered by this paragraph legally invalid. All such records
3 for an offense described in this paragraph where the conviction was
4 entered on or before the effective date of the chapter of the laws of
5 2019 or 2020, as applicable, that amended this paragraph shall be
6 expunged promptly and, in any event, no later than one year after such
7 effective date.

15 provided in paragraph (d) of subdivision one of this section and para-
16 graph (e) of subdivision four of section eight hundred thirty-seven of
17 the executive law: (1) when the division of criminal justice services
18 conducts a search of its criminal history records, maintained pursuant
19 to subdivision six of section eight hundred thirty-seven of the execu-
20 tive law, and returns a report thereon, all references to a conviction
21 for an offense described in paragraph (k) or (m) of subdivision three of
22 this section shall be excluded from such report; and (2) the chief
23 administrator of the courts shall develop and promulgate rules as may be
24 necessary to ensure that no written or electronic report of a criminal
25 history record search conducted by the office of court administration
26 contains information relating to a conviction for an offense described
27 in paragraph (k) or (m) of subdivision three of this section; and (B)
28 where court records relevant to such matter cannot be located or have
29 been destroyed, and a person or the person's attorney presents to an
30 appropriate court employee a fingerprint record of the New York state
31 division of criminal justice services, or a copy of a court disposition
32 record or other relevant court record, which indicates that a criminal
33 action or proceeding against such person was terminated by conviction of
34 an offense described in paragraph (k) or (m) of subdivision three of
35 this section, then promptly, and in any event within thirty days after

43 to read as follows:

44 (k) The judgment [~~occurred prior to the effective date of this para-~~
45 ~~graph and~~] is a conviction for an offense as defined in subparagraph (i)
46 or (ii) of paragraph (k) or subparagraph (i) of paragraph (m) of subdi-
47 vision three of section 160.50 of this part, in which case the court
48 shall presume that a conviction by plea for the aforementioned offenses
49 was not knowing, voluntary and intelligent if it has [~~severe or~~] ongoing
50 collateral consequences, including but not limited to potential or actu-
51 al immigration consequences, and shall presume that a conviction by
52 verdict for the aforementioned offenses constitutes cruel and unusual
53 punishment under section five of article one of the state constitution,
54 based on those consequences. The people may rebut these presumptions.

§ 7. Subdivision 6 of section 440.10 of the criminal procedure law, as amended by chapter 131 of the laws of 2019, is amended to read as follows:
