1 Section 1. Section 137 of the correction law is amended by adding a  
2 new subdivision 7 to read as follows:

3 7. Any incarcerated person in a correctional facility who has a gender  
4 identity that differs from his or her assigned sex at birth or has a  
5 diagnosis of gender dysphoria, as set forth in the most recent edition  
6 of the American Psychiatric Association's "Diagnostic and Statistical  
7 Manual of Mental Disorders", or who self-identifies as transgender or  
8 gender nonconforming shall:

9 (a) be addressed by correctional officers and staff in a manner that  
10 most closely aligns with such person's gender identity;

11 (b) have access to commissary items, clothing, personal property,  
12 programming and educational materials that most closely align with such  
13 person's gender identity;

14 (c) have the right to be searched by a correctional officer or staff

1 assigned sex at birth or who has a diagnosis of gender dysphoria or who  
2 self-identifies as transgender or gender nonconforming pursuant to  
3 subdivision seven of section one hundred thirty-seven of this chapter  
4 shall be presumptively placed in a correctional facility with persons of  
5 the gender that most closely aligns with such person's gender identity  
6 unless the person opts out of such placement. The incarcerated person  
7 shall be permitted to leave such placement and transfer to a facility  
8 housing individuals of his or her assigned sex at birth at any time. Any  
9 such person who has opted out of such presumptive placement or who  
10 leaves such placement may again request placement in a correctional  
11 facility with persons of the gender that most closely aligns with his or  
12 her gender identity at any time. Such presumptive placement may be  
13 overcome by a determination in writing by the commissioner or the  
14 commissioner's designee that there is clear and convincing evidence that  
15 such person presents a current danger of committing gender-based  
16 violence against others. In making such a determination, the commission-  
17 er or his or her designee shall further consider whether such person can  
18 be safely housed in another facility or housing unit that most closely  
19 aligns with the person's gender identity.

20 2. A transgender incarcerated person experiencing harassment, violence  
21 or threats of violence due to his or her gender identity shall not be  
22 placed in protective custody for more than thirty days as a result of  
23 such harassment, violence or threats of violence, and must be housed in  
24 a least-restrictive setting where he or she will be safe from such  
25 behavior.

26 § 3. Section 500-b of the correction law is amended by adding a new  
27 subdivision 14 to read as follows:

28 14. 1. Notwithstanding the provisions of this section, any incarcerat-  
29 ed person determined to have a gender identity different from his or her  
30 assigned sex at birth or who has a diagnosis of gender dysphoria or who  
31 is self-identified as transgender or gender nonconforming pursuant to  
32 subdivision seven of section one hundred thirty-seven of this chapter  
33 shall be presumptively placed in a facility housing unit with incarcer-  
34 ated individuals of the gender most closely aligned with such person's  
35 gender identity. Such presumptive placement may be overcome by a written  
36 determination by the chief administrative officer, or the chief adminis-  
37 trative officer's designee, that the placement would present significant  
38 safety, management or security problems.

39 2. A transgender incarcerated individual experiencing harassment,  
40 violence or threats of violence due to his or her gender identity shall  
41 not be placed in protective custody for more than thirty days as a  
42 result of such harassment, violence or threats of violence, and must be  
43 housed in a least-restrictive setting where he or she will be safe from  
44 such behavior.

45 § 4. Section 500-k of the correction law, as amended by chapter 2 of  
46 the laws of 2008, is amended to read as follows:

47 § 500-k. Treatment of inmates. Subdivisions five [~~and~~], six and seven  
48 of section one hundred thirty-seven of this chapter, except paragraphs  
49 (d) and (e) of subdivision six of such section, relating to the treat-  
50 ment of inmates in state correctional facilities are applicable to  
51 inmates confined in county jails; except that the report required by  
52 paragraph (f) of subdivision six of such section shall be made to a  
53 person designated to receive such report in the rules and regulations of  
54 the state commission of correction, or in any county or city where there  
55 is a department of correction, to the head of such department.

1     § 5. This act shall take effect immediately; provided, however, that  
2 the amendments to section 500-b of the correction law made by section  
3 three of this act shall not affect the repeal of such section and shall  
4 be deemed repealed therewith.
