26 (3) Geothermal energy system equipment. The term "geothermal energy  
27 system equipment" shall mean a system whose original use begins with the  
28 taxpayer; which meets the eligibility criteria, if any, prescribed by

36 each such taxpayer shall be prorated according to the percentage of the  
37 total expenditure for such geothermal energy system equipment contrib-  
38 uted by each taxpayer.

39 (5) Proportionate share. Where geothermal energy system equipment is  
40 purchased and installed by a condominium management association or a  
41 cooperative housing corporation, a taxpayer who is a member of the  
42 condominium management association or who is a tenant-stockholder in the  
43 cooperative housing corporation may for the purpose of this subsection

3     shall exceed the taxpayer's tax for such year, such excess amount may be  
4     carried over to the five taxable years next following the taxable year  
5     with respect to which the credit is allowed and may be deducted from the  
6     taxpayer's tax for such year or years.
