AN ACT to amend the highway law, in relation to applications for permits for work within the highway right of way

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The second undesignated paragraph of section 52 of the 2 highway law, as amended by chapter 297 of the laws of 1972, is amended 3 to read as follows:

3 to read as follows: The commissioner of transportation shall establish regulations governing the issuance of highway work permits, including the fees to be charged therefor, a system of deposits of money or bonds guaranteeing the performance of the work and requirements of insurance to protect the interests of the state during performance of the work pursuant to a 9 highway work permit. With respect to accommodation of fiber optic util-10 ities within the state highway right of way, the regulations shall additionally provide that the department shall issue a written notice of 11 12 complete application to an applicant for a highway work permit or use 13 and occupancy permit within twenty-one days of receipt of the work 14 permit application. Within such time of submission for an accommodation of fiber optic utilities, an initial review of the application shall be 15 conducted and the department shall either make a determination that the 16 application is complete, or identify any additional information required 17 to be submitted by the applicant for the application to be considered 18 19 complete. With respect to accommodation of fiber optic utilities, the 20 regulations shall also provide that the department shall: complete the 21 review of the application and either issue or deny a work permit and/or use and occupancy permit within forty-five days of issuing the written 22 notice of complete application; and provide that any application that is 24 pending for more than forty-five days without a permit being issued
